Well, this is it.
One year, one book, all together.
Selected.
How was your year?
Like this. This! This!?
Rummage. Rummage.
Come along for this trip.
Look around. See the things
Others saw. Did you see it
This way, or maybe some private
Way of your own?
Let's go, into the book,
Impressions of a personal year
For all of you.

Varsity Football Rally

Much of our school spirit this year can be attributed to the rally. Joan Anderson reigned as queen with Debbie Blair, Karla Booth, Pat Harlow, Linda Harrington, Anne Jeschke, and Nancy Metcalf making up the rest of the rally. They were enthusiastic at all games, always ready for another yell. If it rained, they donned rain gear and kept yelling. Next year's rally will have a big reputation to live up to.

Parkrose never had a bad year in the Wilco League and this year was no exception. The Broncos finished their last season in the league with an 8-1 record.

The Bronco defense was a key factor in a fine season. Seniors Alan Tuttle, Ken Reed, Roger Keller, Paul Keck, Drake Snodgrass, and Jerry Hagist, helped form one of the best defenses in the state.

Our offense, led by quarterback Steve Jones and end Lee Welch, was just as good. Both Steve and Lee were named to All-State teams. The Parkrose

offense has always been one of the best in the Wilco League. The offense had a systematic and versatile attack behind a strong front wall. Two of the best games came against tough Wy'east and the greatly improved Canby Cougars.

Three outstanding seniors were Lee Welch, voted the most outstanding player, Jack Robertson, who gained the most yardage, and Steve Jones, whose passing ability helped make him one of the best quarterbacks in the state.

Team captains were Lee Welch, Steve Jones, and Alan Tuttle.

Bronco Hi-Lites

The Bronco Hi-lites provided half-time entertainment at football and basketball games. Thirty-four girls from all classes participated. They practiced every day during a regular period and had some rehearsals in the evenings. The girls had two outfits, one consisting of black skirts and vests, and the other consisting of pink jumpers with polka dot blouses. During football season the girls made up their own dances in accordance with the halftime band program. They also participated in the band formations on the field. The Bronco Hi-lites again made up new dances for basketball season. They danced at the Holiday Classics in Lake Oswego.

J.V. Football

1967 was a year of uncertainties for J.V. football. When up they played very well, when down they played an unorganized game. In the Metro League they will be able to rise up to the challenge with the experience and maturity that they gained this year.

This year was marred by the loss of their friend and team mate, Joe Moore, who was killed in an auto accident. They will remember Joe next year as they meet the challenge of playing in the Metro League. This person's spirit will be missed next year.

J.V. Rally

Brenda McGrew, Kathy Edwards, Barbara Kelly, Debbie Molleston, Christy Wells, Shirli Krieger, and Queen Carole Anderson, constituted this year's J.V. Football Rally. They did more than their share of promoting spirit at football games.

J.V. Rally came across only two problems during the season. These were lack of transportation and catching colds in the rain.

Cross Country

The Cross Country Team had their best season. At the district meet they placed second out of the nine teams that participated. Out of twenty-four teams that competed at the state meet, Parkrose finished thirteenth. During the regular season the Cross Country team beat every team except The Dalles. Parkrose had runners finish in the first five places in all meets, except against The Dalles, Wy'east, and Molalla. Twice Parkrose runners captured the first seven places. The team consisted of five seniors: Doug Wellman, John Reed, Pete Borden, Tom Seeth, and Craig Johndahl; five juniors: Mike Keyes, Paul Williams, Lee Skinner, Kirby Warner, Chuck Haglund; and seven sophomores: Jim Reed, Steve Ominski, Rick Hancock, Bob Brown, Jim Hawkins, Randy Sprick, and Greg Haslett.

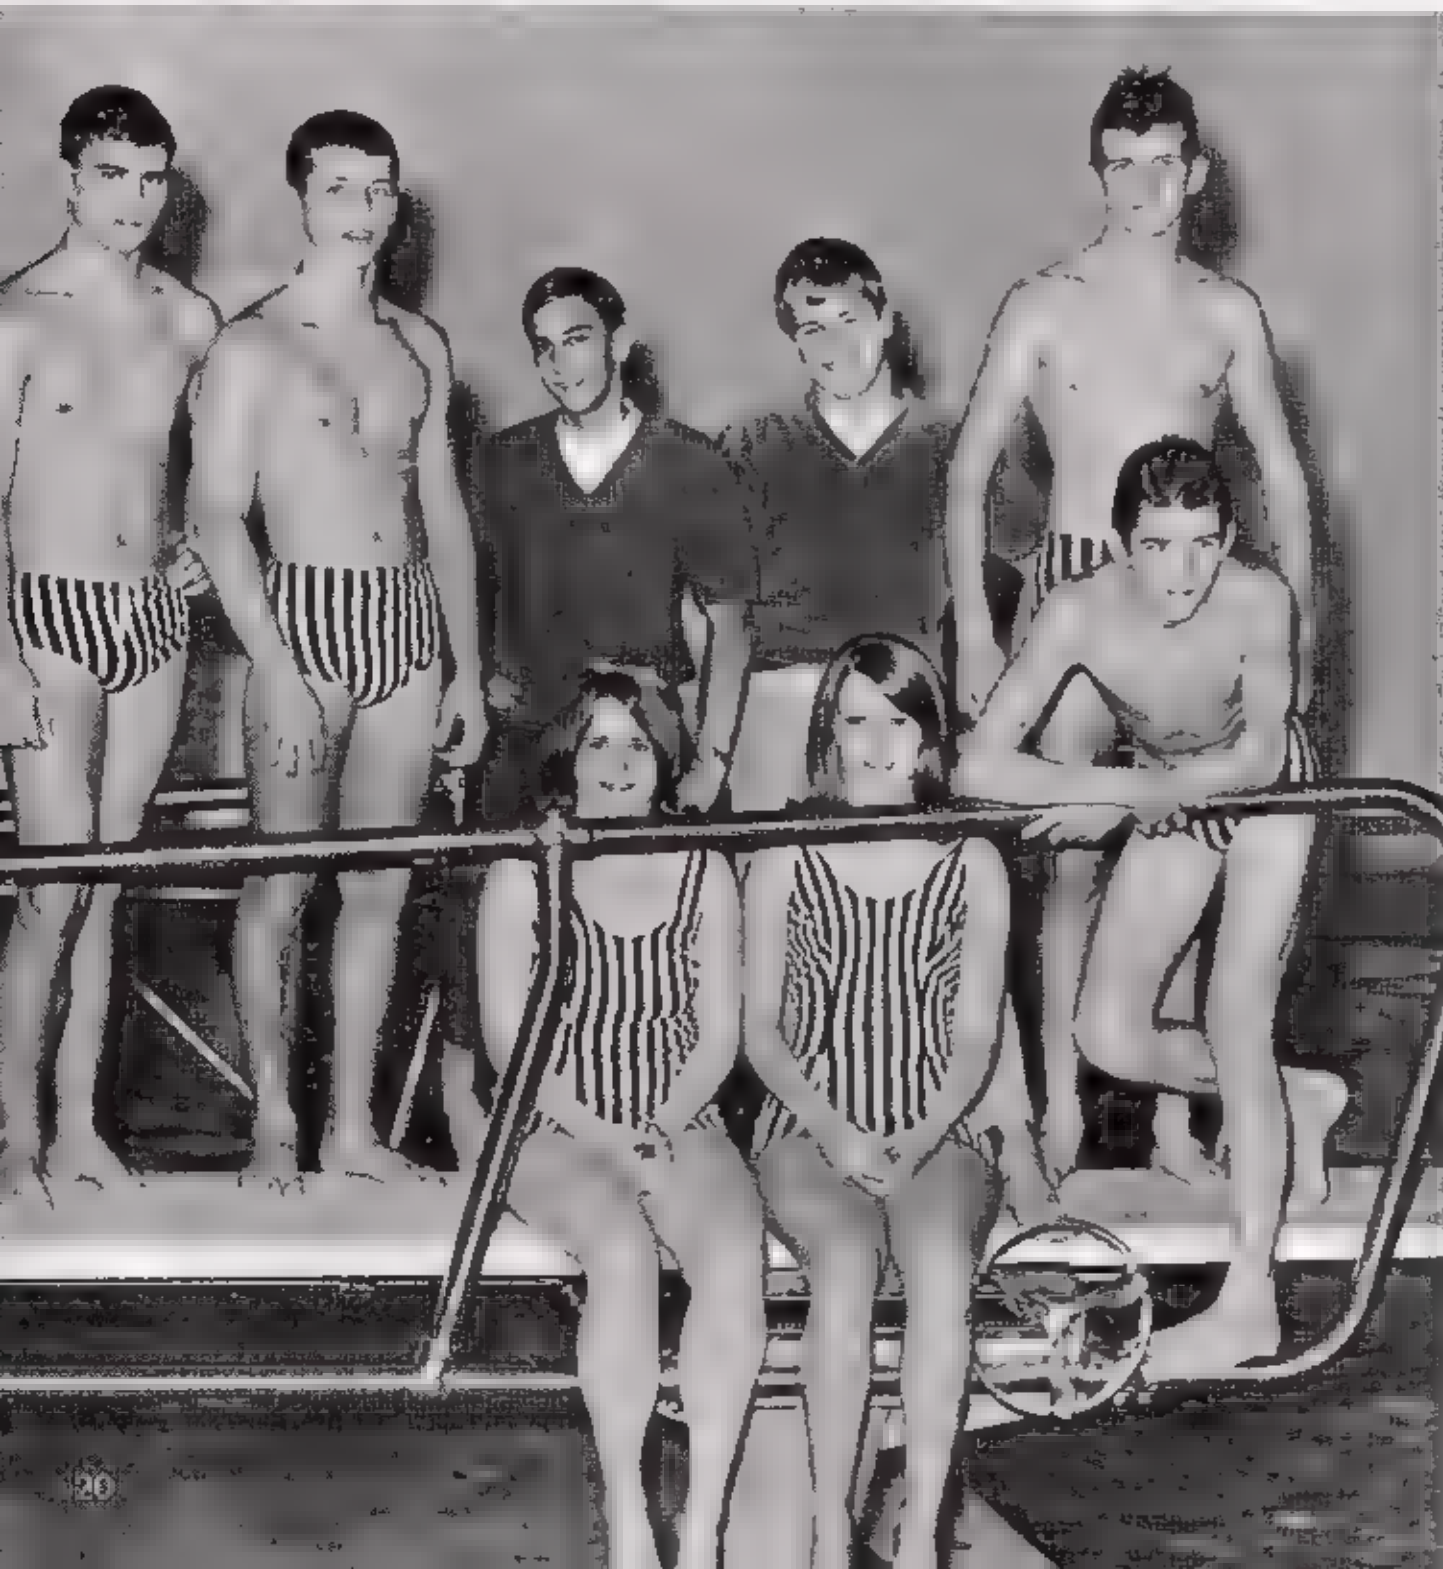

Swimming

The boys lost once, to Beaverton. This loss ended Parkrose's record victory streak. At the district meet, the girls placed first and the boys finished second. The coaches, Mr. Anderson and Mrs. Beeman, said that superb individual efforts made up for the shortage of personnel.

The swim team had a highly successful year. The girls won thirteen meets and lost one. The boys won twelve meets and lost one.

Chris Sporano, Gayle Kimberley, and Sue Henderson provided the individual talent for the girls' swim team. They lead the team in scoring throughout the season. Lary Strong, Mike Hadley, Bob Rubin, and Stan Carper were the outstanding swimmers on the boys' team. Stan will be a sophomore at the senior high next year.

Big and Little Sister Tea

A sincere welcome given to all sophomores at the Big and Little Sister Tea marked the first event of the year. The fashion show and tea sponsored by the newly elected officers and chairmen, introduced the appropriate dress for each school event.

The big and little sisters sat together during the tea and got better acquainted, each looking forward to an exciting year.

Homecoming

Bronco Homecoming

Homecoming week started out with the coronation of Queen Margie Albertson and ended with the Broncs trouncing the Dalles.

Queen Margie reigned over her court, which consisted of Princesses Jo Meng and Mary Stock, seniors; Nancy Bennett and Cheri Armstrong, juniors; and Bonni Ireland and Roxanne Armstrong, sophomores.

The construction of Homecoming displays on the front grounds was the first event of spirit week. Honor Society took the first place prize of fifteen dollars. The next activity was the bonfire after the spaghetti dinner. The week ended at the pep assembly when the seniors won the yell competition among classes.

Although it rained heavily, the Broncs beat the Dalles by a score of 17-0 to please Queen Margie and the Bronc boosters.

Masquerade Ball

The Masquerade Ball carried out a Halloween theme this year. It was attended by costumed guests. Those in attendance danced to the music of the Tragic Era and enjoyed a psychedelic show.

The annual event was sponsored by the Thespians.

Mr. Touchdown Dance

The Mr. Touchdown Dance, sponsored by Girls' League, ended our last football season in the Wilco League. The dance followed the Jesuit game. Steve Jones won the honor of being crowned Mr. Touchdown. The cafeteria was decorated to resemble a football field, with goal posts at each end. The Blue Lights, a Parkrose High group, provided the music.

Sadie Hawkins Dance

Marryin' Sam, alias Mr. McKinney, presided over the mock wedding ceremonies held at the Sadie Hawkins dance.

Kathy Frederickson and John Azorr were picked as Mr. and Mrs. Dogpatch for having the best costumes.

The Collections played while the Dogpatch couples stomped to the lively music.

Honor Society

Honor Society's first official function was the induction of new members. Presiding over the induction assembly was Honor Society President Dick Hendrickson. Following the candlelighting ceremony, inductees were escorted in front of the Student Body and welcomed by the members. One of the activities Honor Society sponsored was a slave sale to furnish funds for the scholarships it awards. The members also sold tickets for a Blue Room performance at the Portland Civic Theater.

Student Body President

This year's Student Body President, Ron Krieger, has devoted much of his time to administrative roles.

He has served as sophomore class president, first vice-president, and president of the student body.

"It has been an honor and a privilege to serve such a worthy and wonderful student body as that of Parkrose Senior High."

Student Body Officers

Jim Coates-First Vice-President

Bob Hendrickson- Vice-President

Tom Smith-Third Vice-President

Gretchen Bare-Secretary

Sue Gossling-Asst. Secretary

Lucy Edwards-Co-treasurer

Marilyn Maeda-Co-treasurer

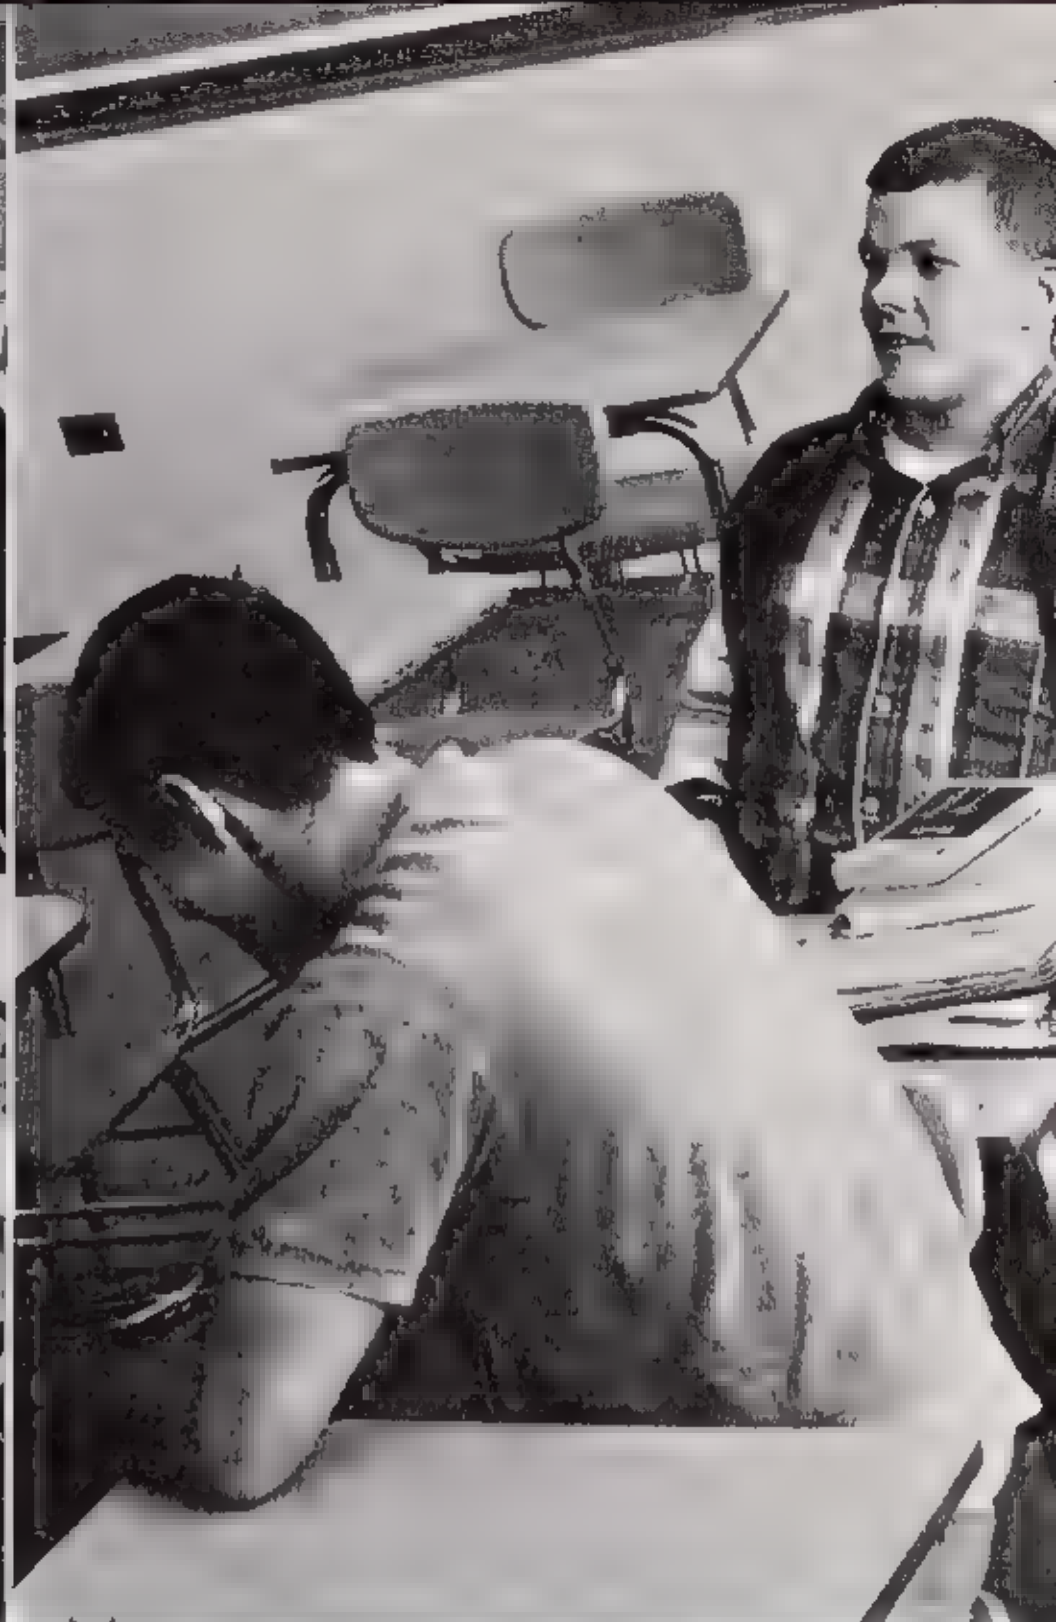

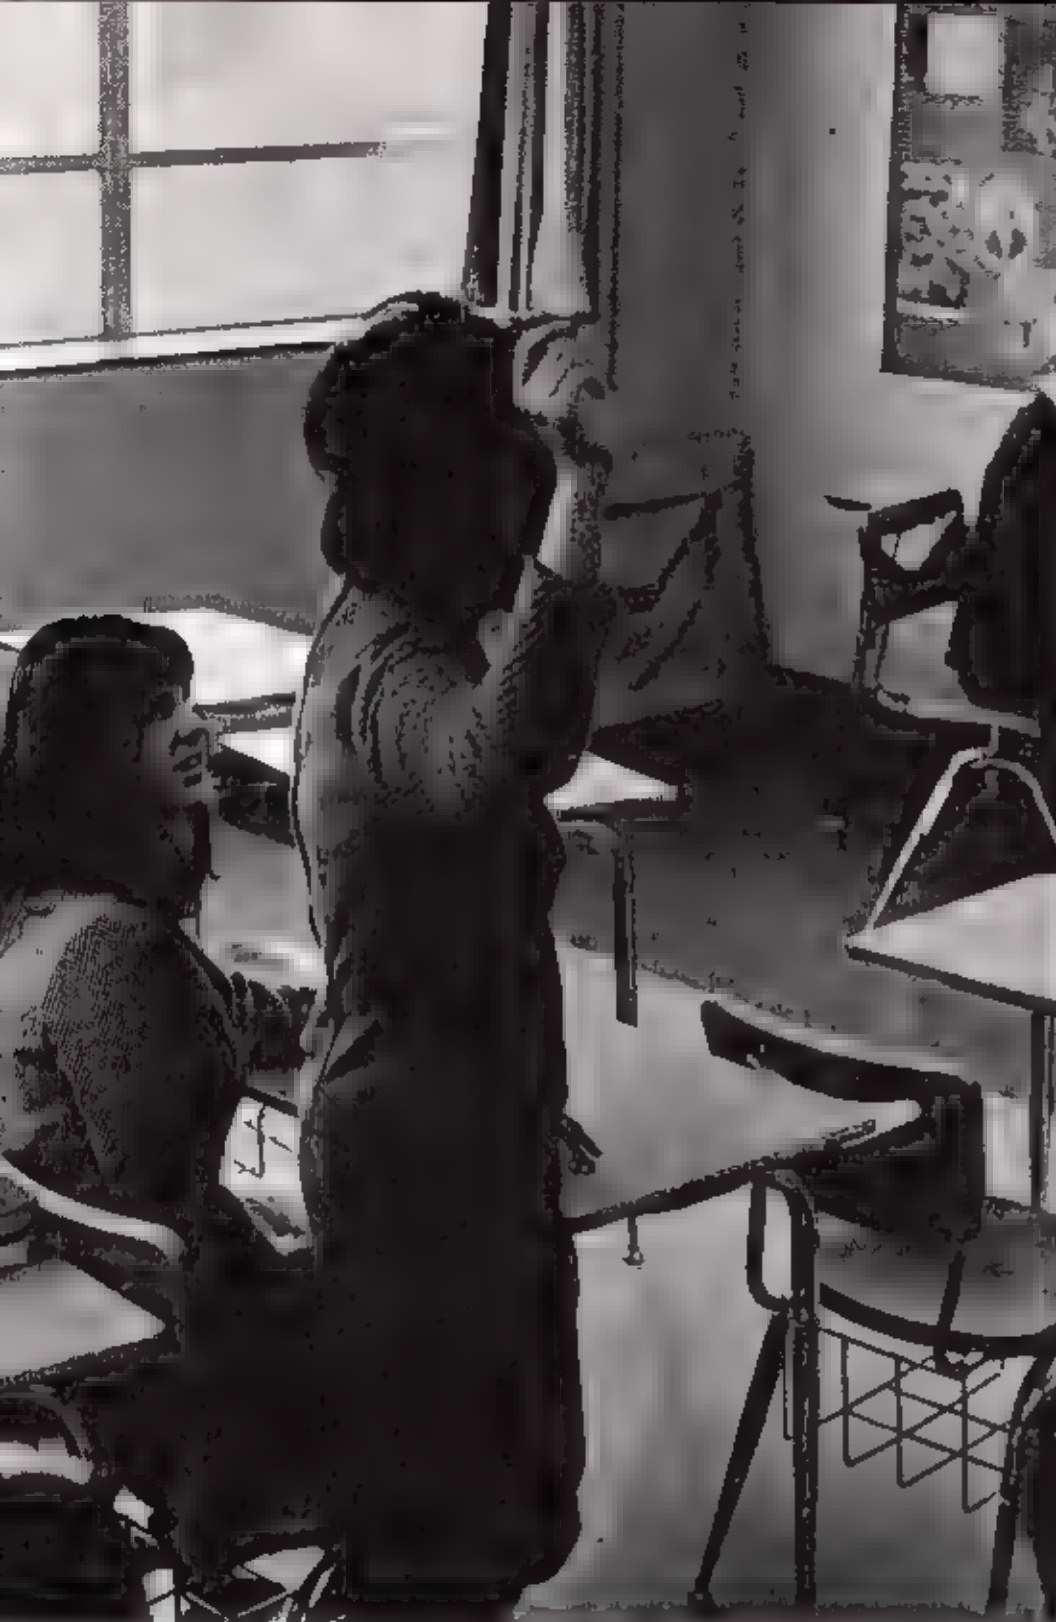

Camp Colton

The main objectives of the Camp Colton Leadership Retreat were to gain experience in using parliamentary procedure and to formulate new ideas concerning student government and activities.

The eighty students who attended were divided into six groups, where they learned to work together towards a common goal.

The skits that were prepared at Camp Colton were later presented at a school assembly for the enjoyment of both the participants and the viewing audience.

Executive and Inter-Club Councils

Ron Krieger headed this year's Executive Council. His duty along with other Student Body Officers, Standing Committee Chairmen, Annual and Bud Staff Editors, Student Store Manager, and the Rally Queen was to write and discuss the agenda for Student Council.

I.C.C. is composed of representatives from every club. They meet to discuss club problems and schedule club activities. The Homecoming coronation and Christmas canned food drive are also planned by the council.

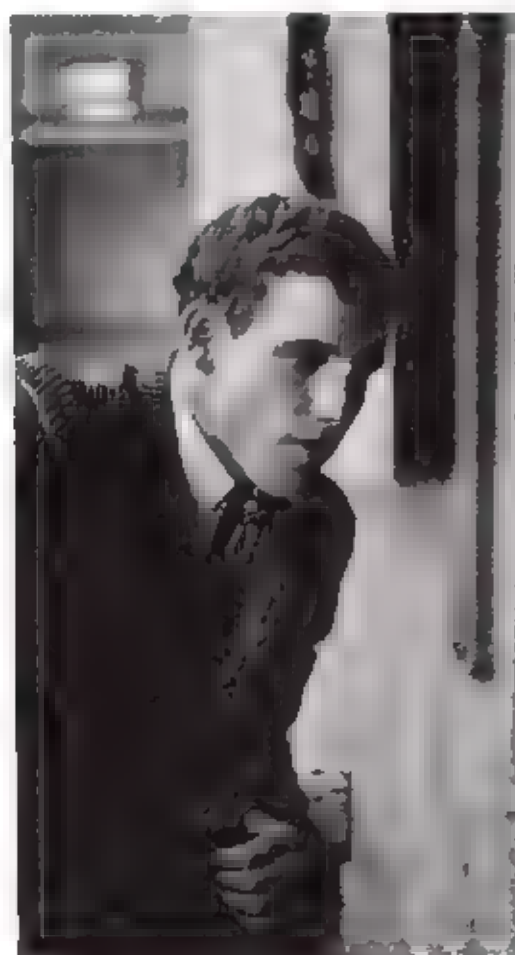

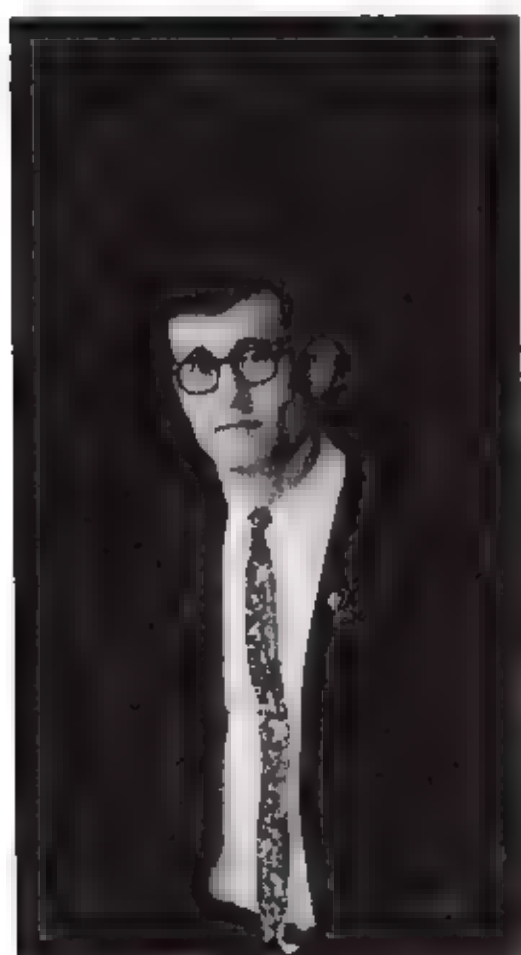

Student Council

Student Council started with the Camp Colton Leadership Retreat. They discussed leadership qualities and problems that arise. The council appointed an election committee to help the second vice-president during elections. A new procedure for replacing representatives and a method for introducing ideas were presented. The council also suggested that each class choose their colors during their sophomore year. They presented Mrs. Carscallen with a silver tray in recognition of her retirement from twenty-one years of service. In line with the Student Council's tradition of service, they donated \$25 to the John Dierickx Memorial at Gladstone High School

Junior Rotarians

The honor of Junior Rotarian went to two Senior boys, Ron Krieger, President of the Parkrose Senior High Student Body and Jack Robertson, Both were active members in the National Honor Society. Jack and Ron were chosen by the faculty on the basis of active participation, good appearance and leadership in their class. They represented the Students of Parkrose Senior High at Rotary meetings.

F.M.W.

The Future Medical Workers organization stems from a common interest in the field of medicine and its healing arts. A variety of speakers, from specialist to pre-medical students, spoke to the members. A number of visits were made to the hospitals in the area throughout the year. They participated in club activities, entering the Homecoming display contest and completing a charitable Christmas project.

Visual Aids

Mr. Hurst, advisor of the Visual Aids class, and a staff of forty-seven boys disperse help to all teachers during the school year. Each boy learns how to efficiently operate and care for projectors and other equipment. Students who work hard receive a full year of credit.

G.A.A.

Members of the Girls Athletic Association participate in basketball, field hockey, tennis, volleyball, and softball. This year they started competing with other schools in these sports. At gymnastic events the girls keep score. They earn class points by winning their intra-class matches.

I.R.L.

Membership into IRL is open to all students interested in the study and discussion of international current events for a better understanding of their governmental as well as social problems.

The members of IRL try to relate what they learn about foreign countries to the problems that plague the United States. The advisor to IRL is Mr. Frantz.

Outdoor Club

All students interested in conservation and the outdoors should give serious consideration to membership in the Outdoor Club. Headed by Mr. Alexander, this club made numerous field trips around the state in search of plant specimens.

Radio Club

The Radio Club, headed by Mr. Nelson, helps to promote interest in the field of radio by aiding boys in obtaining their amateur licenses. All the members are enthusiastic about their amateur radio station, which transmits broadcasts from the school.

Science Club

Throughout the year the Science Club has taken many interesting weekend field trips gathering specimens and knowledge as well.

The Science Club, though not large, has contributed much to the social life at Parkrose. This year their main project was the rebirth of the Beachcomber's Ball, an annual event that had been cancelled in the past due to student lack of interest.

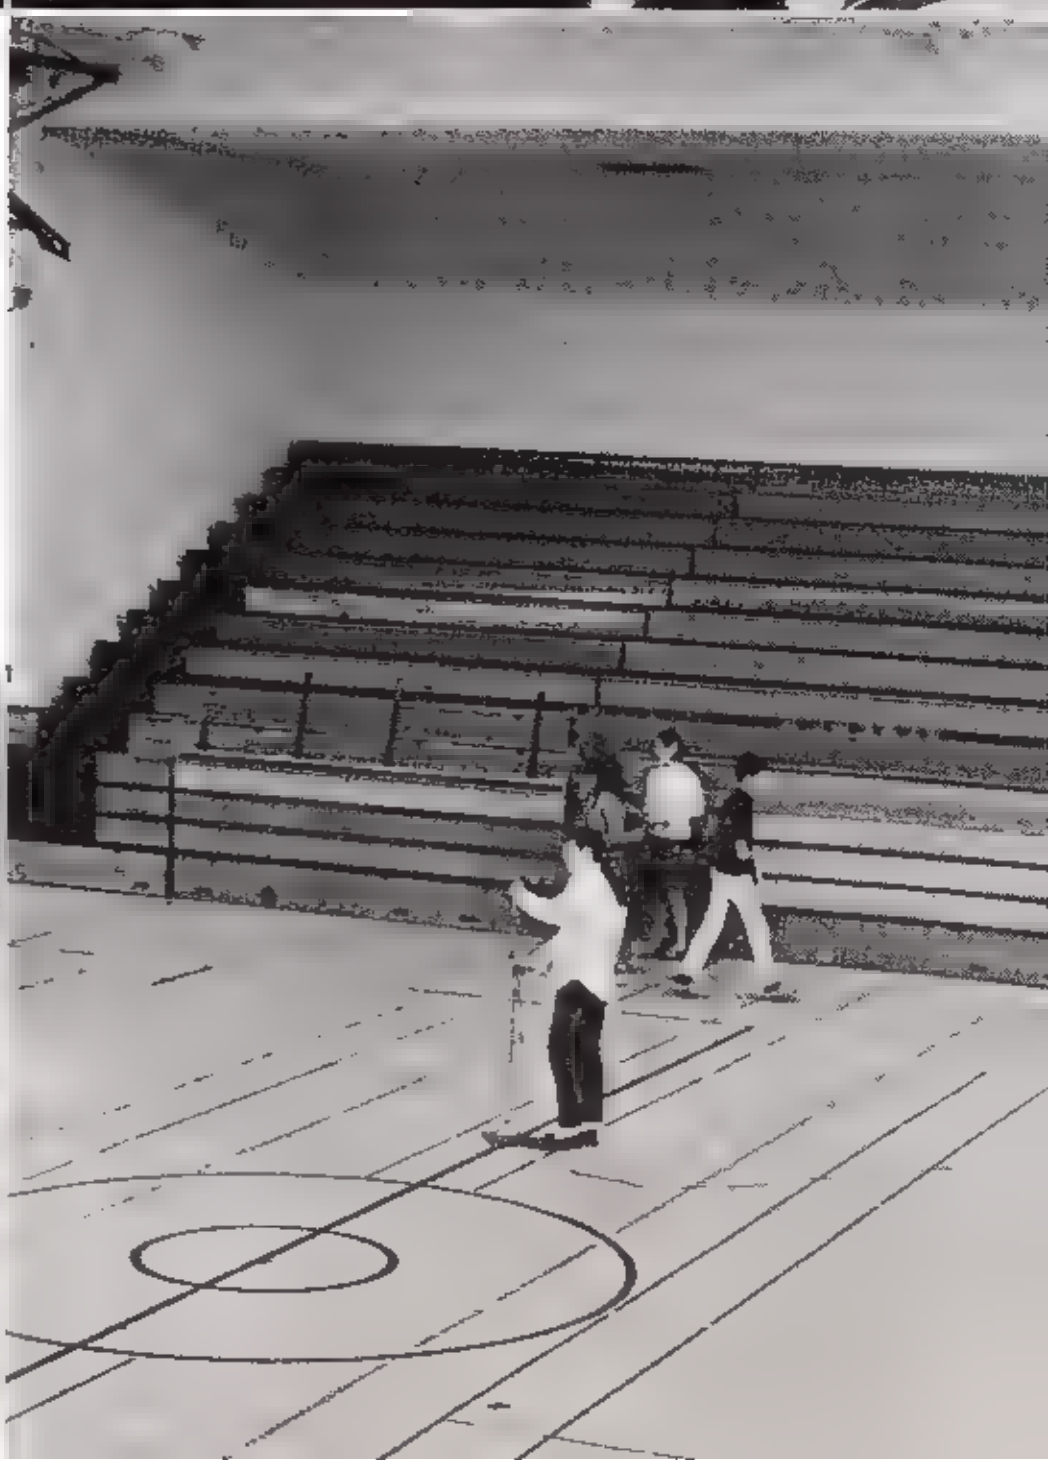

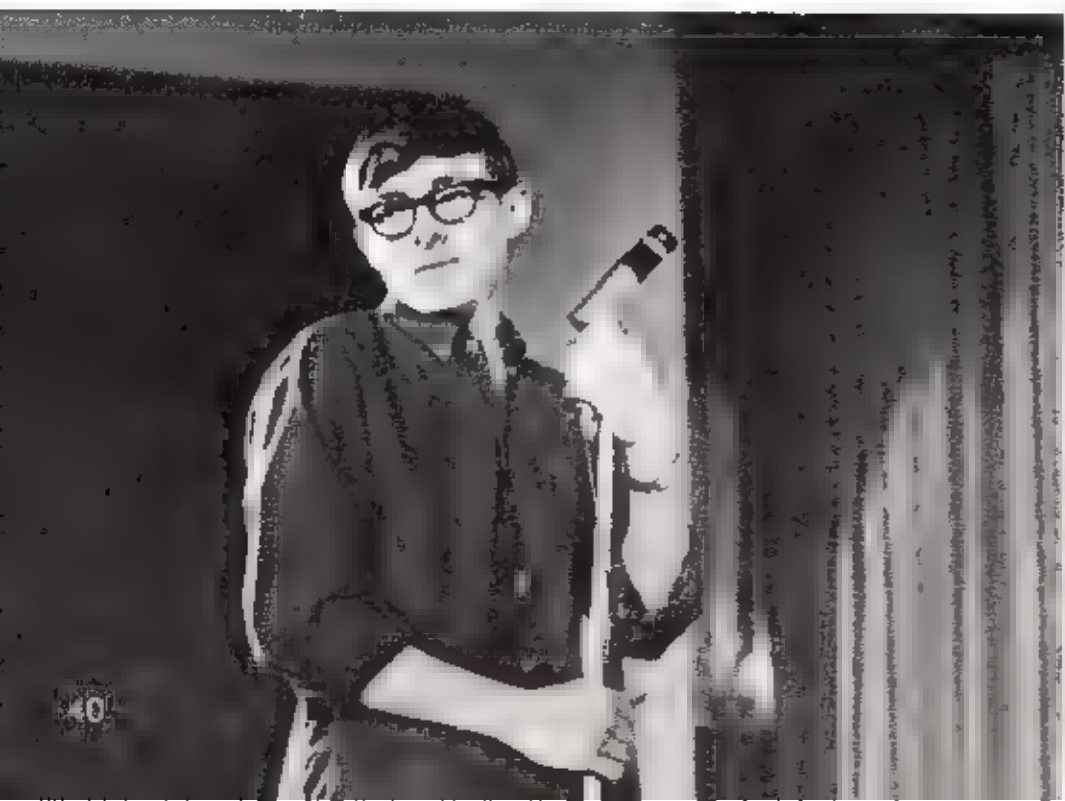

Stage Crew

One of the rarely acknowledged groups in our school is the stage crew. They are responsible for building and painting all the sets for drama productions and spring musicals.

Sound Engineers

The sound engineers, advised by Mr. Pearson, are responsible for all the lighting and public address systems used in assemblies, meetings, and programs. We owe them a debt of thanks for their devoted service this year.

Publicity Club

Thanks to the efforts of the Publicity Club, brilliantly colored posters and banners have decorated the halls this year.

The Publicity Club publicizes important social and athletic events as well as honoring those who are especially deserving.

Mr. Herrington is the advisor of this brush-wielding club.

Astronomy Club

Those who are interested in the field of science are welcome to join this club. Throughout the school year the members take field trips and participate in varied experiments to further their knowledge of astronomy.

F.H.A.

The Future Homemakers of America is open to all girls who have taken or are taking a homemaking course in junior or senior high school.

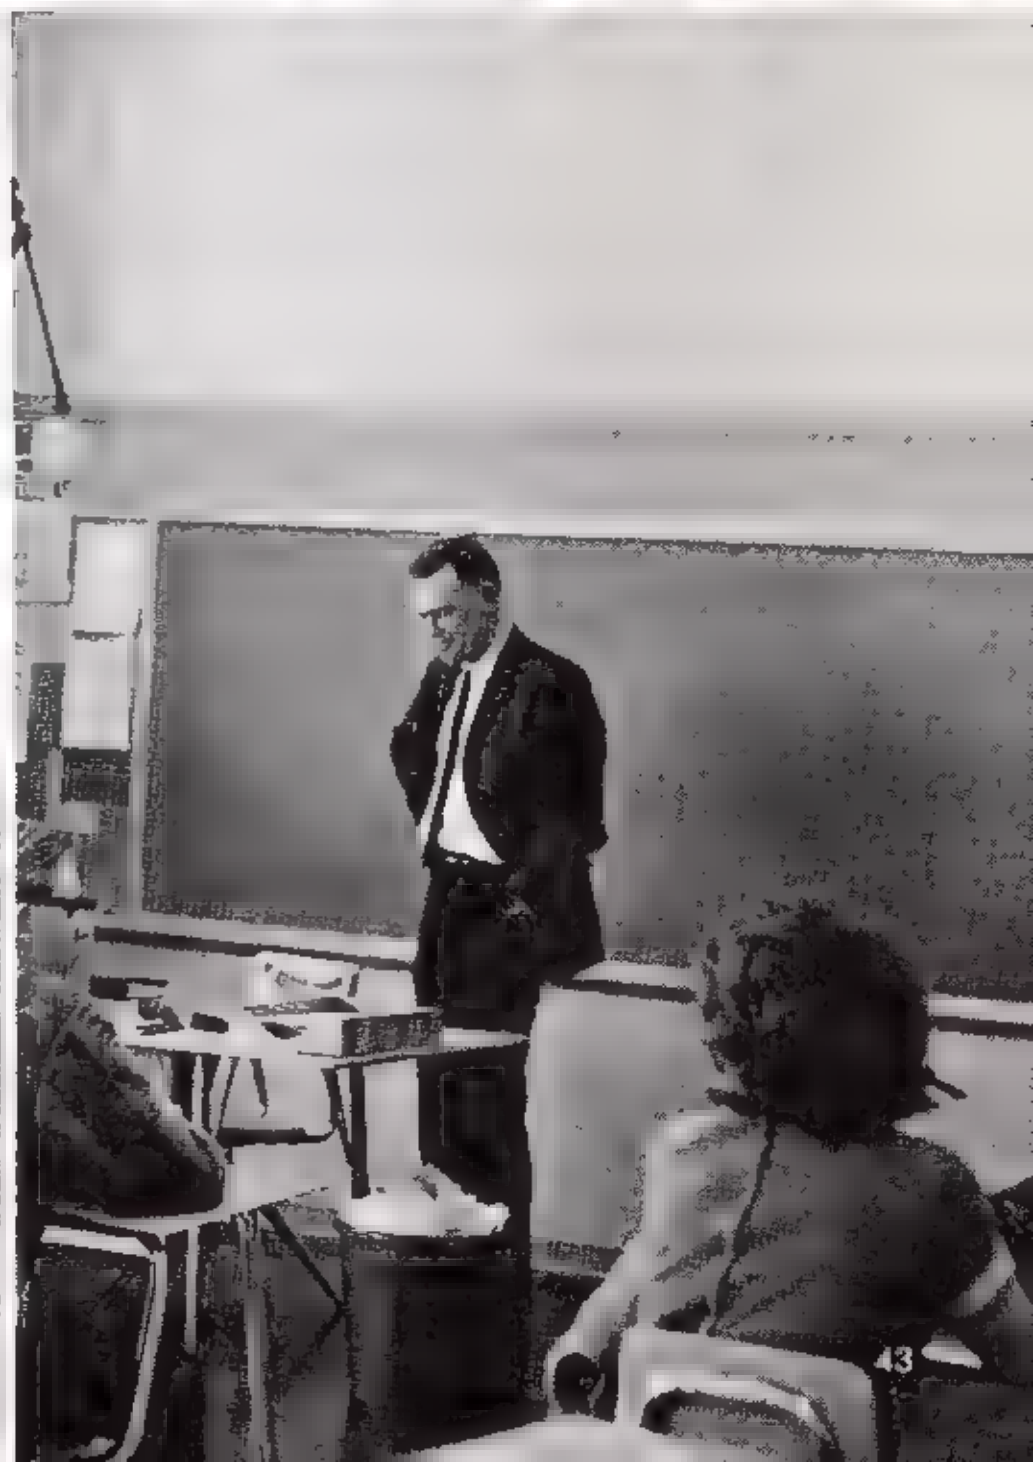

The purpose of this club, advised by Mrs. Larson, is to promote better home planning and to interest further those who are considering a career in Home Economics.

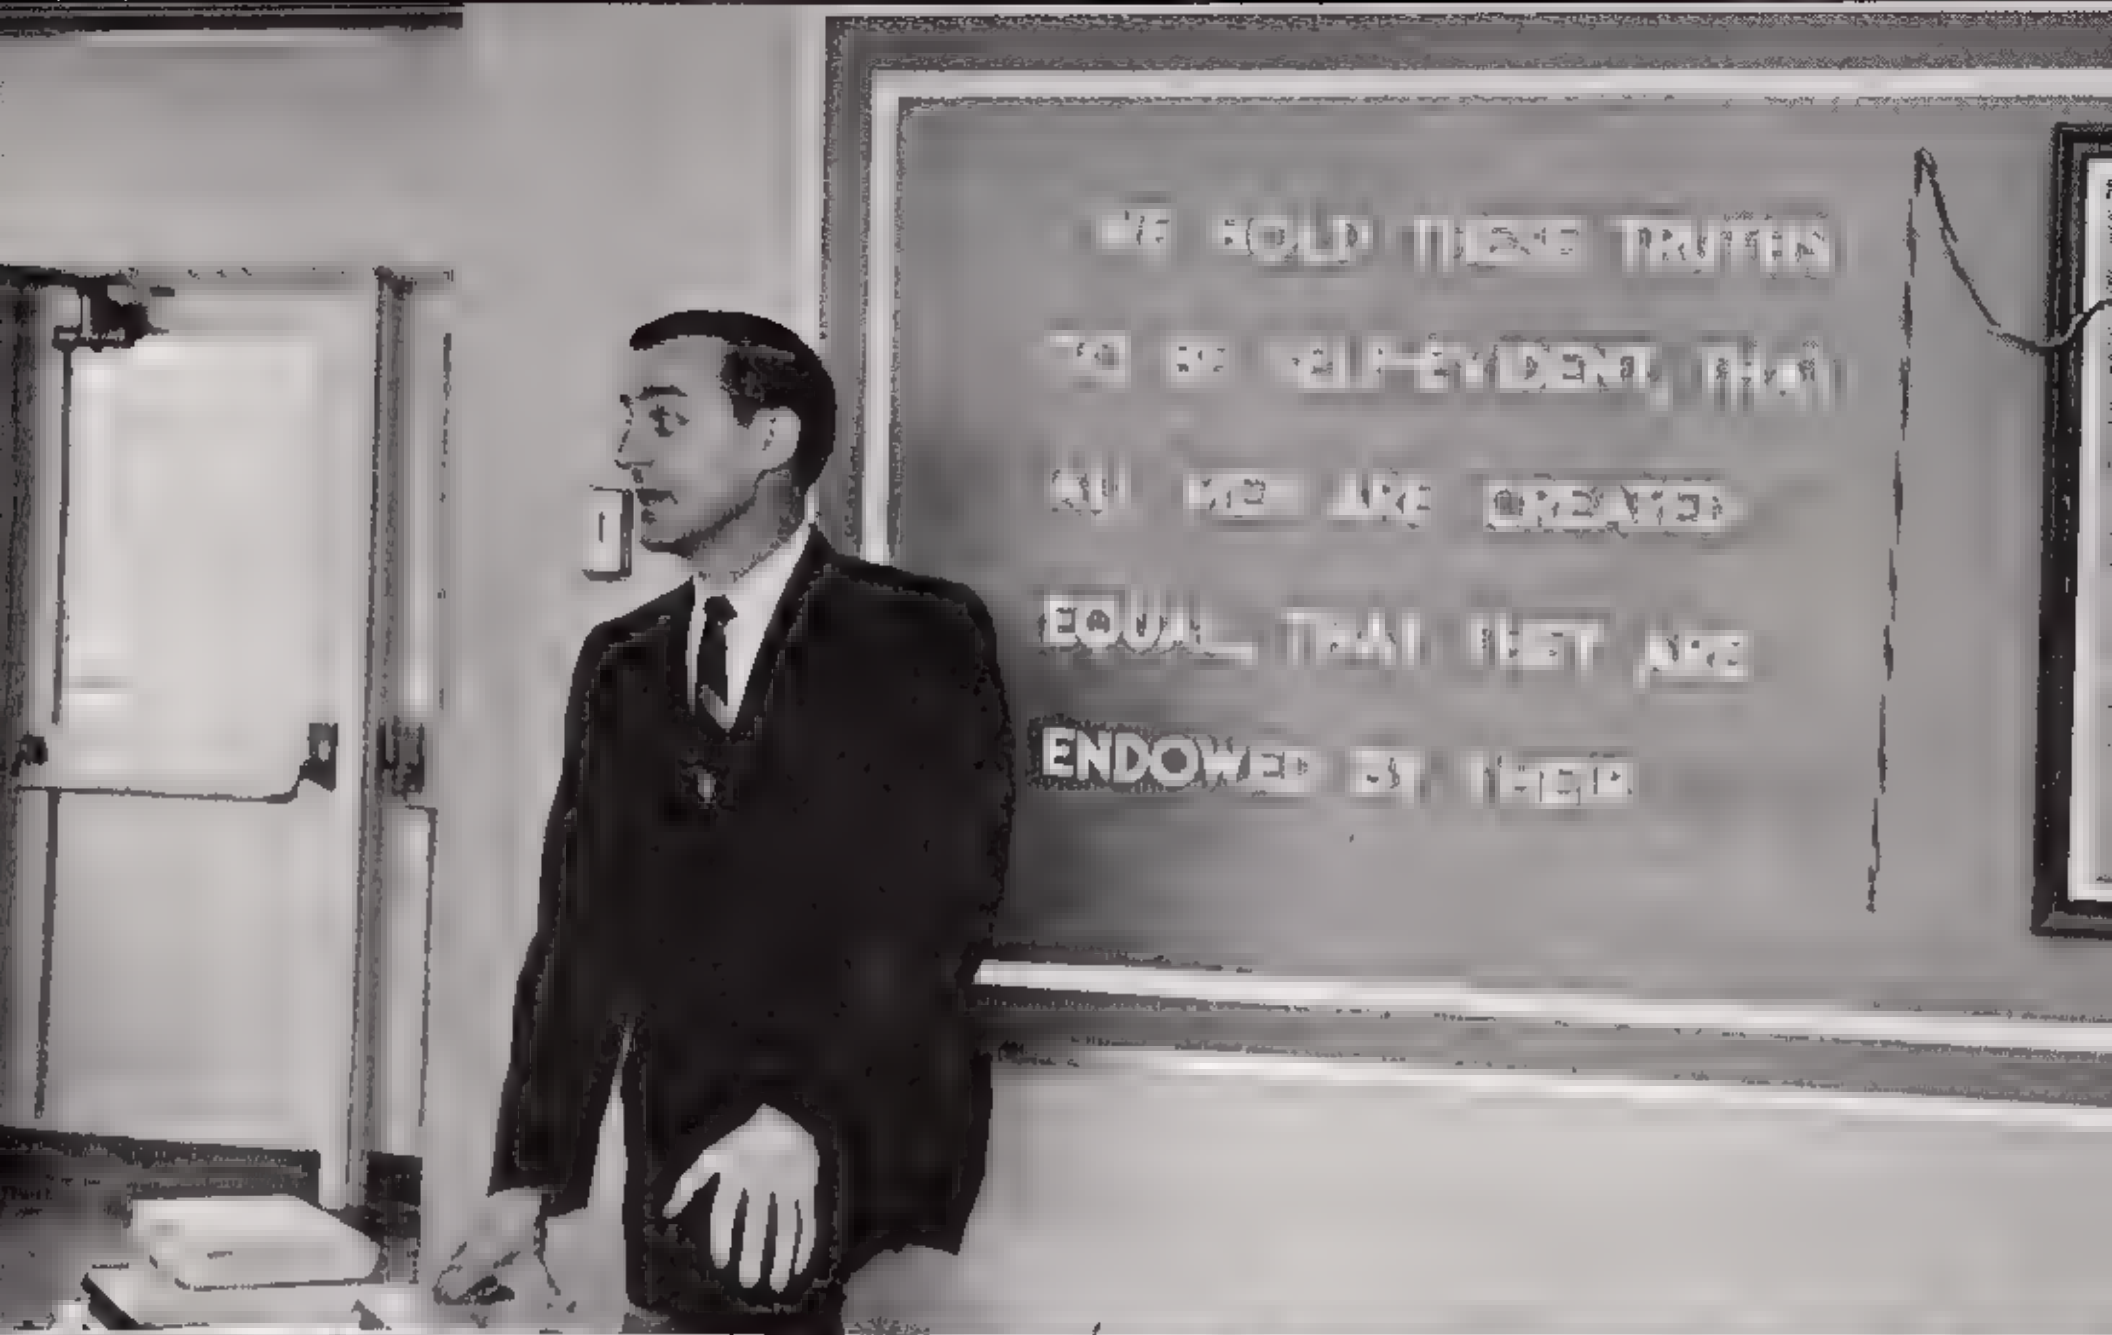

F.B.L.A.

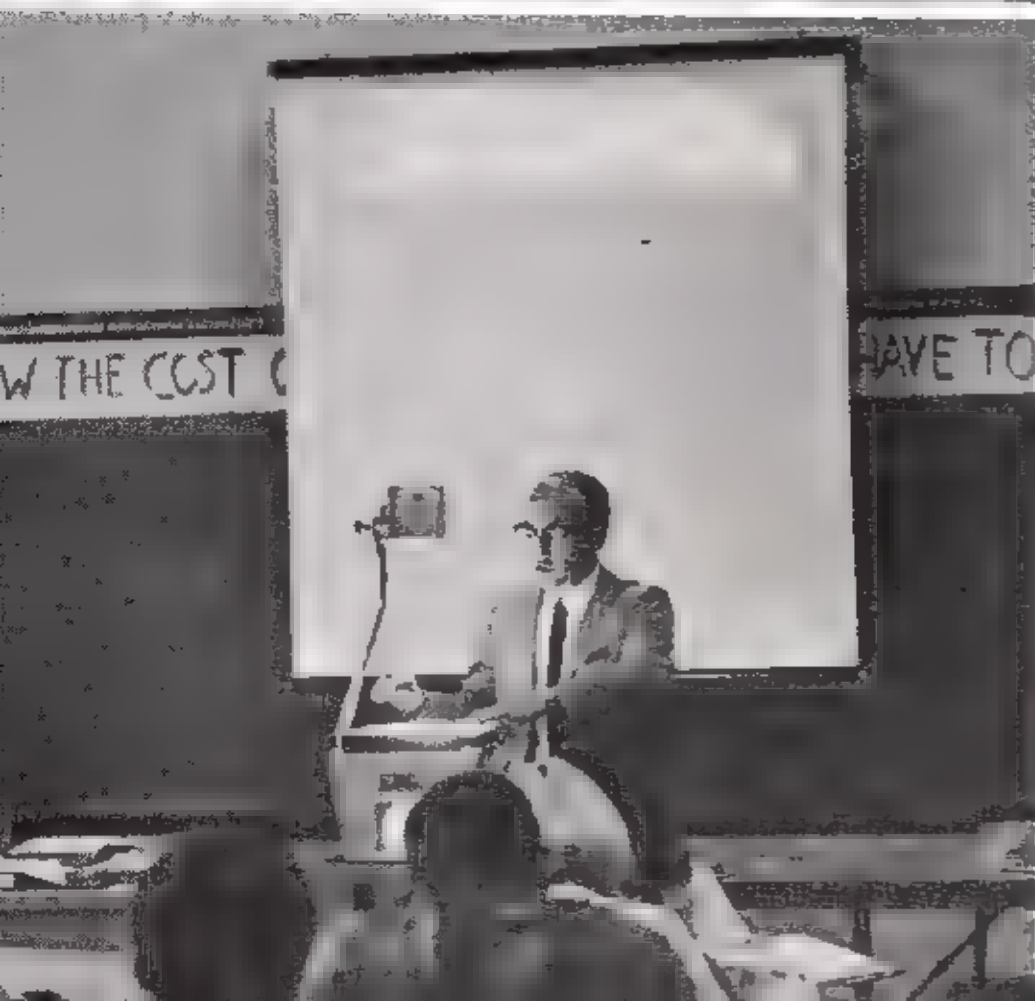

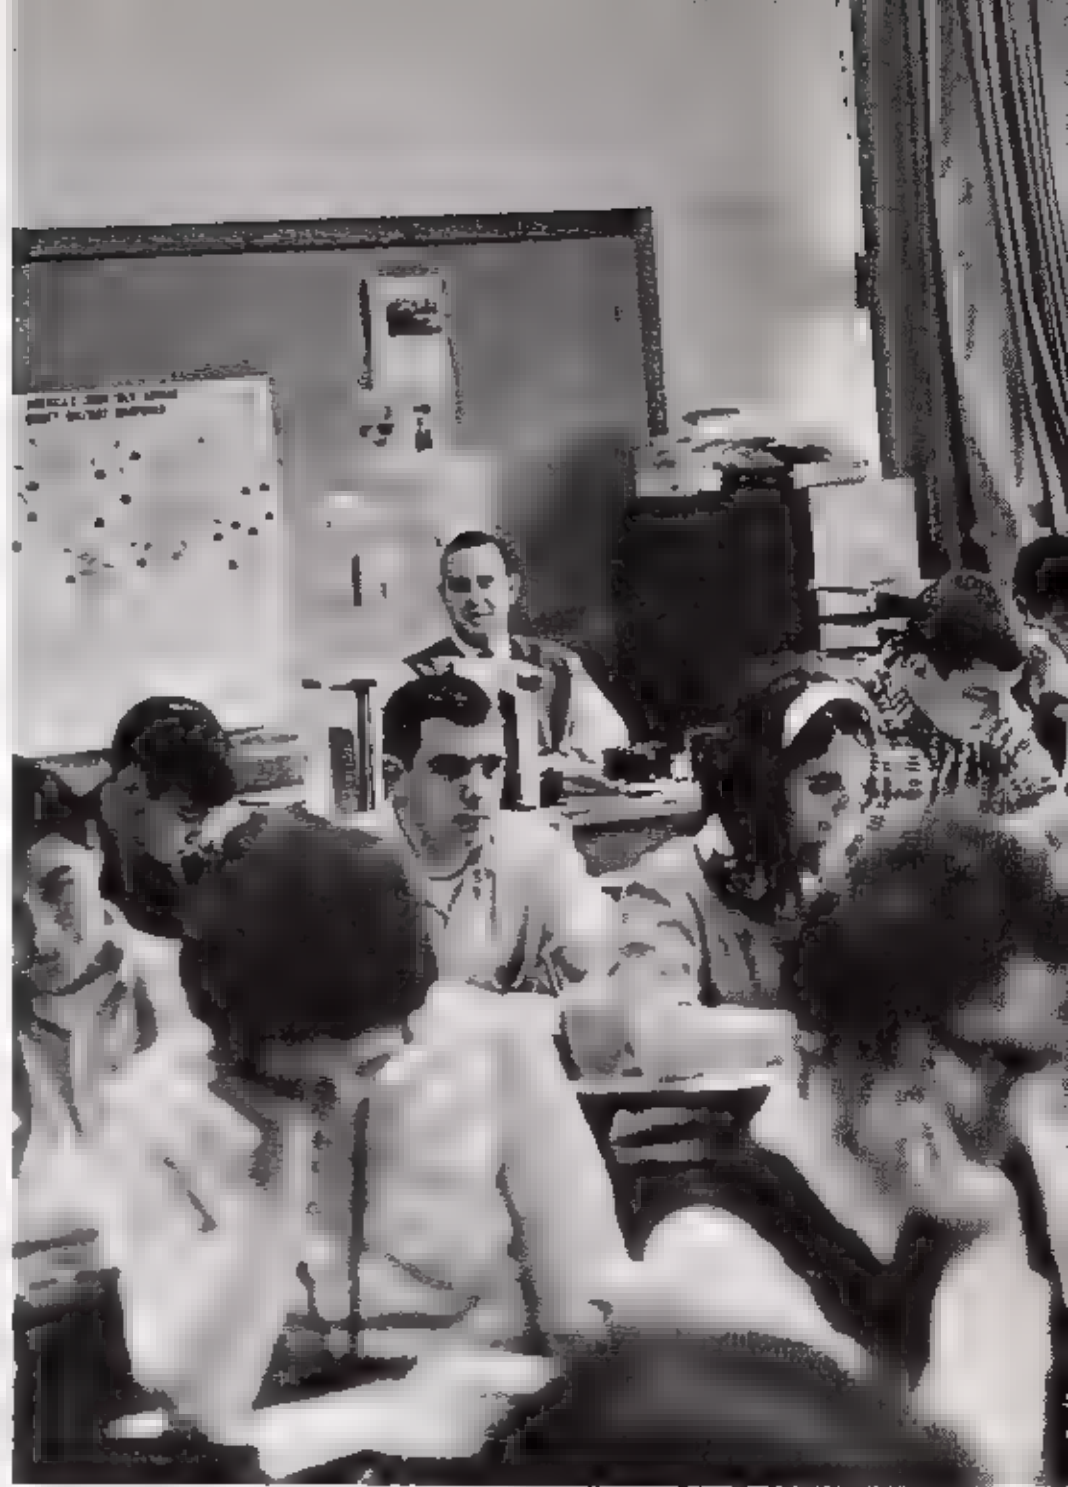

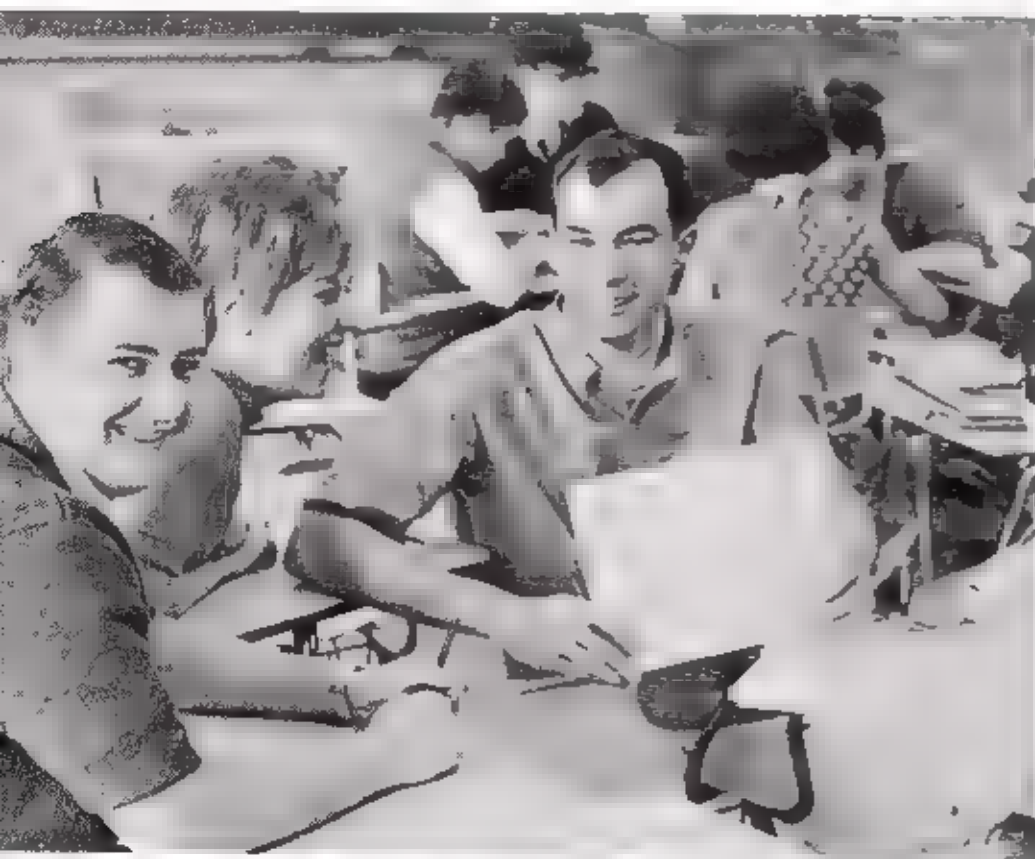

FBLA is one of the most important clubs in our school. Headed by Miss Mills, it helps to encourage those interested in a business career. The experience and knowledge gained through discussions and guest speakers will aid the members in the business world.

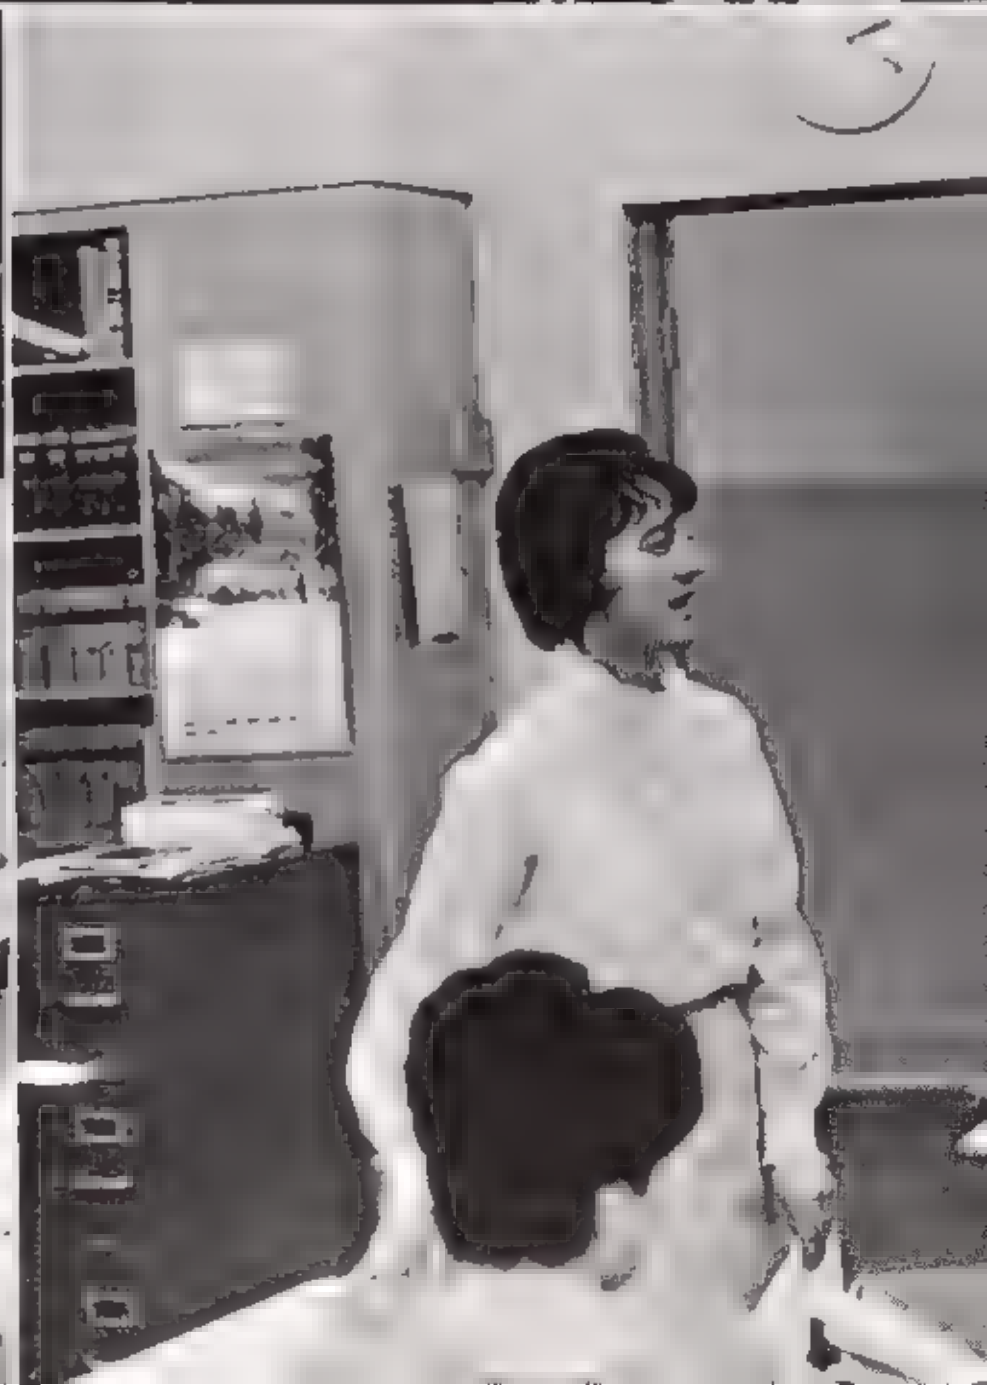

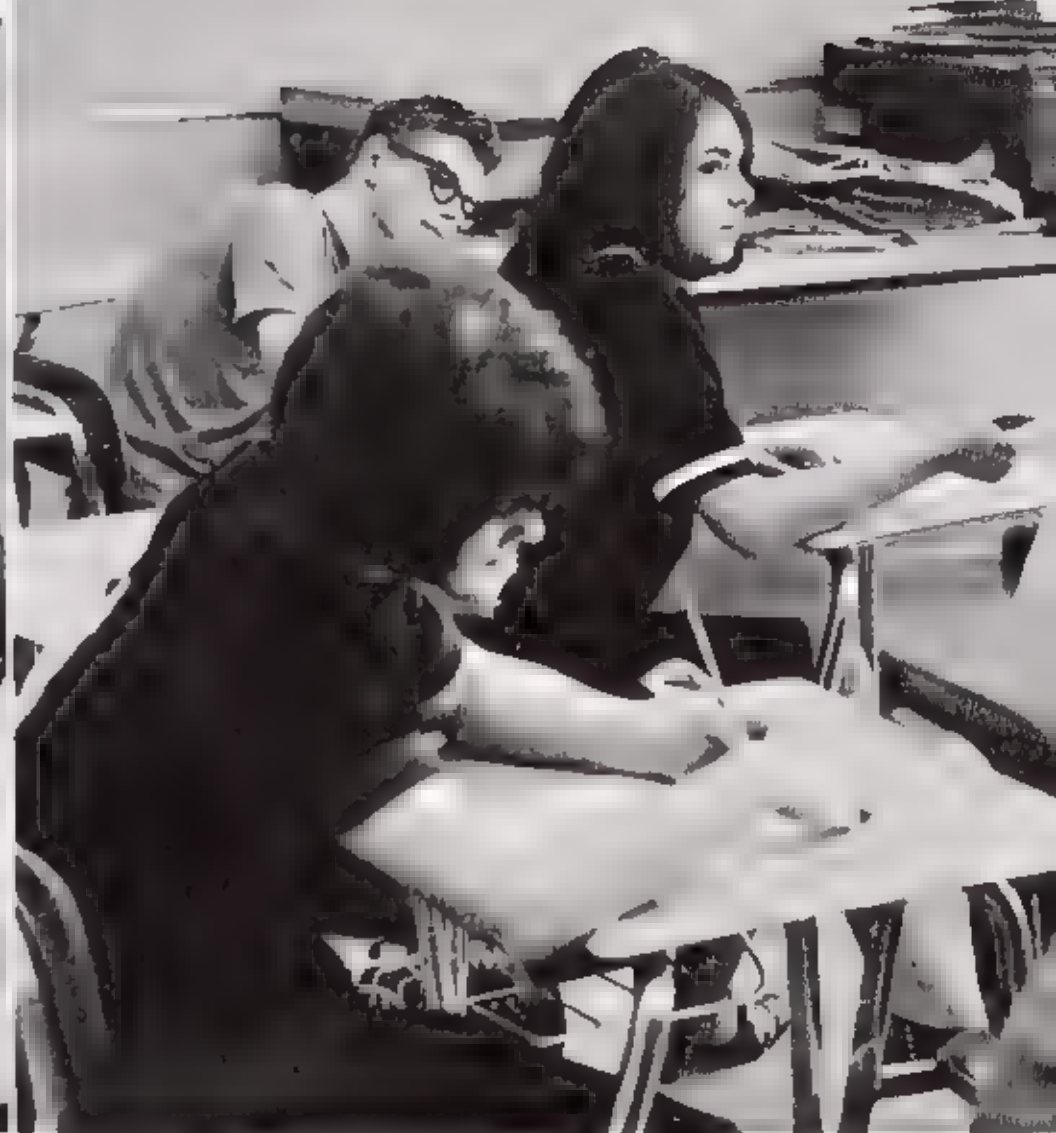

Social Sciences

In today's fast paced world people need a background in the social sciences. The comprehension of current affairs, governments, social customs, and history, help us adjust in a modern society. Thus many students take a wide variety of courses, such as Psychology, World History, Modern Problems, and Economics. These classes broaden student understanding of past and present events, while preparing them to participate productively in a democracy.

Foreign Language

In the search for world peace, there will be many demands for a person with bilinguality. This is the importance of foreign languages and one reason why the enrollment in these courses is growing steadily. Mr. Horswell states, "it introduces a student to a new cultural heritage. He can apply his experiences to a new culture." When a student can apply his experiences to another country, it increases his understanding of other nations and his own.

Speech

A sincere desire to gain poise and confidence, whether in public or private life, motivates many students to take one of the proffered speech courses.

Students in Speech I learn such basic elements as rhetoric, debate, and various methods to persuade and influence an audience.

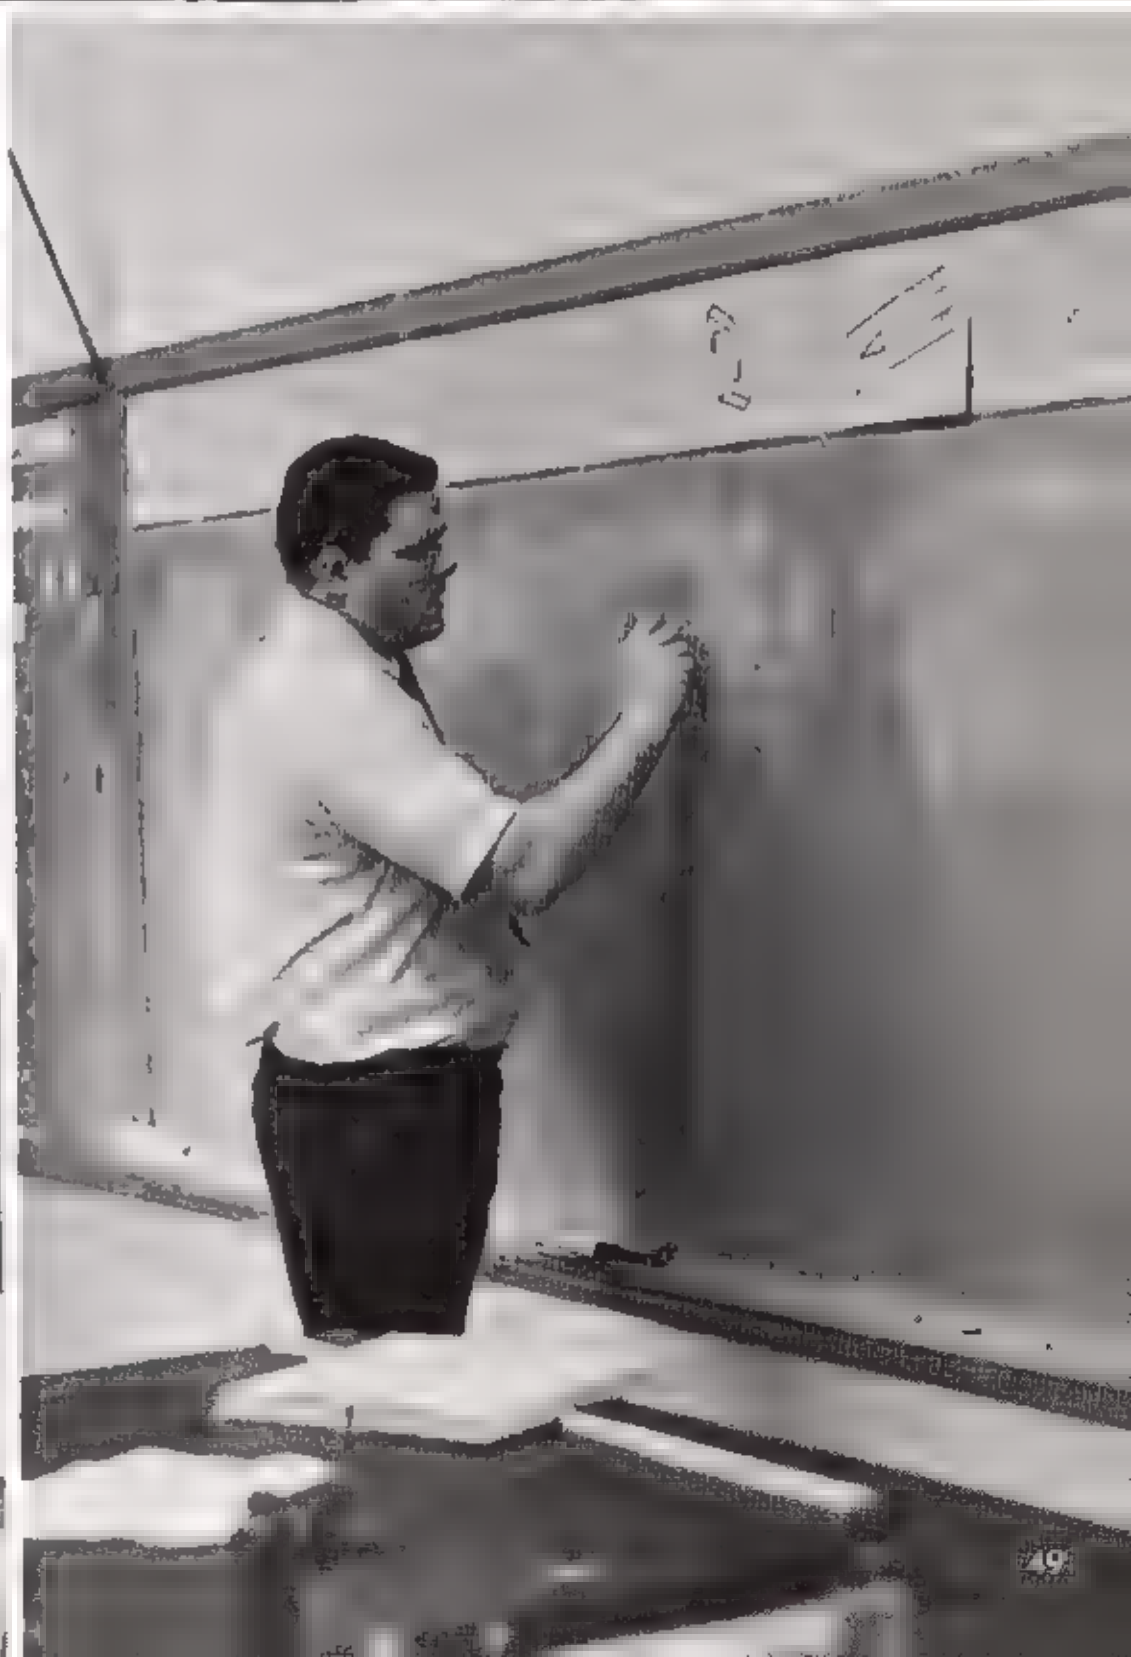

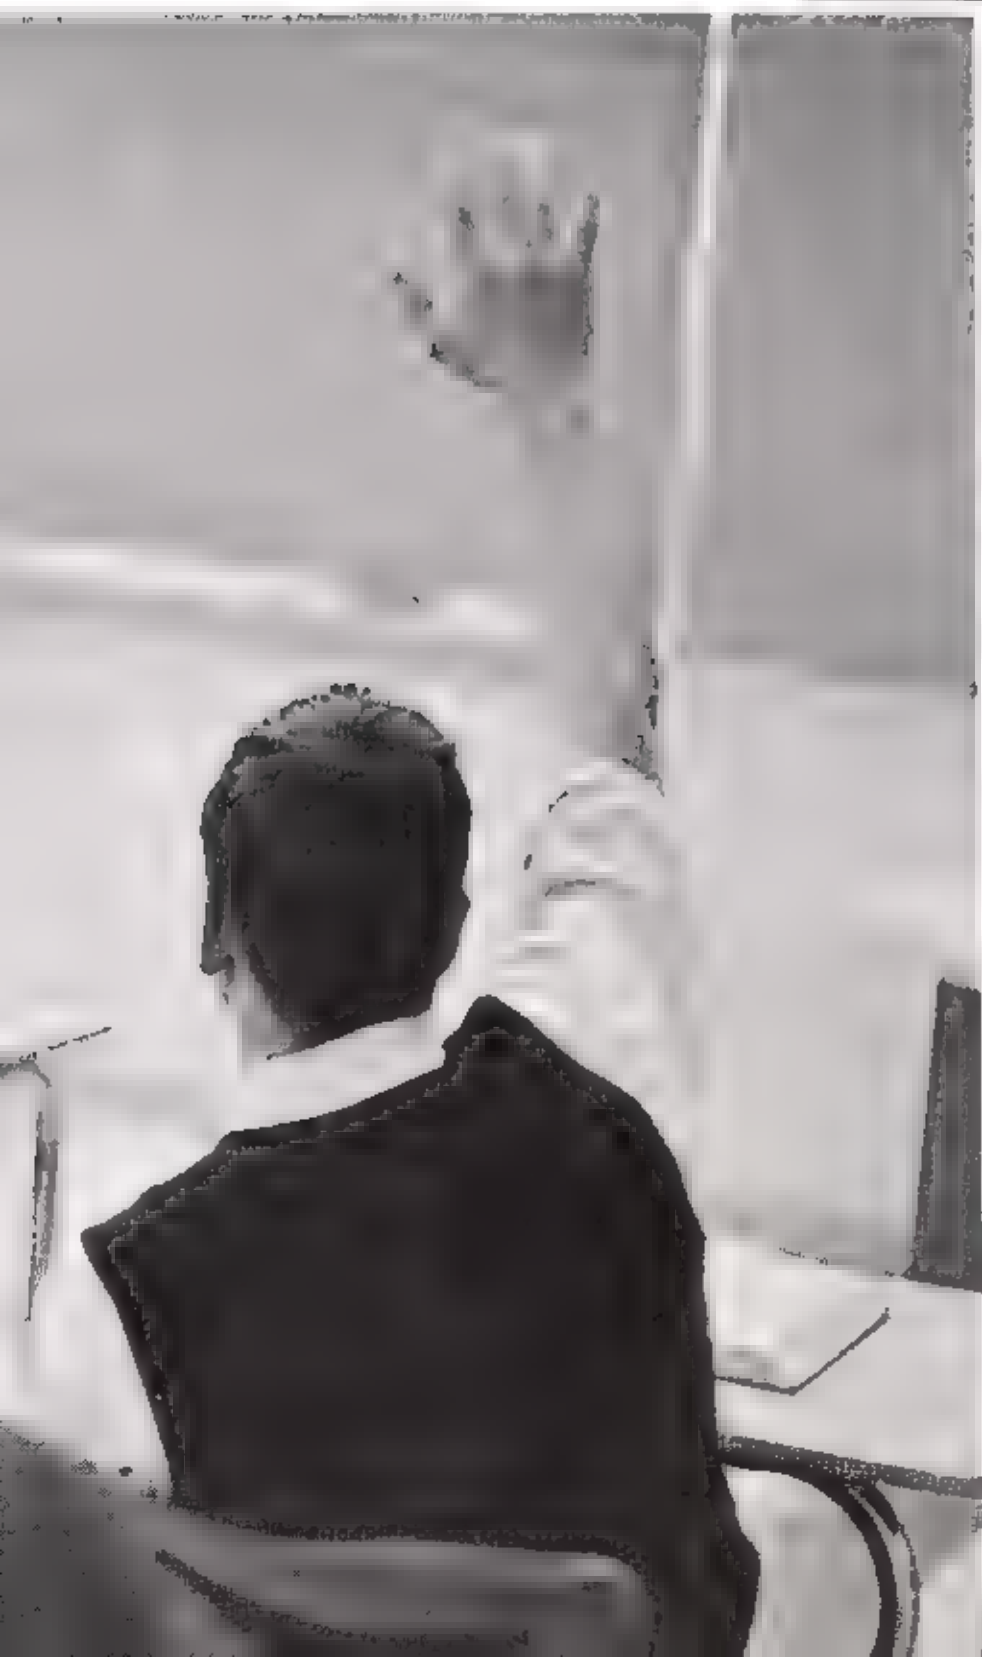

Students in Speech II perfect their Speech I skills to compete in various tournaments around the state.

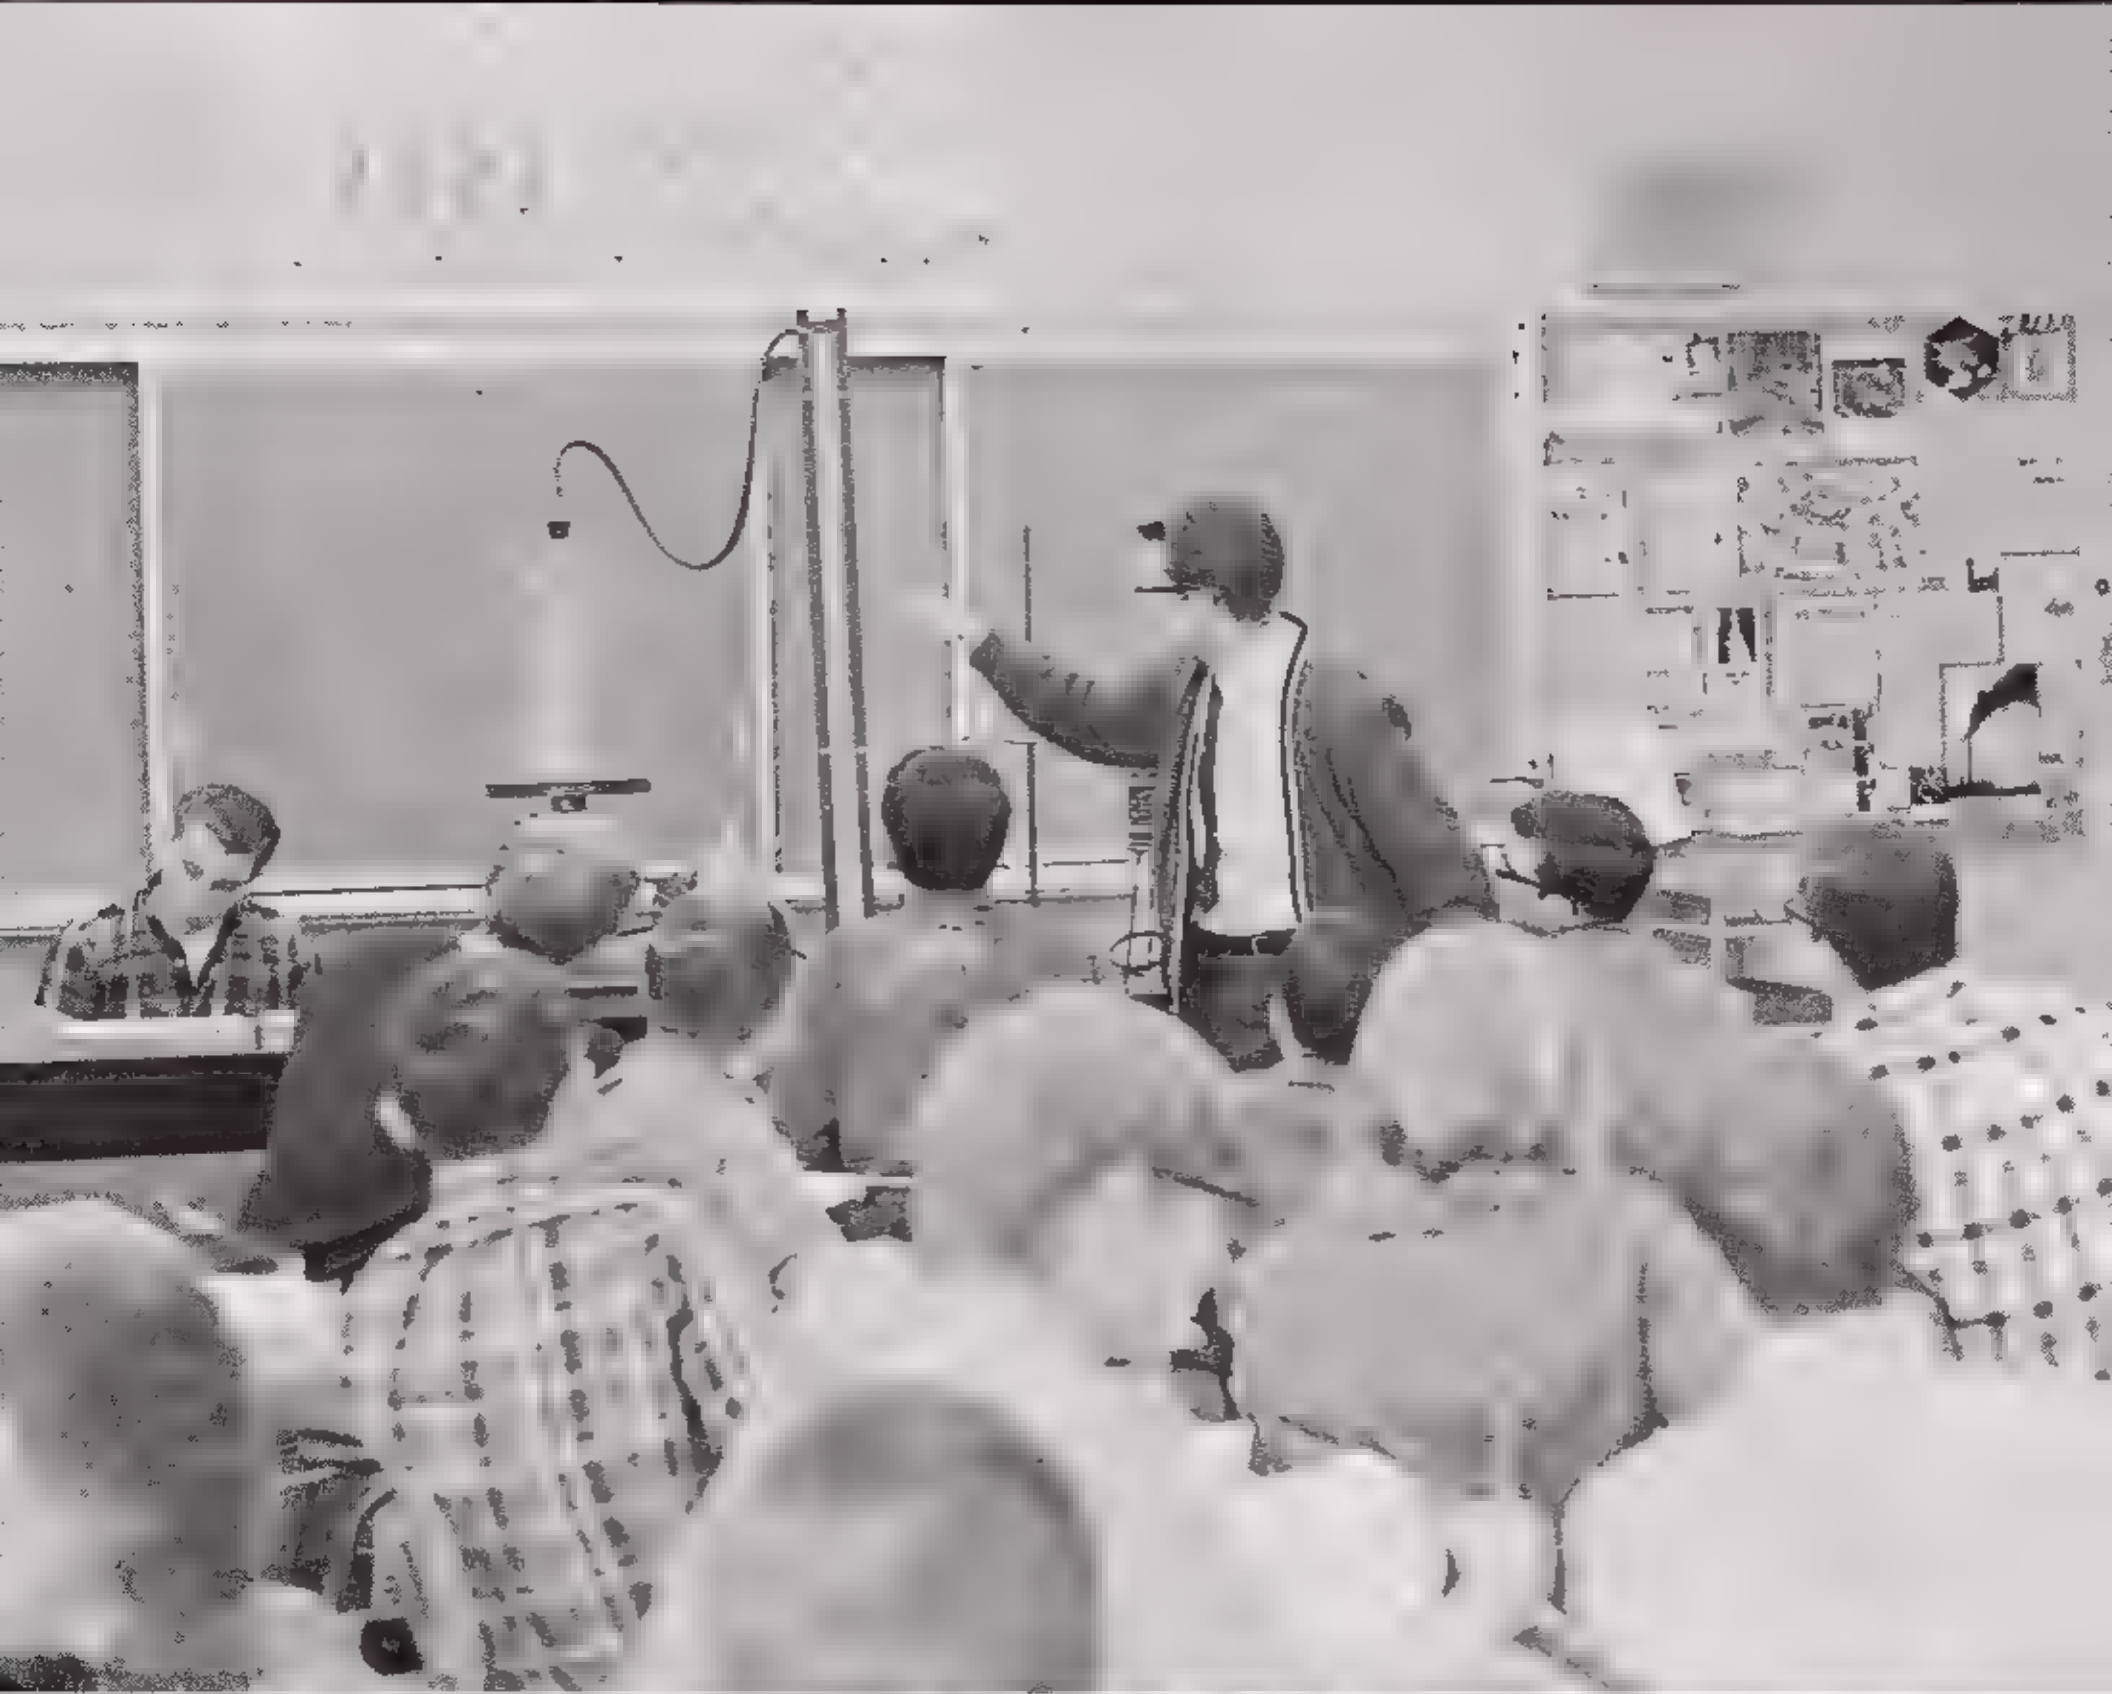

Math

The space-age has increased our dependence on the knowledge that trigonometry, M-6, and M-7 offer. Even the most basic mathematics course has become a vital part of big business.

Enormous opportunities are found in the field of mathematics. The advanced math courses offer mental challenges to those who value them.

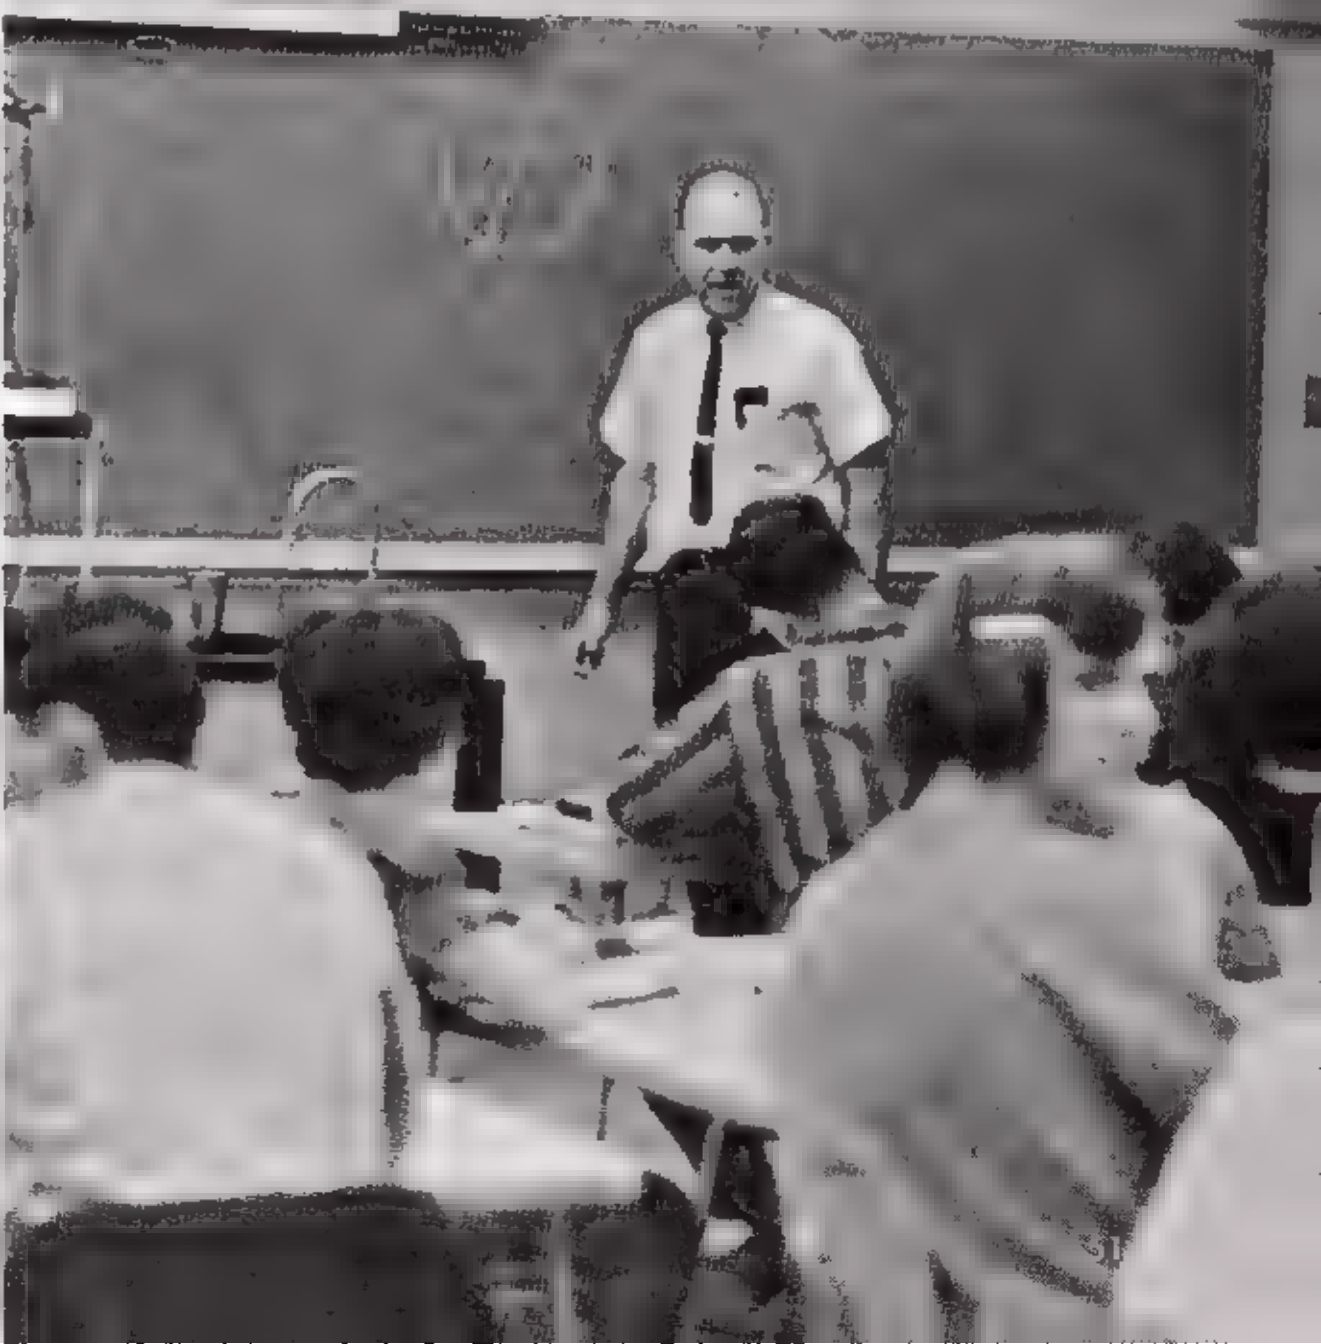

Science

Precision is the key to the mysteries of the science courses. Students solve problems with basic algebra and work with the many forms of matter and energy.

Physics and the more involved sciences provide a detailed look at our environment and the major forces that affect it. The advanced courses, though more difficult, provide a fascinating range of possible solutions to the mysteries of our universe.

*Cold. And maybe you were, too
About this time. A
Little sluggish in the winter
Classroom heat, not too fast
On the subject, dragging
Socially. It's a cold time,
A slow time. But we did something,
Many things. Compressed,
Pictorial, here's a winter,
A life, one more step.*

WINTER

Basketball

This year was Parkrose's last in the Wilco League and with coach Frantz. We came short of our goal with fourth place but there was never a lack of enthusiasm from the team or the student body.

Steve Jones was the team captain this year and was also voted the most valuable player.

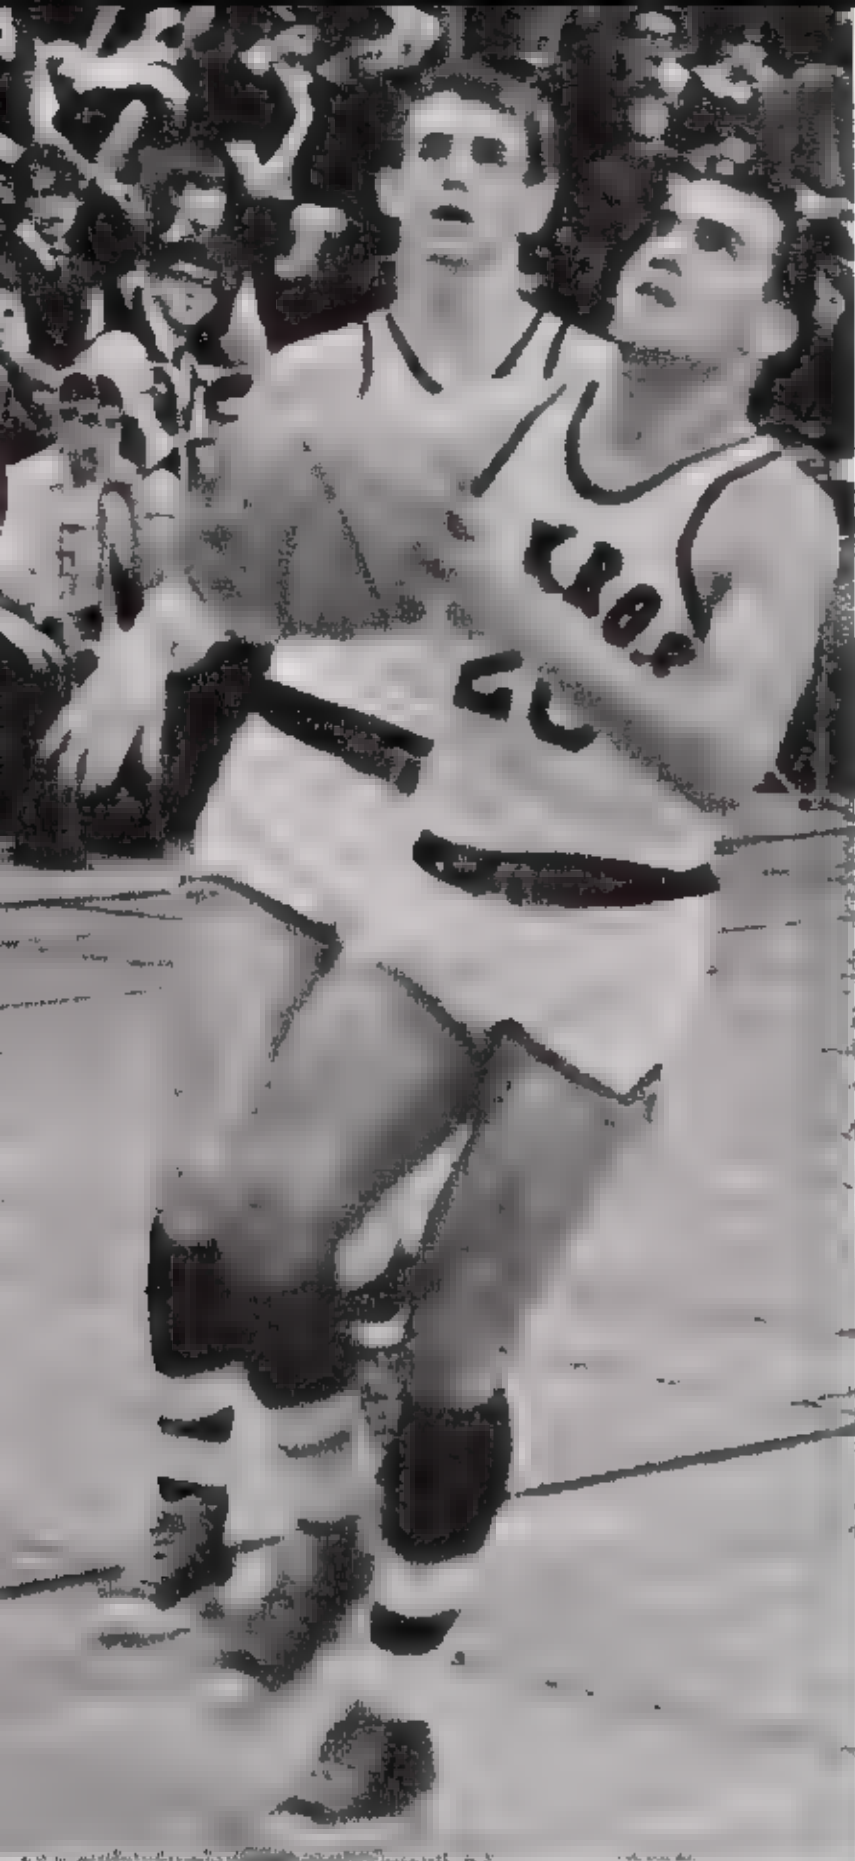

The most improved player was Ron Brallier. He started in about half the games and is expected to be one of the more valuable players next year.

Tom Kraus and Gary Harm were voted the most inspirational players.

Two Parkrose wrestlers qualified for state competition this year, Ken Wilson and Alan Tuttle. Ken lost his first match, and was eliminated from the tournament. Alan won his first match but lost his second. The wrestling team learned many intricate holds from their new coach, George Meyers. Mr. Meyers proved to be an excellent instructor as he coached his team to a seven win, six loss season.

Gymnastics

The Parkrose gymnastics team finished their second year of competition with eight wins and nine losses. Competing on the parallel bars, Jim Kirby won second place. Jim, John Lankford, and Rick Walsh placed in the top eight at the district meet and qualified for state competition. The boys' team qualified fourth in over-all competition.

Gail Vincent was the only girl from Parkrose to qualify for the state meet. She did this in free-floor exercise. The girls' team did not place in the top ten. Coach Bettendorf states, "Parkrose gymnastics team has a very good chance of finishing second or third next year in the Metro league."

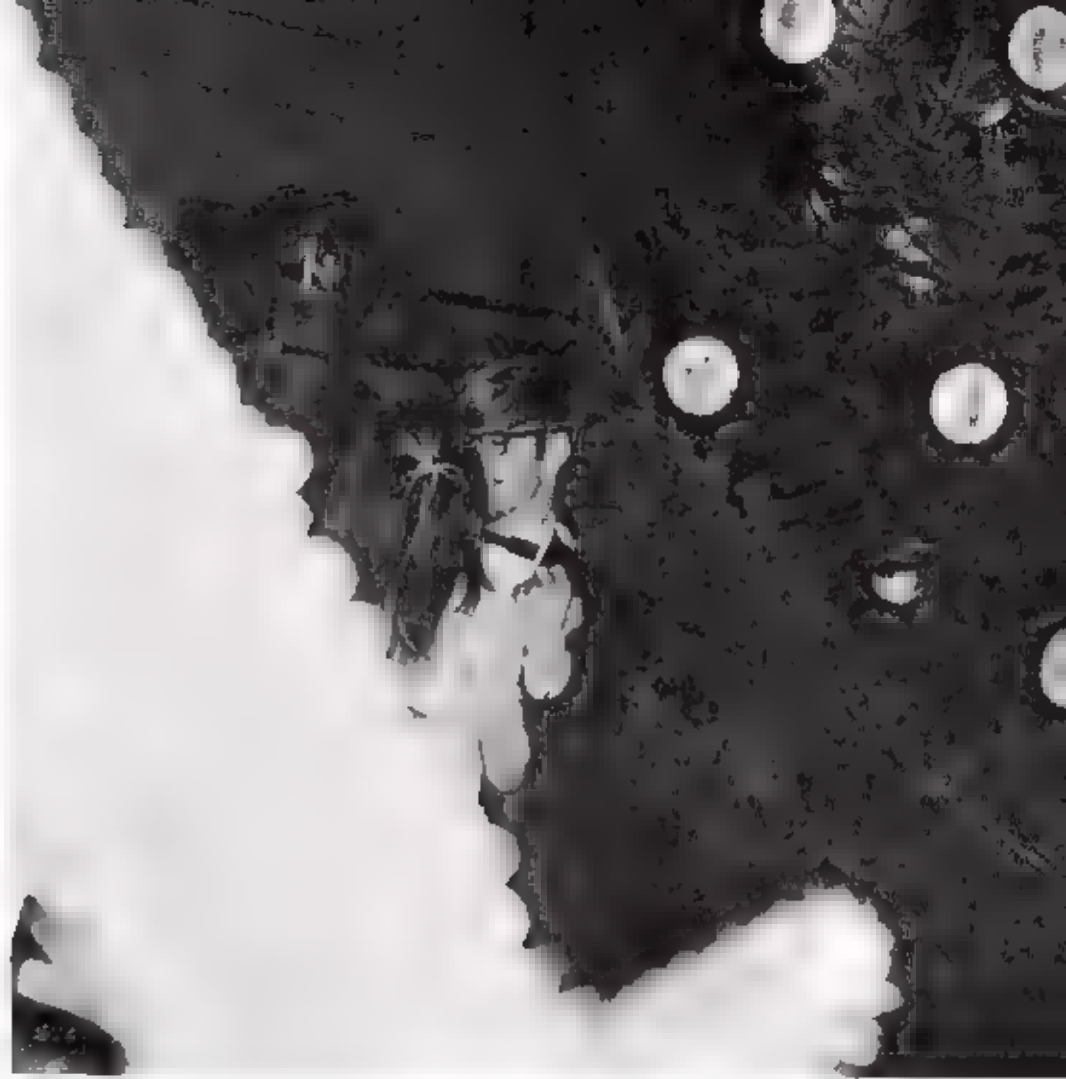

"Winter Wonderland"

Seniors and their dates entered into a "Winter Wonderland" to dance to the music of Lee Sinder's Quartet. Couples danced around an eighteen foot Christmas tree with silver snow flakes suspended from the ceiling.

Servers from the Junior class served petit feurs and punch. Couples enjoyed the refreshments at holly and candle decorated tables. The Senior Ball created the spirit of Christmas for the coming holiday festivities.

Senior Ball

Christmas

The announcement of Miss Merry Christmas and Miss Snowflake brought to an end the efforts of the students' participation in the toy drive. Pat Harlow, Miss Merry Christmas, and Donna Weis, Miss Snowflake, reigned over the Christmas Dance.

Nancy Metcalf and Debbie Molleston were the Sophomore Class princesses and Debbie Blair and Cindy Raser were the Senior Class princesses. Alpha-I-Daka sponsored the dance, which was open to all students.

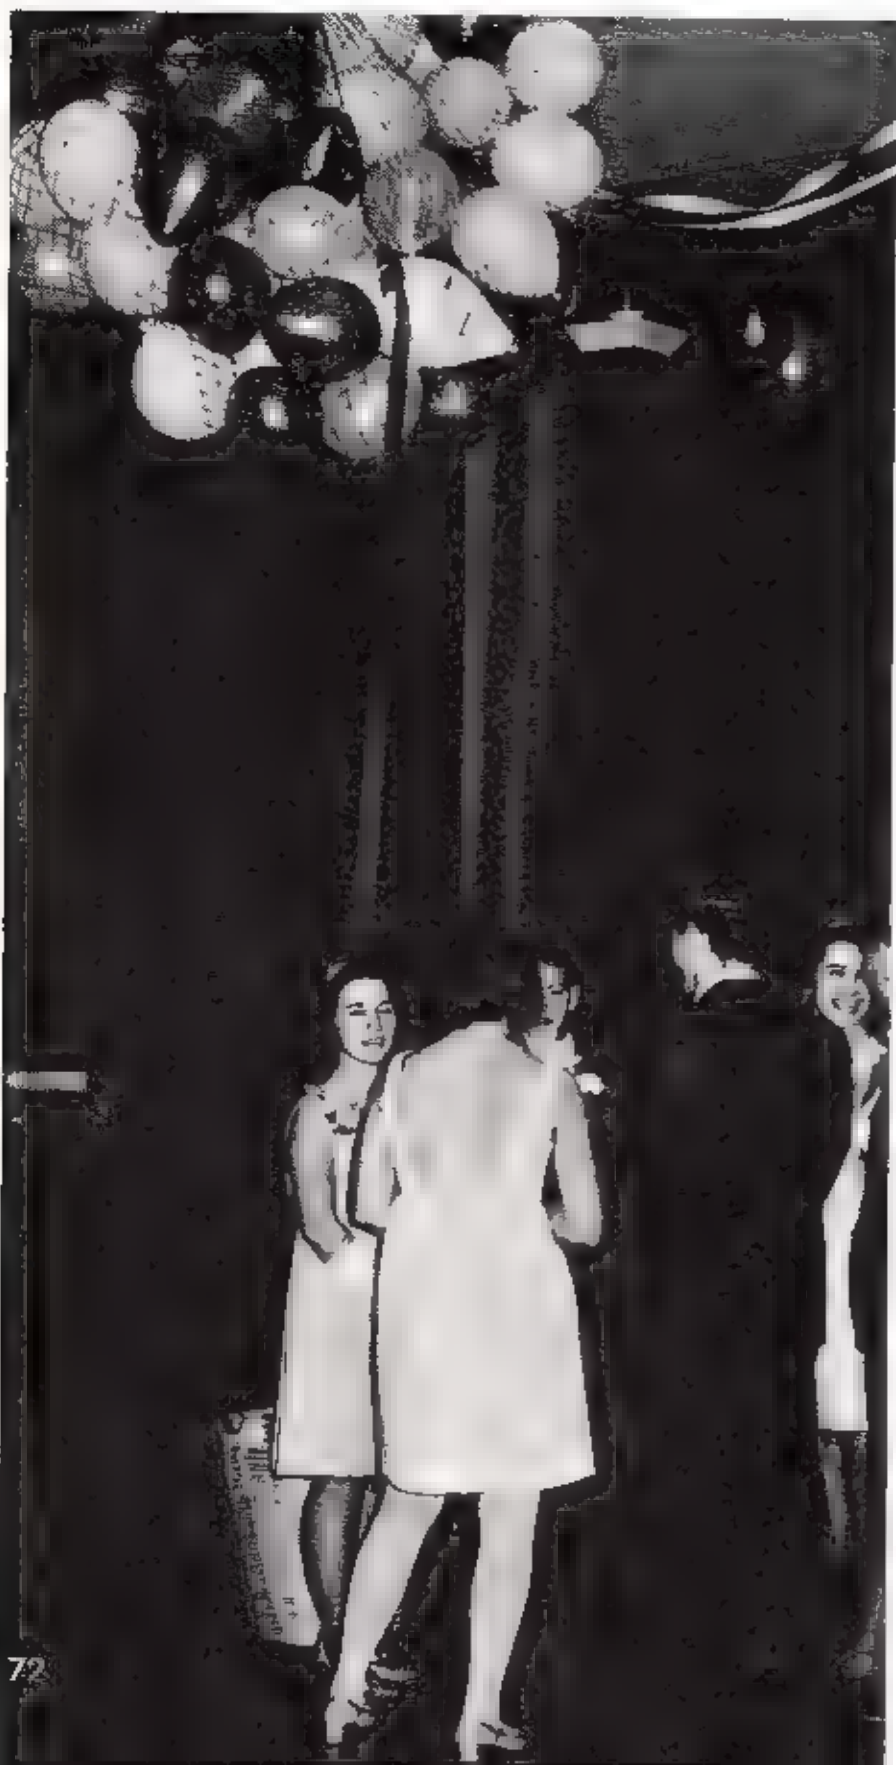

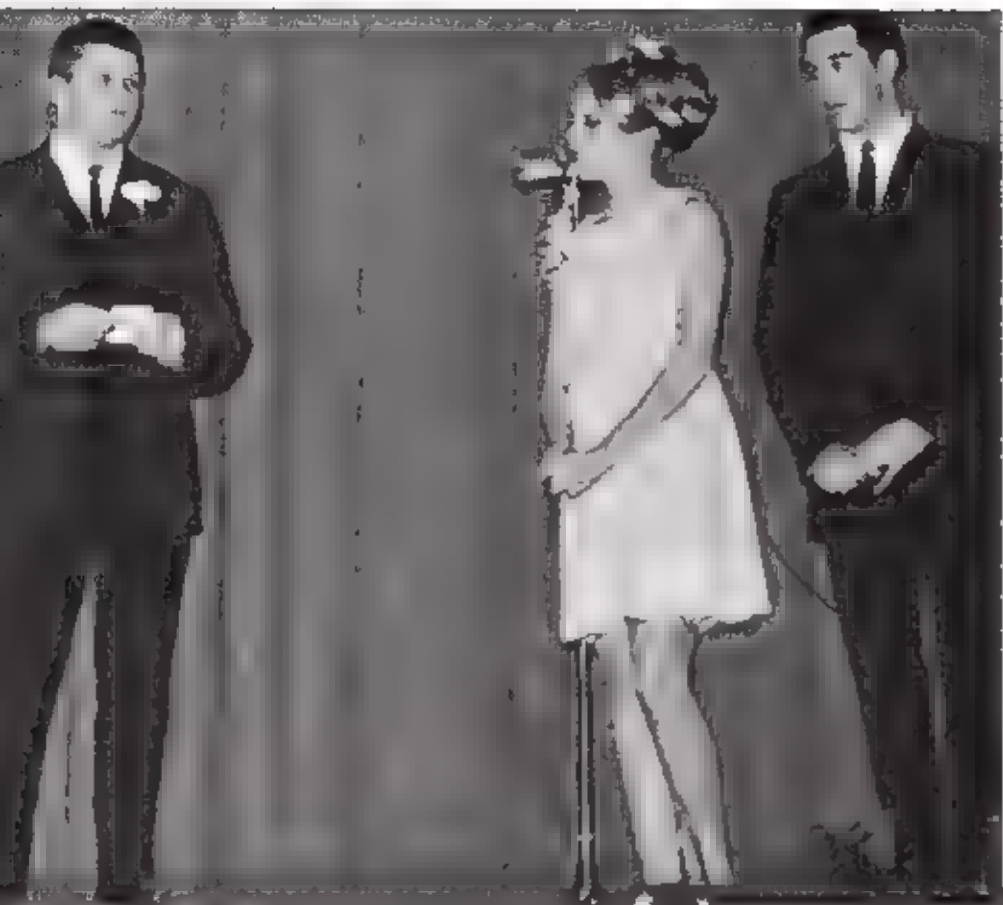

Nets of balloons decorated the walls and ceiling of the cafeteria to create the Valentine theme of the Sweethearts' Ball. Debbie Blair was honored as Queen of the Sweetheart Court. Marsha Ehr and Sue Gossling, senior princesses, Cindy Taylor and Joan Pierce, junior princesses, and Debbie McGuire and Debbie Molleston, sophomore princesses, completed the court.

The Lettermen's Club sponsored the dance and provided refreshments of cake and punch. Club president Kip Vert presided as Master of Ceremonies.

Sweethearts' Ball

Symphonic Band

The Symphonic Band provides enthusiasm for school spirit and entertainment for enjoyment. During the football season they performed in the grandstands and presented shows at half-time. They not only entertained at games but held many concerts. Their busy schedule included the Pops concert, the Winter and Spring concerts, and the Quadrennial concert. They highlighted the end of their active year with the honor of performing in the Merrykana and Rose Festival parades.

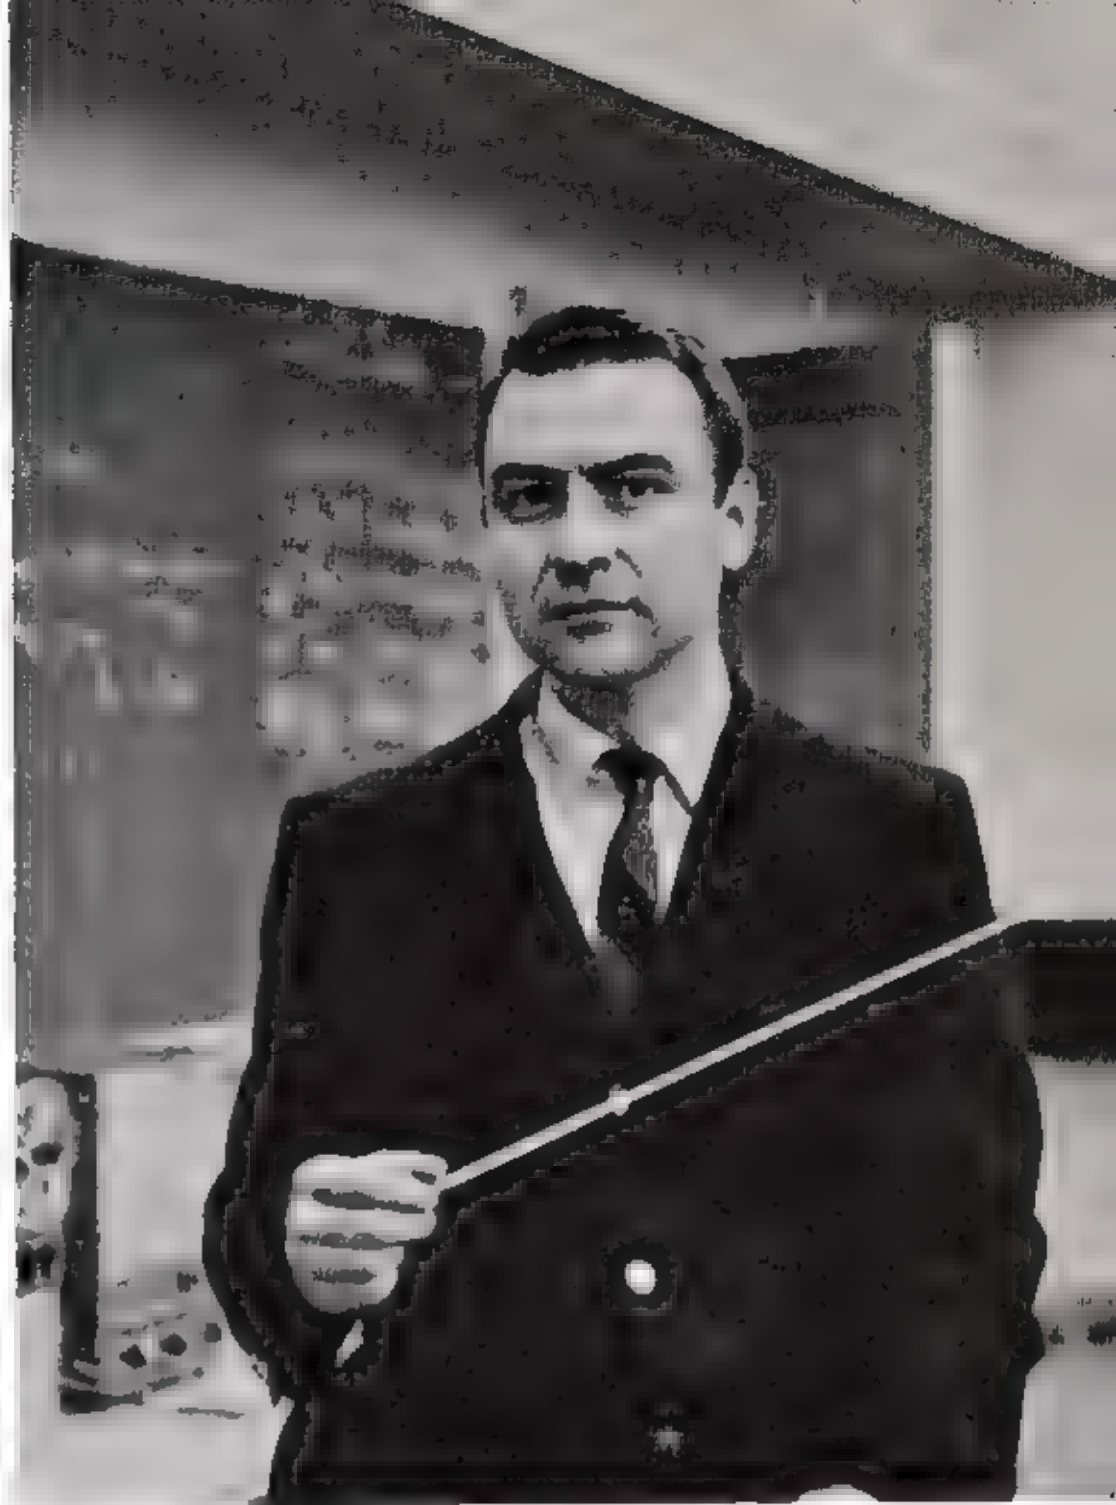

Solo Band

Proficient student musicians are featured as soloists. Some soloists audition for the Northwest Band, an elite group of carefully selected students who meet in Casper, Wyoming.

The soloists also performed in concerts with the Symphonic Band.

Dance Band

The Dance Band is composed of volunteers from the Symphonic Band. Once a week they meet for rehearsal which helps them to prepare for their many presentations. This year they performed at school functions, luncheons, and the parent's dance.

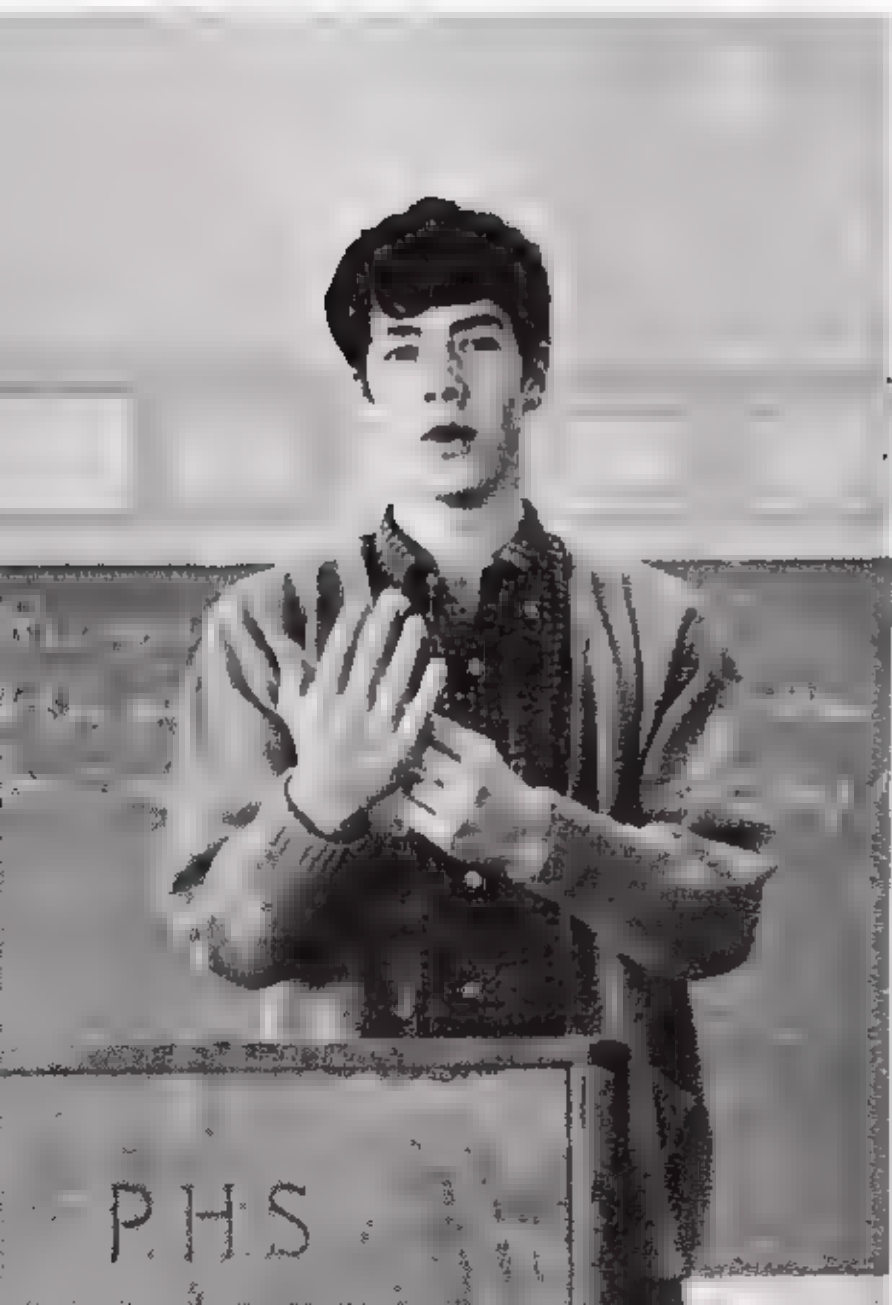

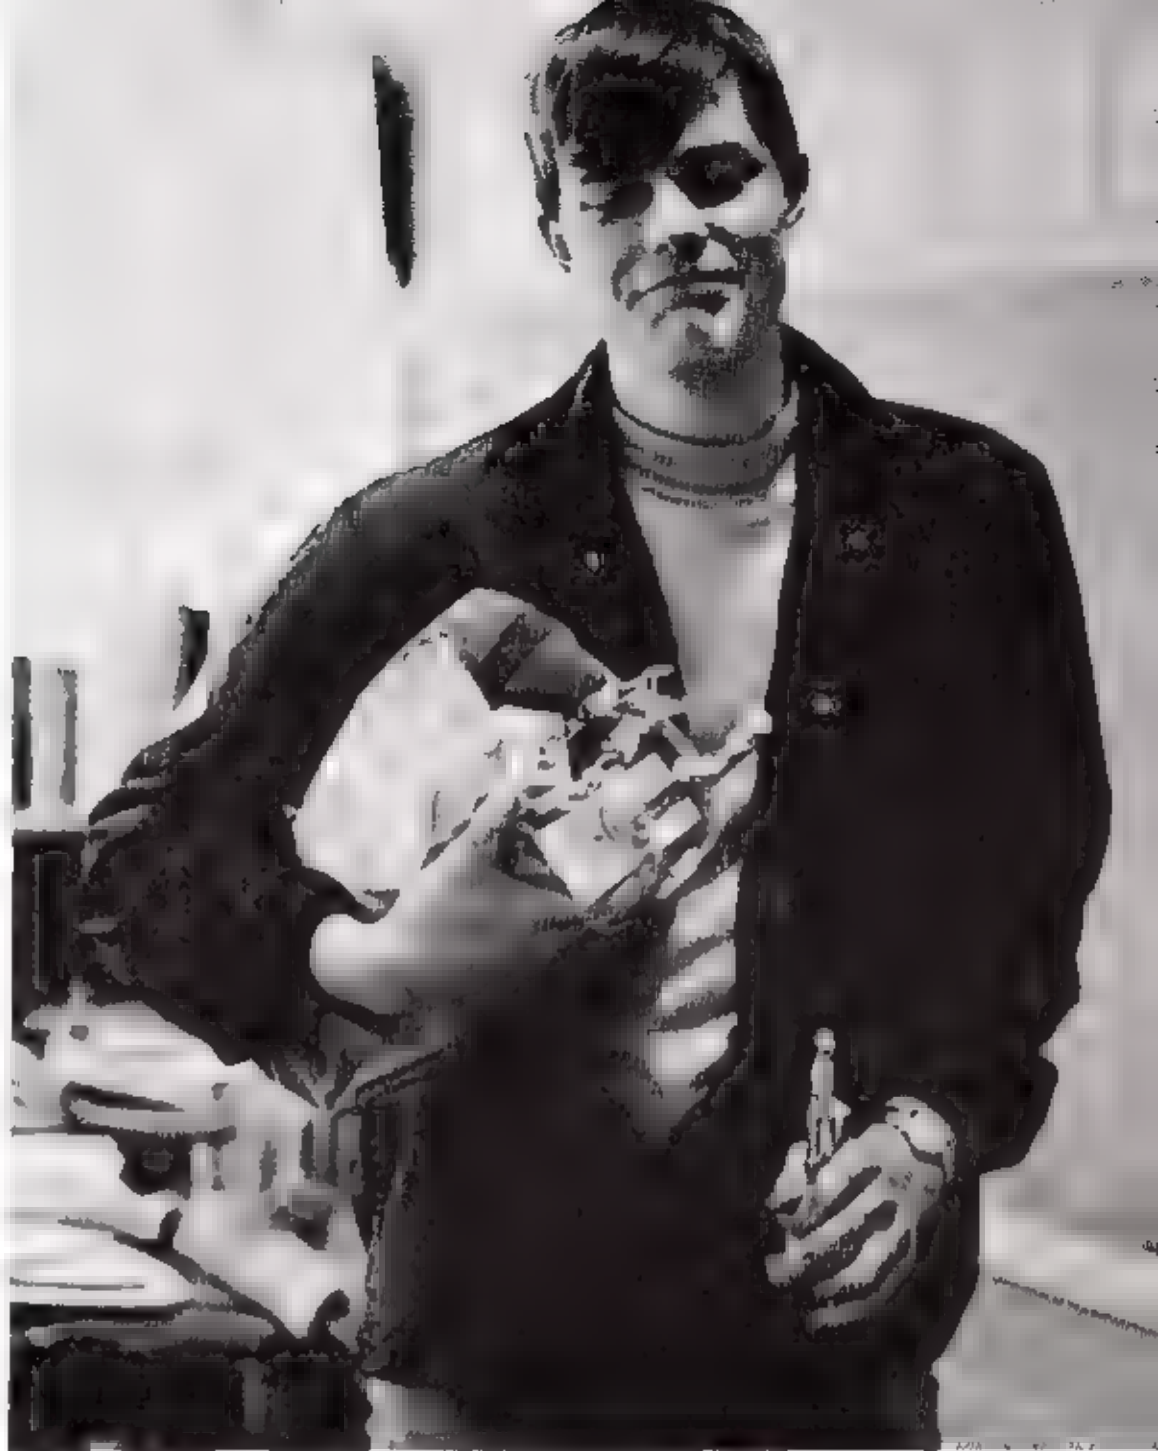

Pep Band

Pep Band, consisting of Concert and Varsity Band members, has contributed more than its share of enthusiasm and support to this year's basketball team. Playing at pep assemblies, all home games, and other engagements throughout the year, the band has been an asset to the school. Parkrose owes its thanks to the band for the job which it accepted and completed so successfully.

Forensics

The Forensics Club, formed to meet an interest in public speaking, spent a busy year preparing speeches and participating in speech tournaments throughout the state. At meetings, members presented a wide range of selections for criticism and advice. Forensics has provided an excellent interest club for the talented speakers of Parkrose.

Deutscher Verein

German Club has helped to bring new and interesting foreign cultures to the German-speaking students of Parkrose. From contributions, dues, and money-making projects, the German Club awards a scholarship to the most outstanding senior German student of the year.

The members of German Club have experienced a small sample of what it would be like to live in another country. Club advisor Frau Fincher helped to make our German heritage of interest to everyone.

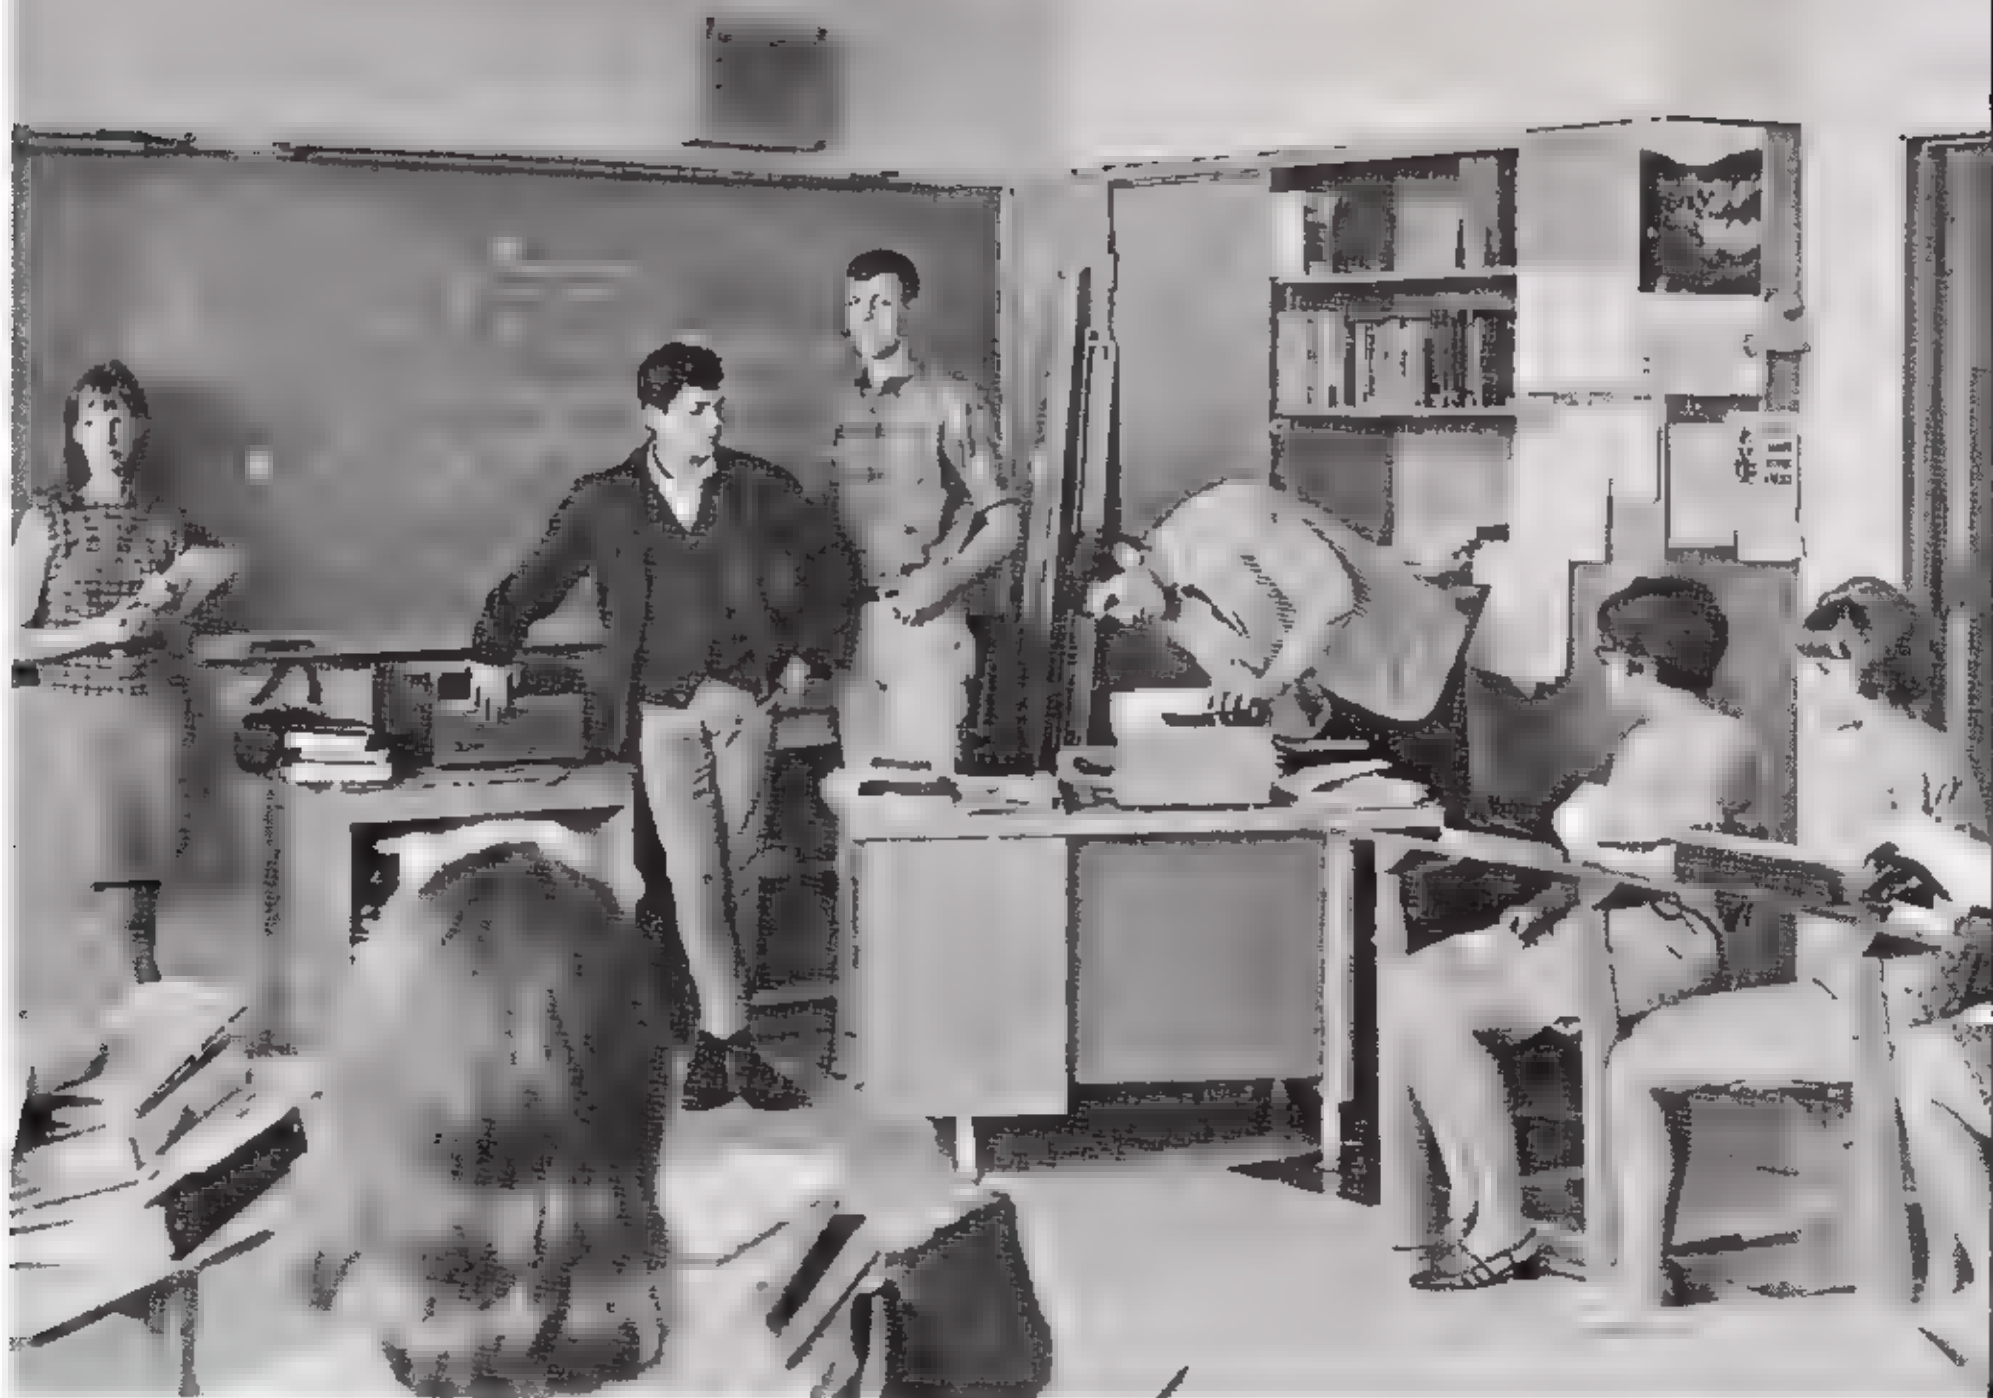

Entre Nous

Entre Nous was organized for the express purpose of acquainting its members with foods and cultures other than their own.

Returned travellers who brought items of interest for the members to see were the highlights of the program and dinner evenings held by this club.

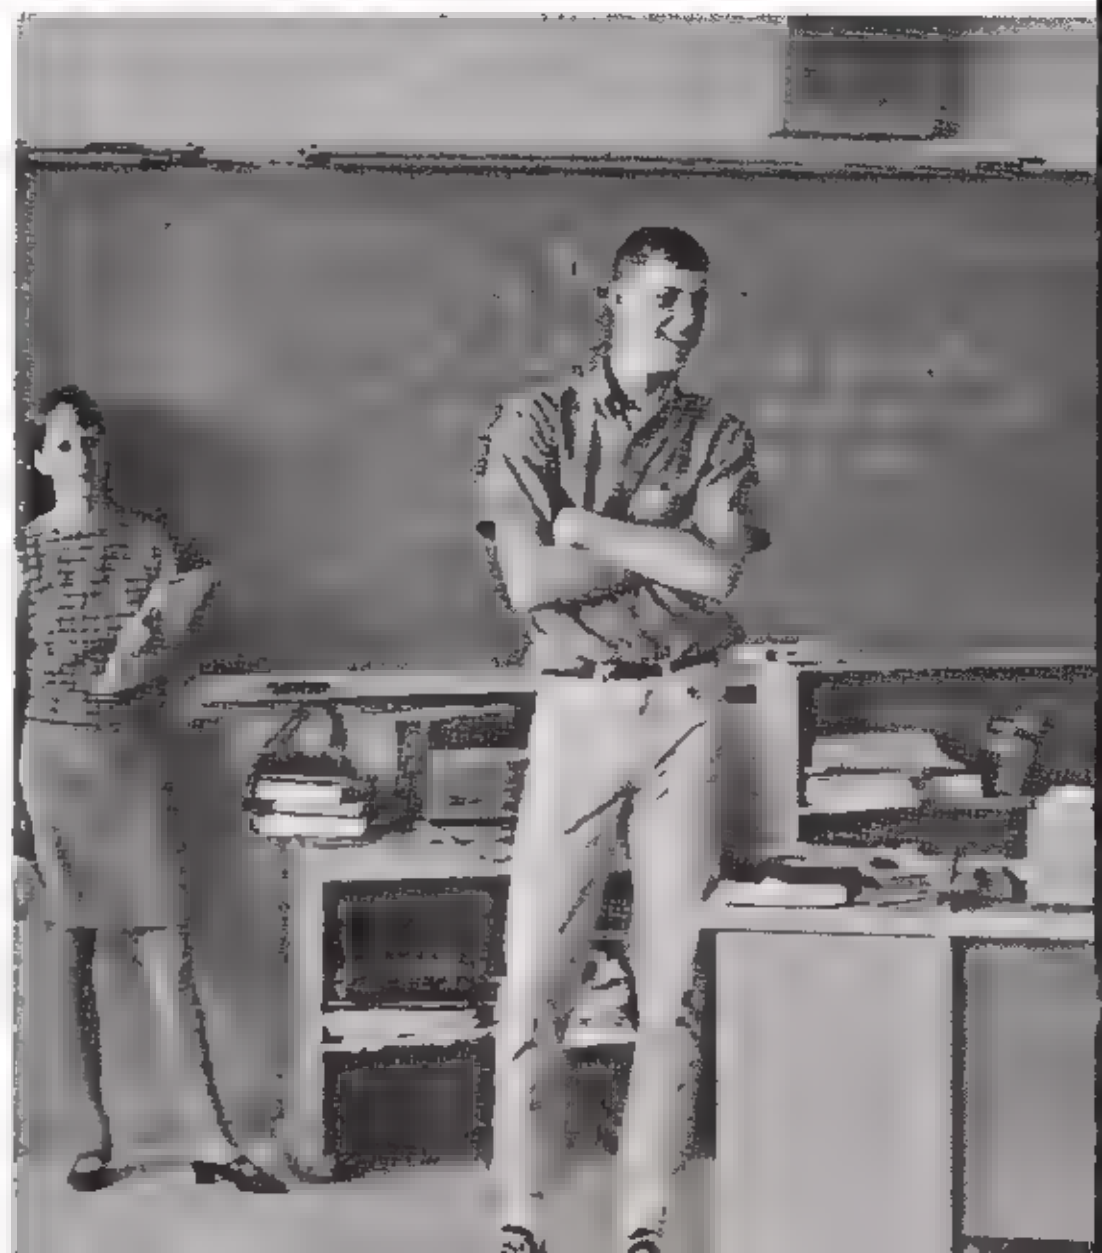

Los Aficianados

Members of Los Aficianados enjoyed many Latin-flavored experiences throughout the year. Several dinners were organized during the school year to familiarize the students with foreign foods and cultures. The Spanish Club's main project for the year was the sponsoring of a small Mexican orphan, "Angel" Garcia. Throughout the year, the club received correspondence from their charge. One of the most interesting undertakings was the Spanish IV student's trip to Mexico this summer.

Senor Horswell is the advisor to this culture-steeped club.

Ski Team

The members of the Parkrose Ski Club spent every Saturday during January and February skiing at Multi-por. Extra stamina is required to spend a whole day skiing on the snowy slopes.

Anyone who is interested in trying a new and exciting sport is welcome to join.

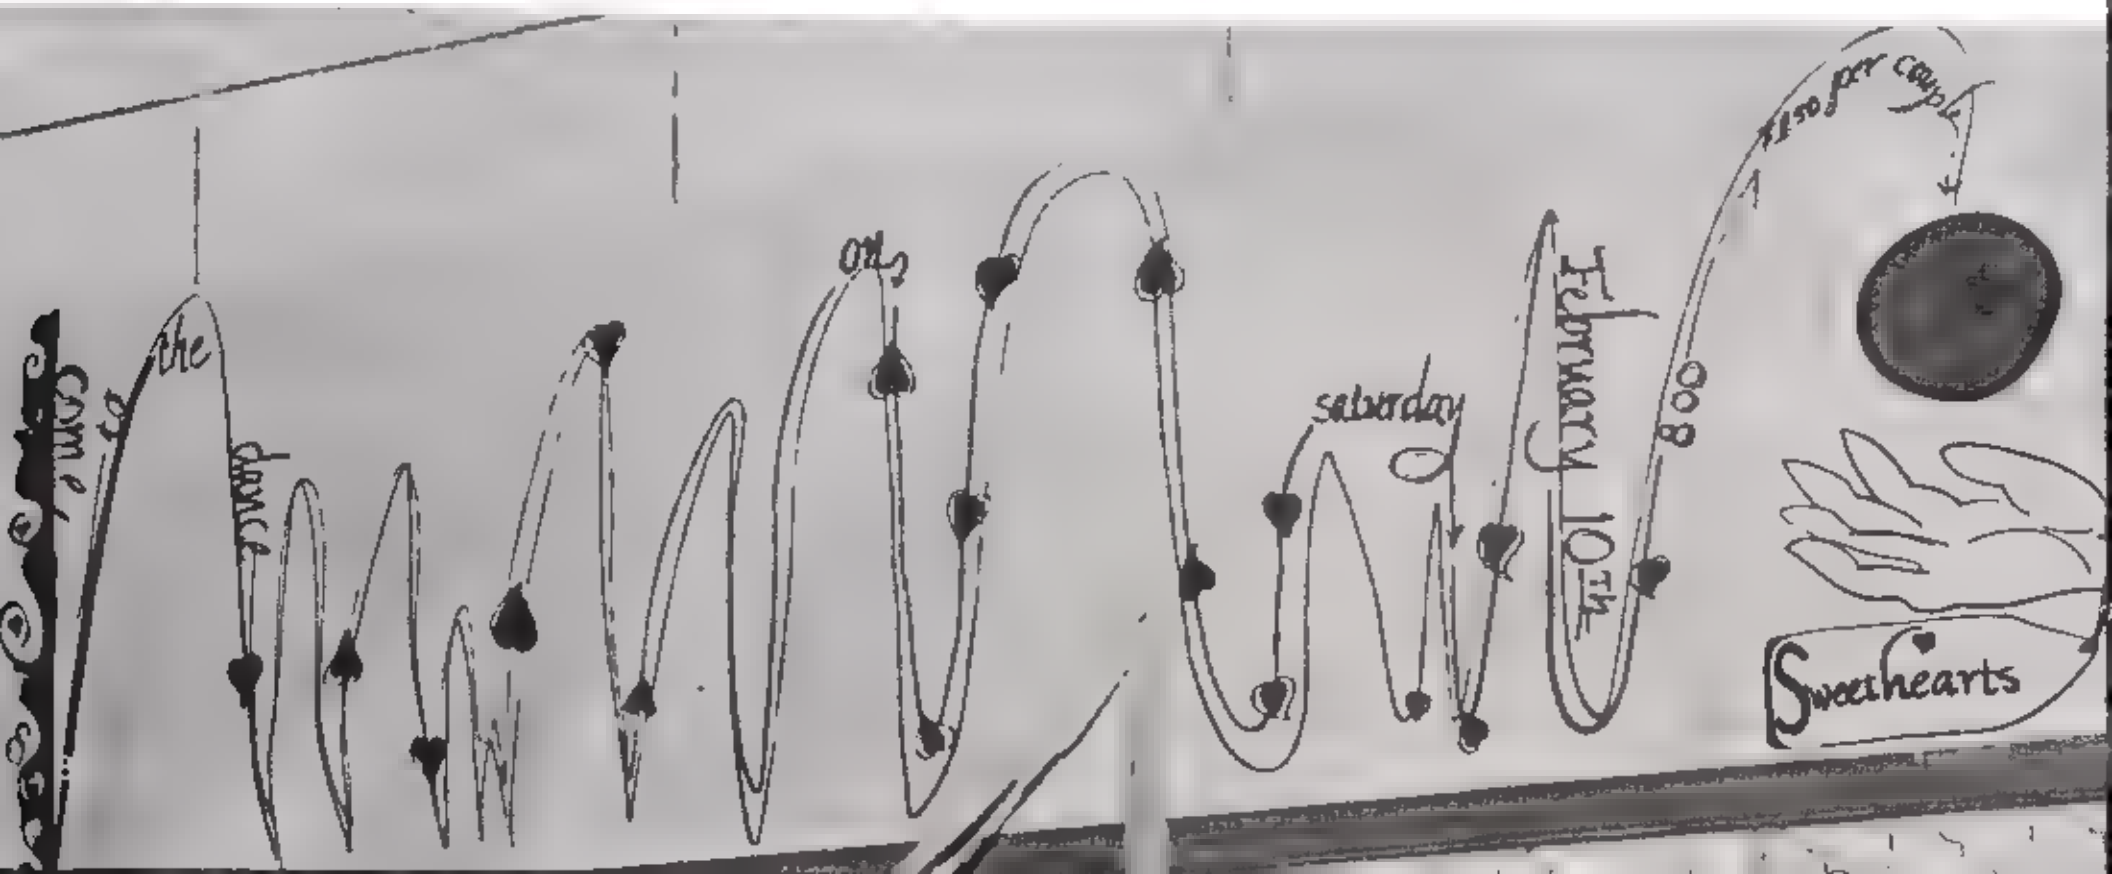

Pep Club

Although the main purpose of Pep Club is to support the Broncos at all the games, the members take part in many other activities, such as Twirp Week and the sale of Valegrams. During Homecoming Week, the members sold the "Mums" which have become a tradition at Parkrose.

A diversified organization like Pep Club serves Parkrose in many ways and is a credit to our school.

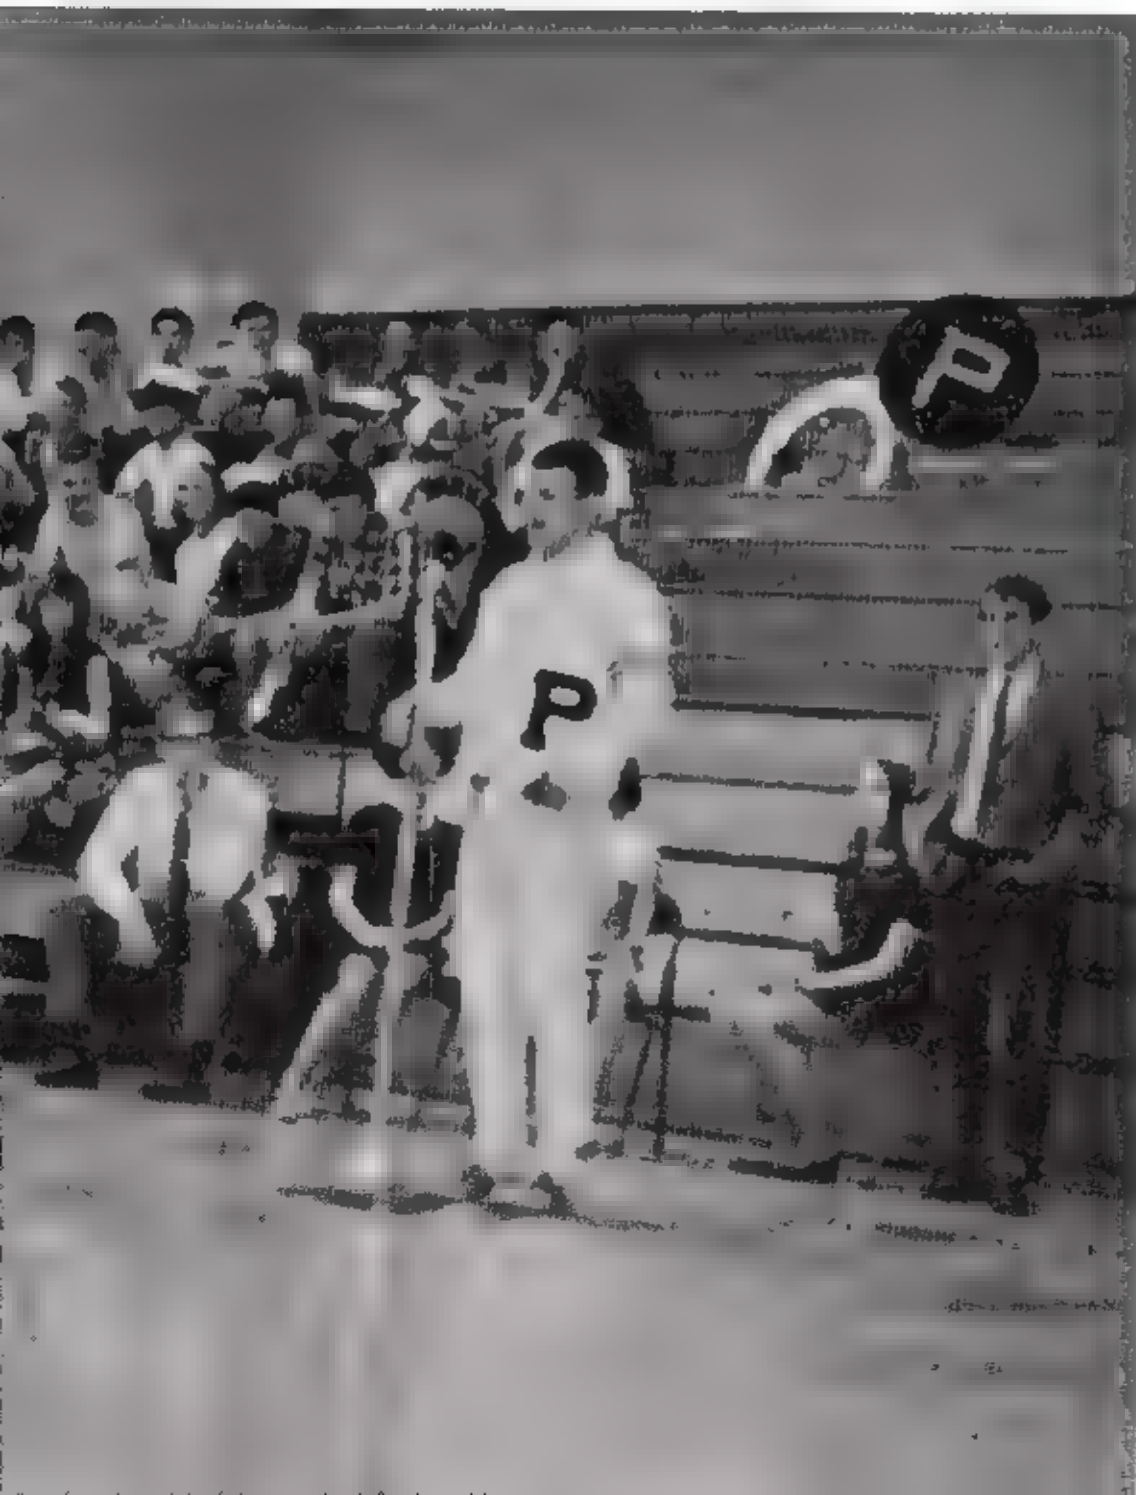

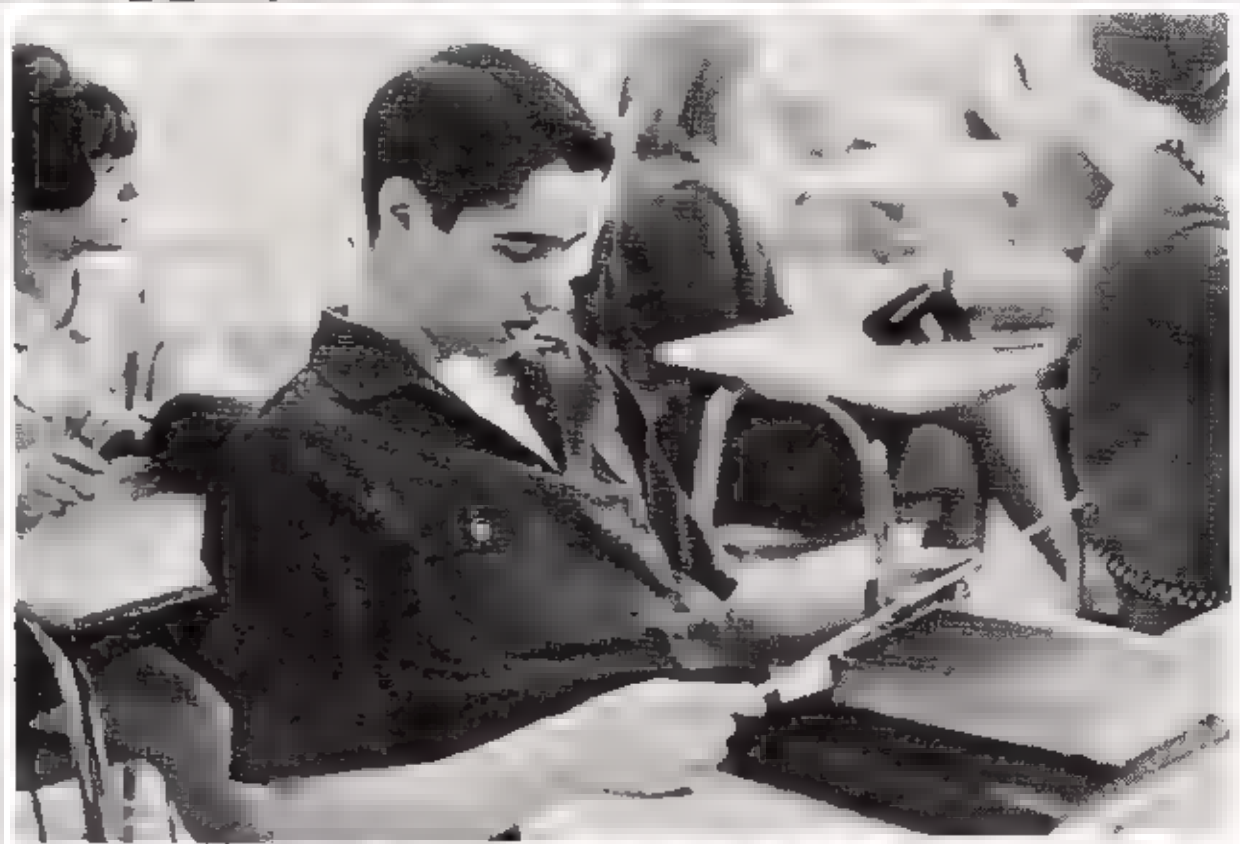

Lettermen's Club

The Lettermen's Club is open to all boys who have earned a Parkrose High School varsity letter. The members provided service to the school in many capacities, including the operation of the change booth in the cafetorium all year.

They gathered wood for the Homecoming Bonfire, and also sponsored the annual Sweethearts' Ball.

Our thanks to the members of Lettermen's Club and their president, Kip Viet for their participation in school activities.

English

All English courses depend on one thing—communication, whether it be through films, lectures, panels or seminars. Advanced senior English classes have utilized seminar to its utmost with a free interplay of thoughts and ideas.

Both senior and advanced junior students take a specialized look at English literature through a blend of films, lectures, and creative writing. Those students participating in the Humanities courses blend English with other forms of expression such as drama, music and art.

The future looks bright for the English department with the possible additions of new elective courses which encompass the goals and ideals of the total student.

Art

The different fields of art are interesting and useful. A student is taught about colors, forms, textures, shapes, and how to use them effectively. Having learned this, he works with water colors, chalk, and ink. The more advanced students use silk screens, clay, and oils.

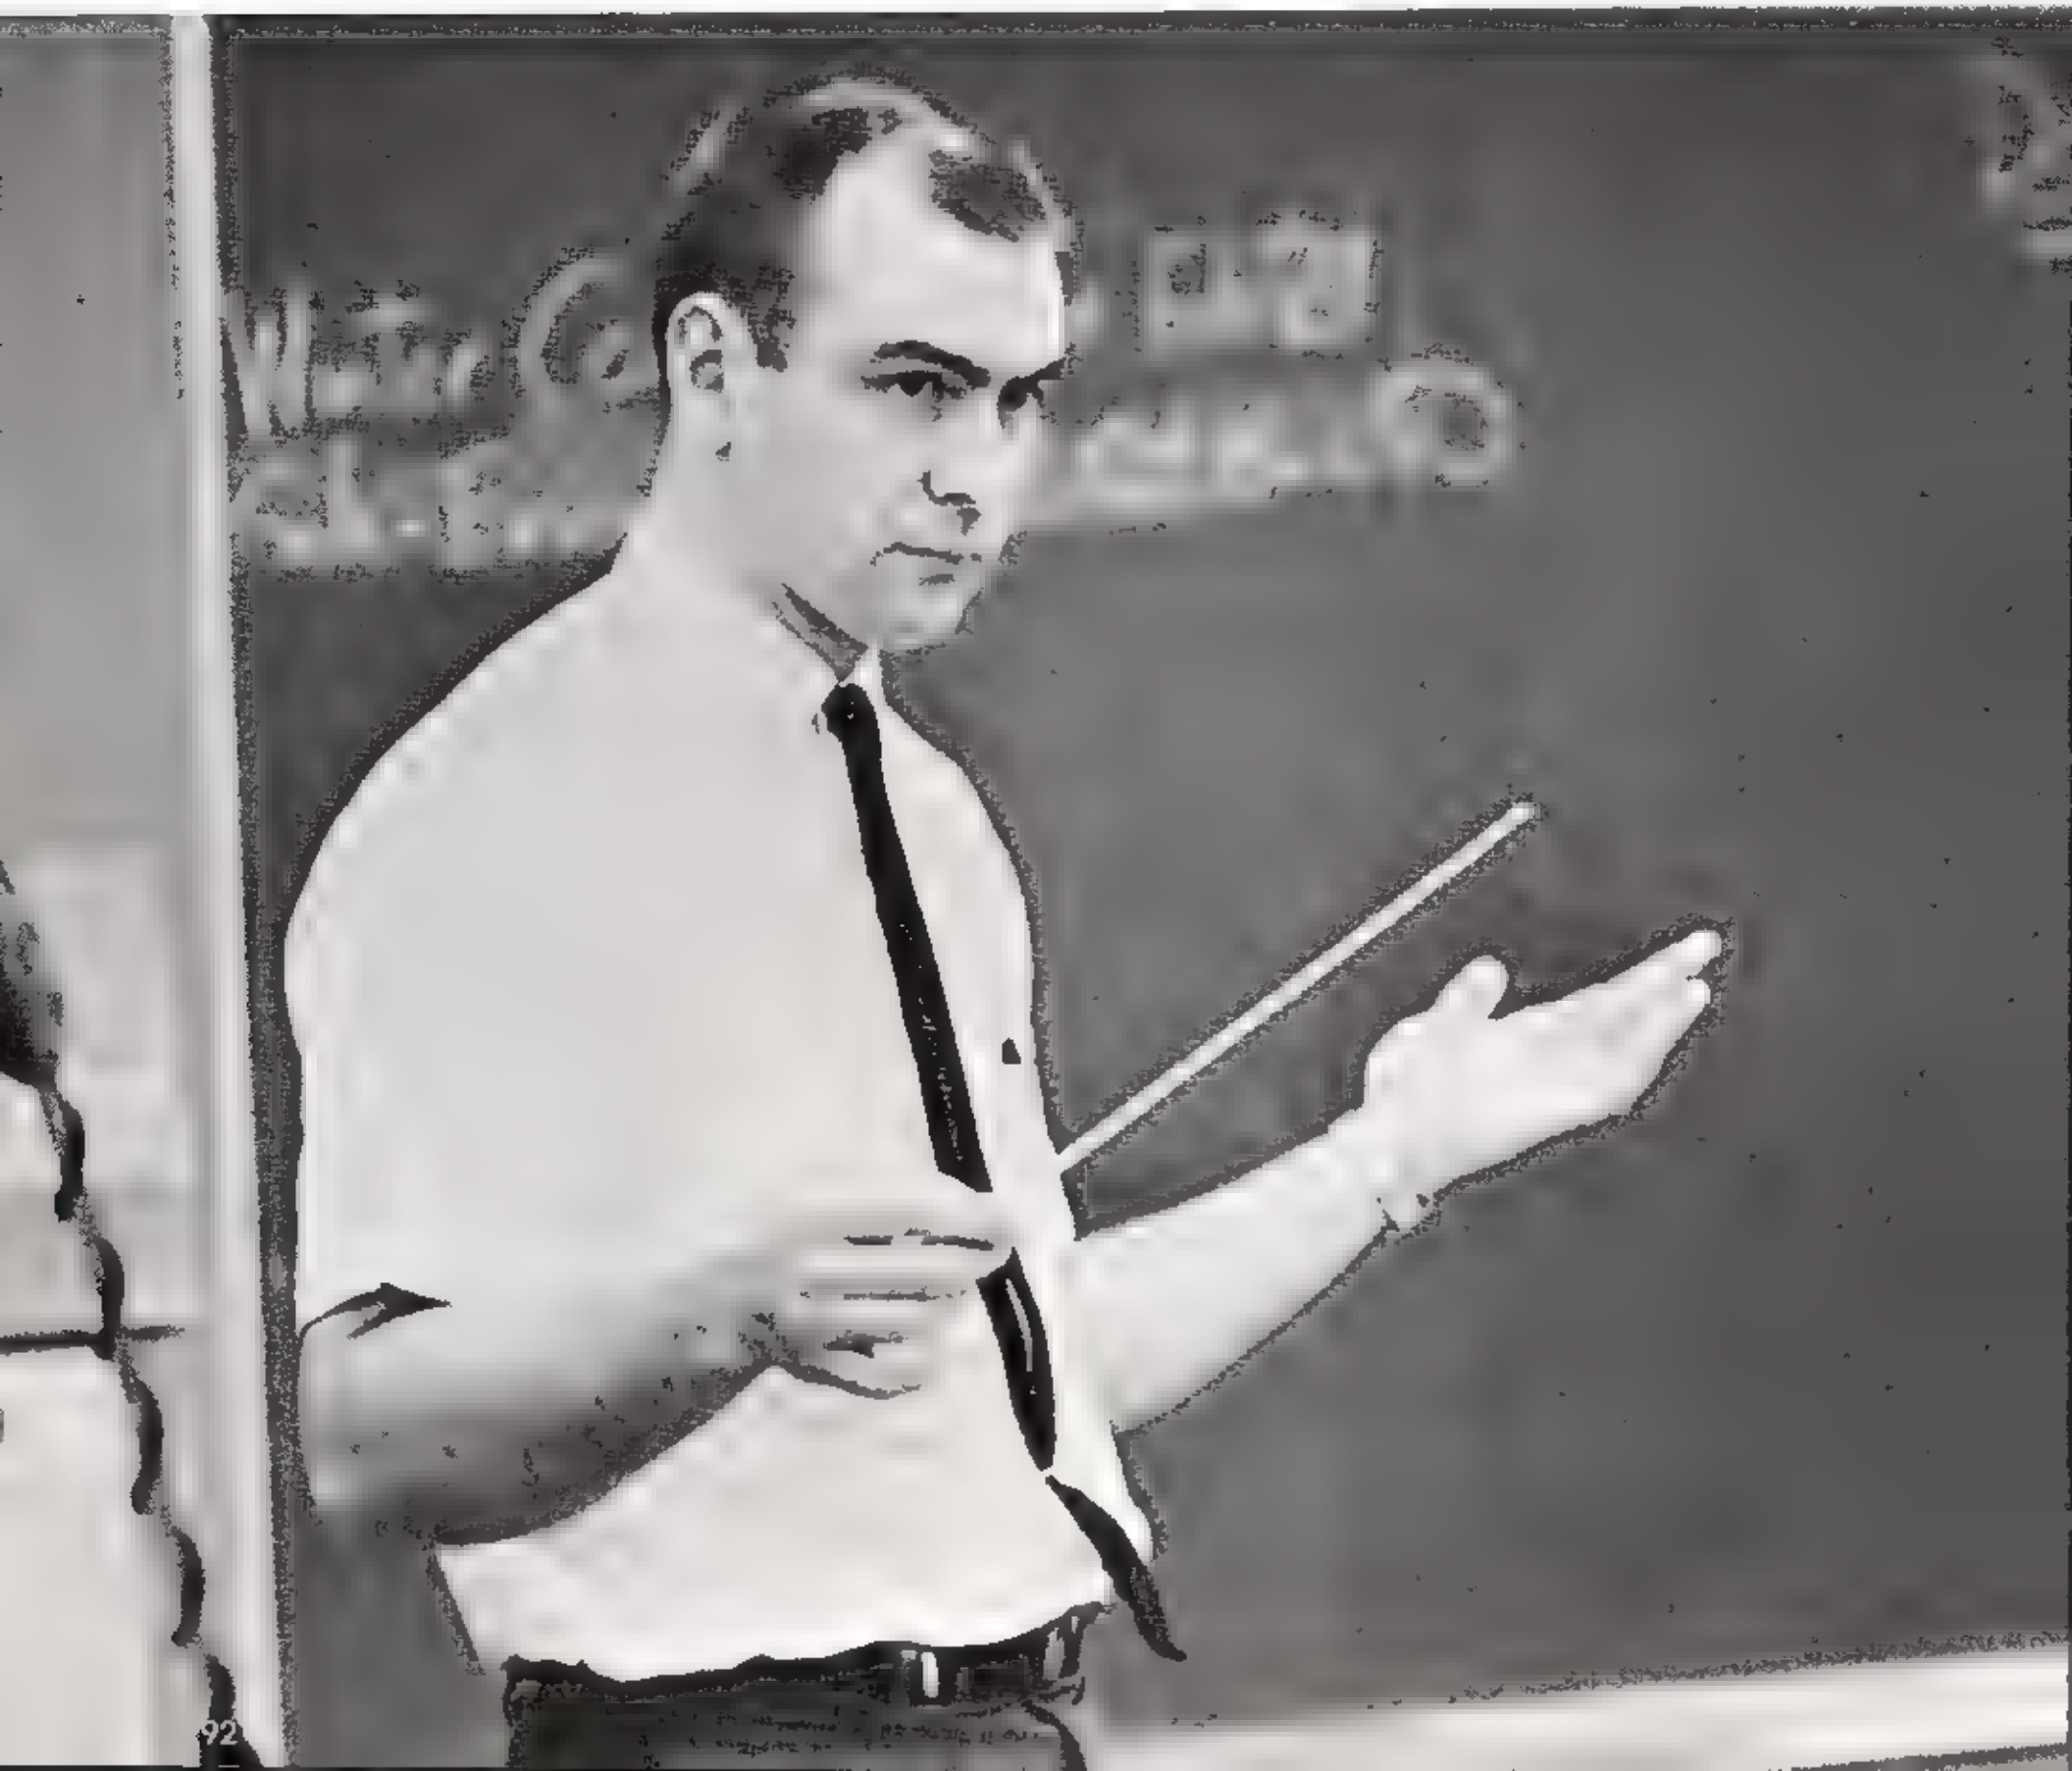

Two main assets arise from this class, an increase in student perception, and the development of free, creative expression. The cultivation of individuality leads to ideas for a better community.

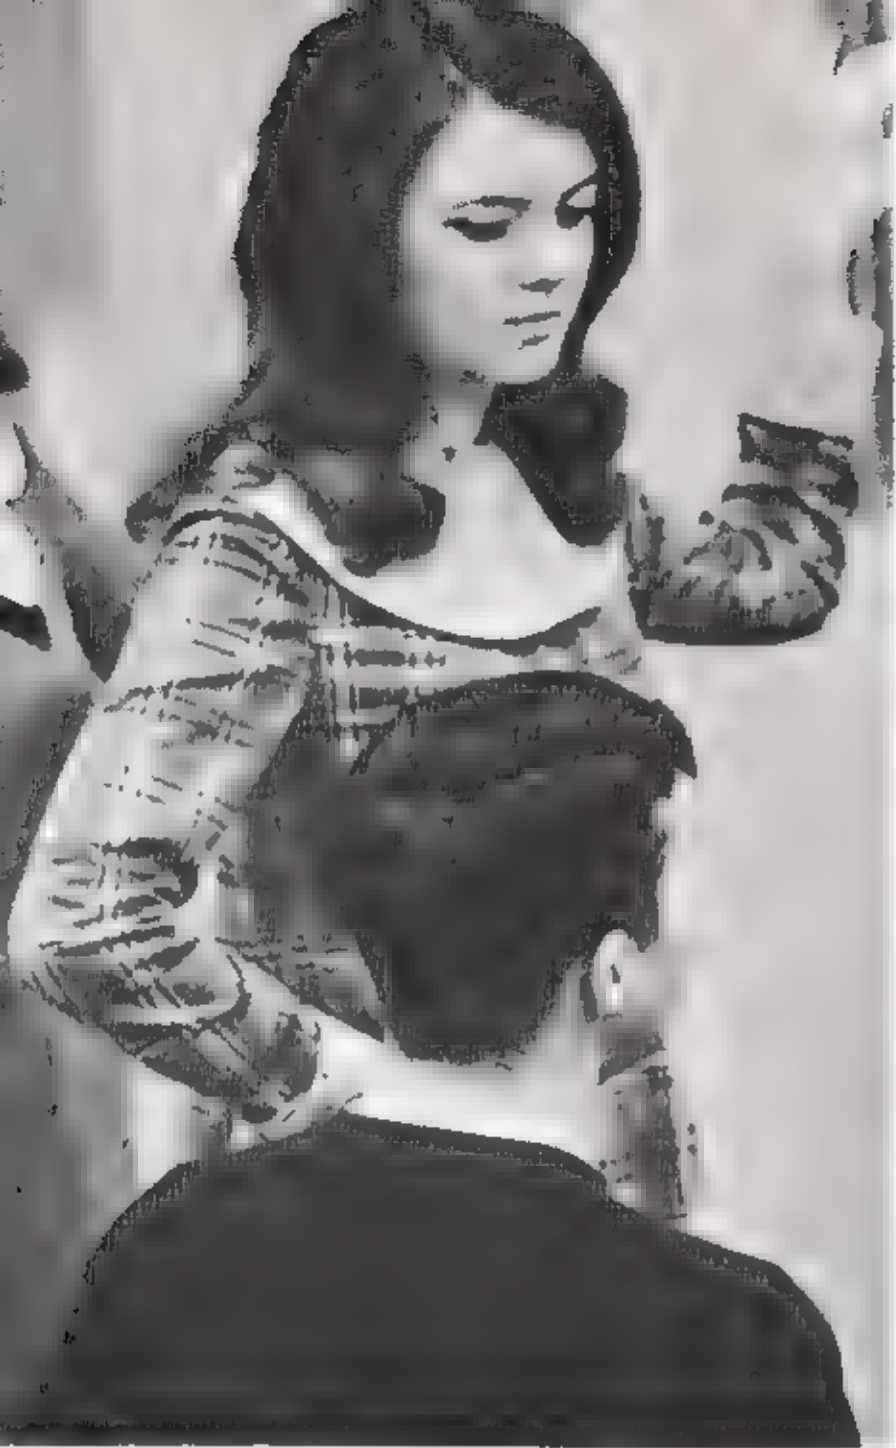

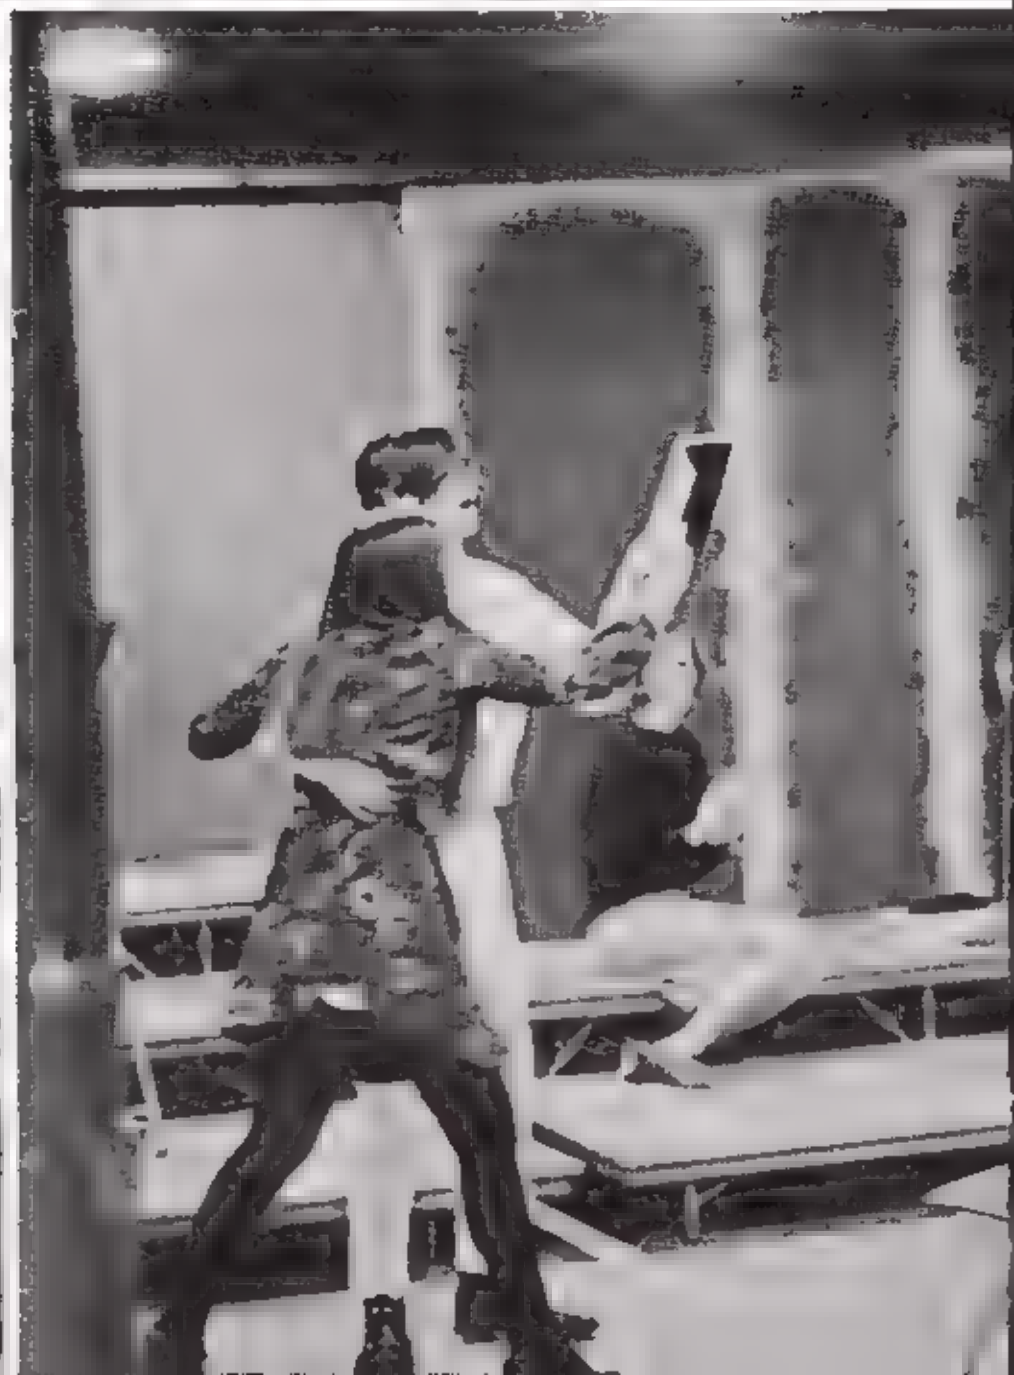

Music

This year proved to be one of the Choral Department's busiest. Besides the fall and spring concerts, the Debonaires sang at a banquet for Governor McCall, were finalists at the Speech Arts Festival, and were the official entertainment at the Oregon Junior Miss Pageant. Assisted by the orchestra, the Choral Department wound up their year with the traditional spring musical.

The band made many contributions to our school, supporting our school spirit and performing at pep assemblies and at half-time during the games. In the fall, winter, and spring, they staged concerts, playing music from all areas. In competition at the Wilco League Band Festival, 22 of our students were placed in the Honor Band. At graduation they played the Alma Mater, closing the year of 1967-68.

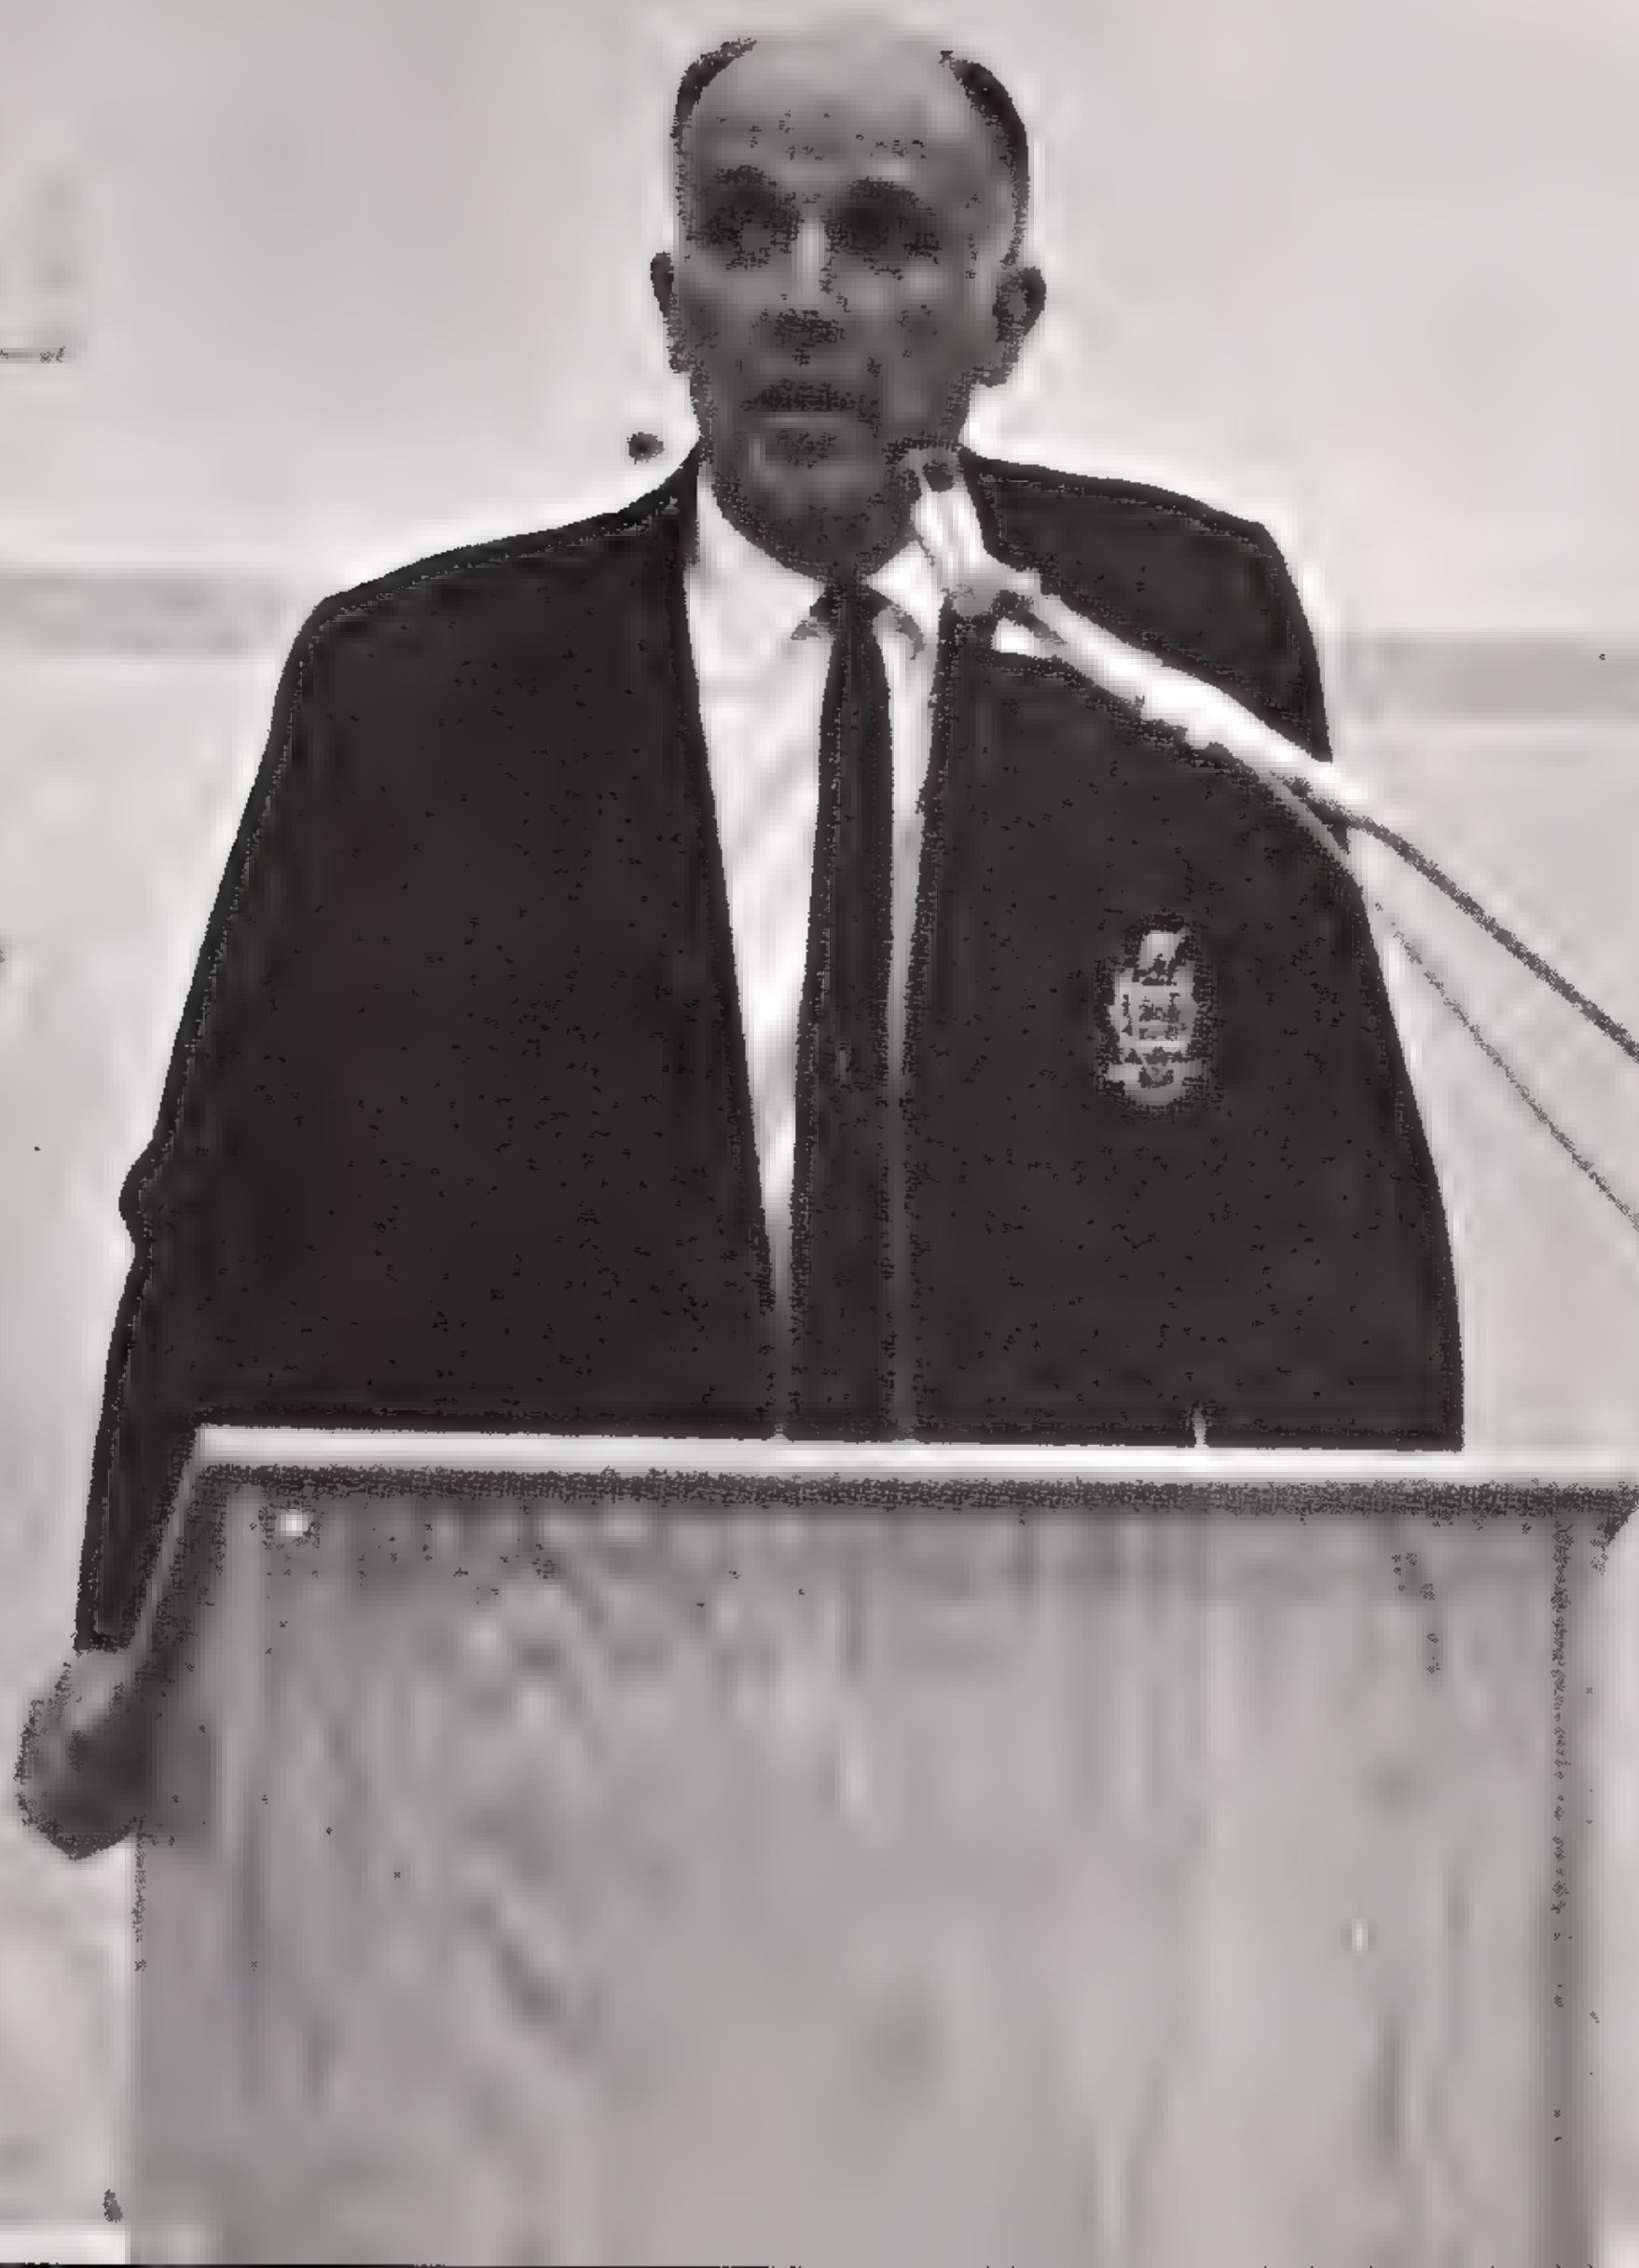

Drama

Drama is one of the courses which, like speech, provides enjoyment to many, as well as an opportunity for performance in conjunction with study. Acting as an art and a discipline is promoted through various assignments, where talent can be formed and developed.

*Did you join? Participate
or compete? Live it up,
Down, lie around, hate
The winter, love the spring?
Here. Spring, sports
Girls/cars/clubs and so many
Sunshine things under a
New sky with the flower
Weather.*

SPRING

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial data. This includes not only sales and purchases but also expenses, transfers, and any other financial activity. The document also highlights the need for regular reconciliation to identify and correct any discrepancies as soon as possible.

In the second part, the focus shifts to the classification of transactions. It provides a detailed breakdown of how different types of transactions should be categorized, such as operating activities, investing activities, and financing activities. This classification is crucial for preparing accurate financial statements and for providing meaningful information to stakeholders.

The third part of the document addresses the issue of timing. It explains how the timing of transactions can affect the financial results and how it should be properly accounted for. This includes discussions on accruals, deferrals, and the matching principle, which ensures that expenses are recorded in the same period as the revenues they help to generate.

Finally, the document concludes with a summary of the key points and a reminder of the importance of consistency and transparency in financial reporting. It encourages the reader to adhere to the highest standards of accounting practice and to seek professional advice when needed.

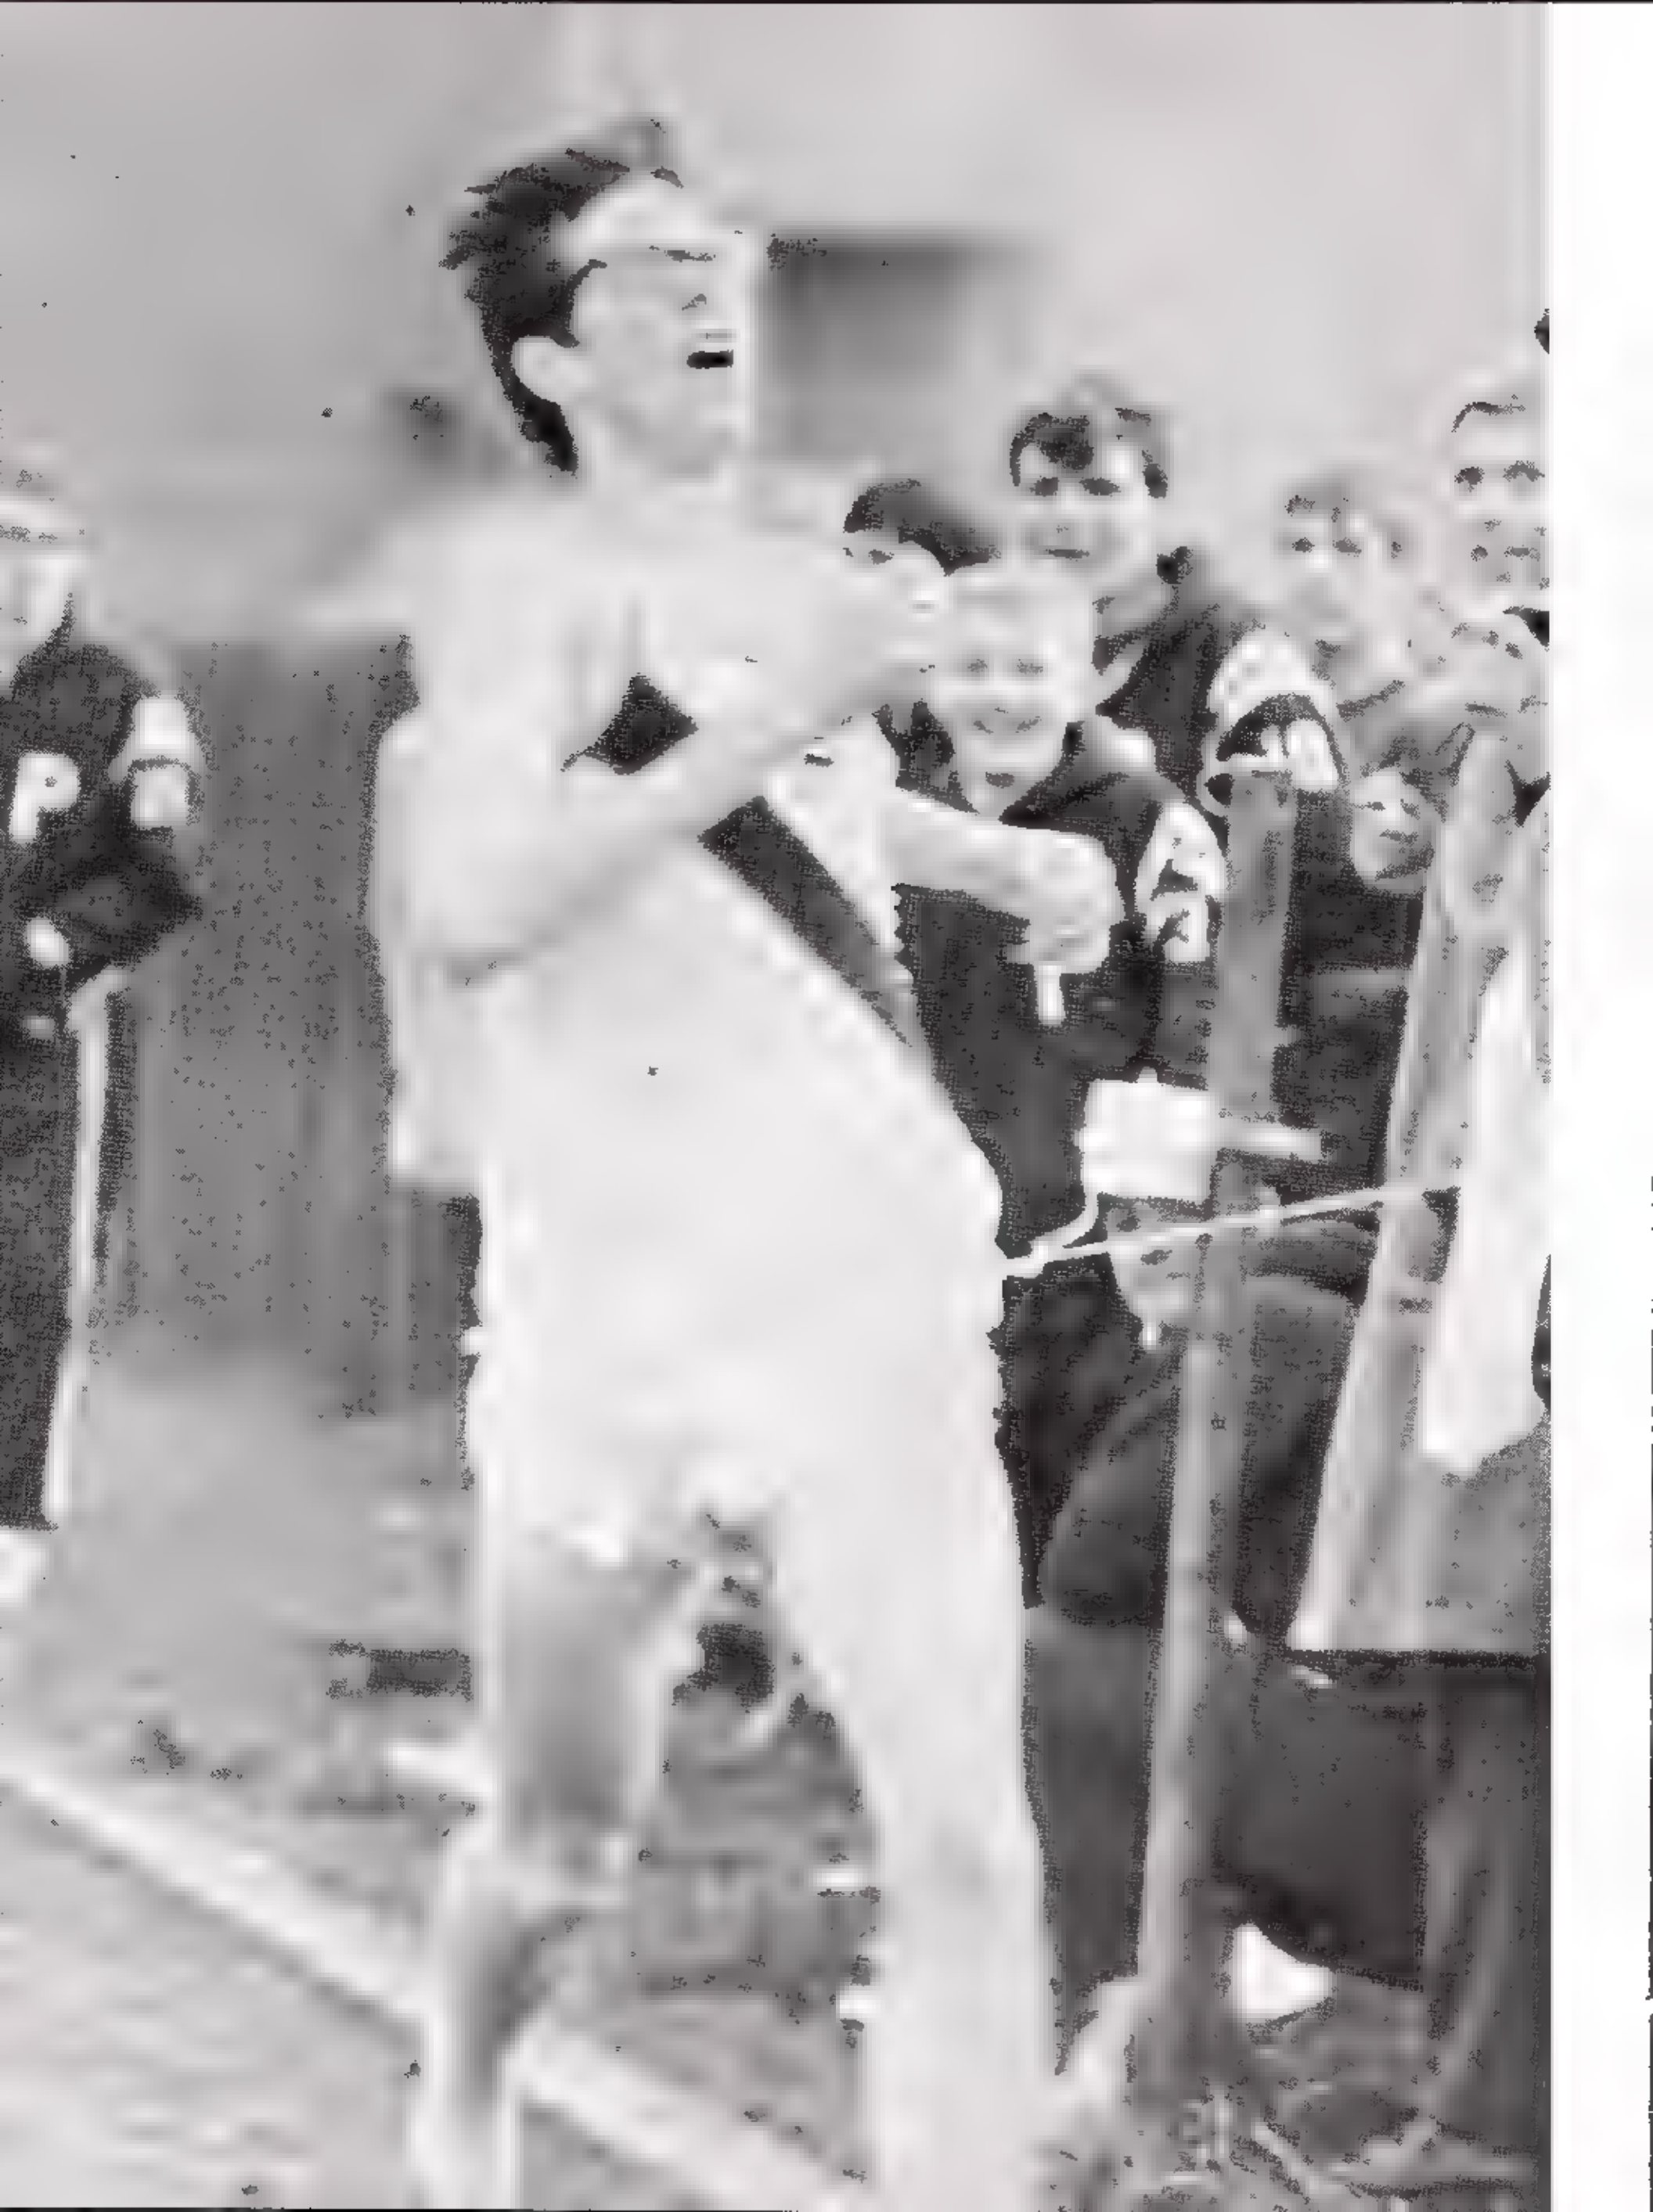

Track

1968 proved to be a good year for the track team. Working hard they won all of their dual and triangular meets, took district, and then went on to state. At state, Doug Wellman took second place in the mile run. The 440 relay, consisting of Alhberg, Fike, Ominski, and Shifferdecker, took a third place at the meet. In the field events, Fike took a third in the long jump. Together the team earned the highest number of points Parkrose has ever scored at a state meet.

This season two records were broken as the 440 relay team set a new time of 43.8. The second record was made by the mile relay team consisting of Alhberg, Ominski, Riedmiller, and Wellman for 3:31.0.

The combined efforts of the coaches, captains, and team made this season a very successful one.

Baseball

This year the baseball team contained twenty-one players, a few of which earned places in All League and All State teams. Kip Veit and Dave Kuykendall were placed on the All League team, and Rick Hansen received an Honorable Mention. For the All State team, Veit and Kuykendall again earned positions.

Although the Parkrose Broncos had several excellent players, they still worked as a record of ten wins and four losses.

With a strong mound staff and all-staters Dave Kuykendall (2b) and Kip Veit (catcher), Parkrose fought its way through a tough schedule to a 13-7 season record, a 10-4 league record, and a third place finish in the Wilco league. Highlights of the season included the hitting of Veit and Kuykendall and the pitching of three juniors, lefty Marv Labsch, fastballer Jack Thompson, and all-around player Gary Boley. Rick Hansen, senior first baseman, was an honorable mention choice for all-league honors.

Coach Jim Gay will take a strong squad into the Metro League. He has compiled an enviable coaching record, with five baseball championships in eleven years in the Wilco league and one second place state finish, in 1960.

Coach of the Year

Once again the coaches nominated and elected the coach of the year. Their choice for '68 was Coach Johnson. Mr. Johnson has been the Track Coach for eight years. This year he produced an exceptional team. They took district and rated 17 points at state, the highest number of points scored in a state meet by any team from Parkrose.

Cotton-Cord

The beginning of spring was marked this year by the Annual Spring Cotton Informal, sponsored by Twana-Kai. Bright, gay decorations carried out the theme, "sunshine, lollipops, and rainbows".

King Tom Smith was chosen and crowned King Cotton. Other members of his court were Mike Dasen, Jerry Hagist, Jeff Johnston, Randy Sprick, and Tim Brown.

Father-Daughter-Son Banquet

Once again the Dads' Club of Parkrose High turned the Father-Daughter-Son Banquet into a successful and enjoyable evening for all who attended. A fashion show, sponsored by Rhodes, presented a preview look into 1968 spring fashions. The "Paint Your Wagon" cast presented a few scenes from their play. During the banquet, a number of door prizes were given away.

Some of the profits from this banquet provide funds for the Dads' Club scholarship.

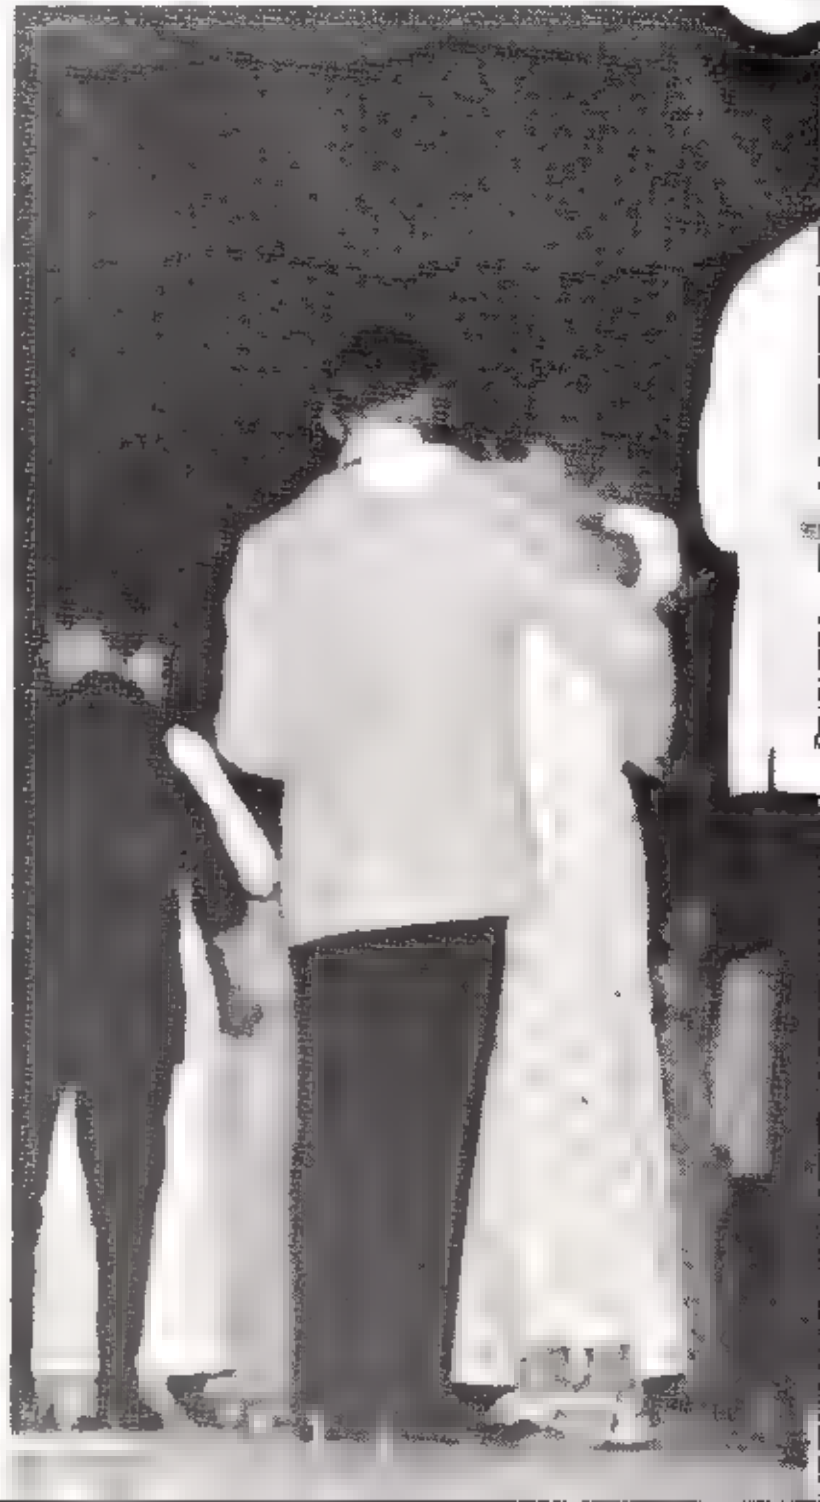

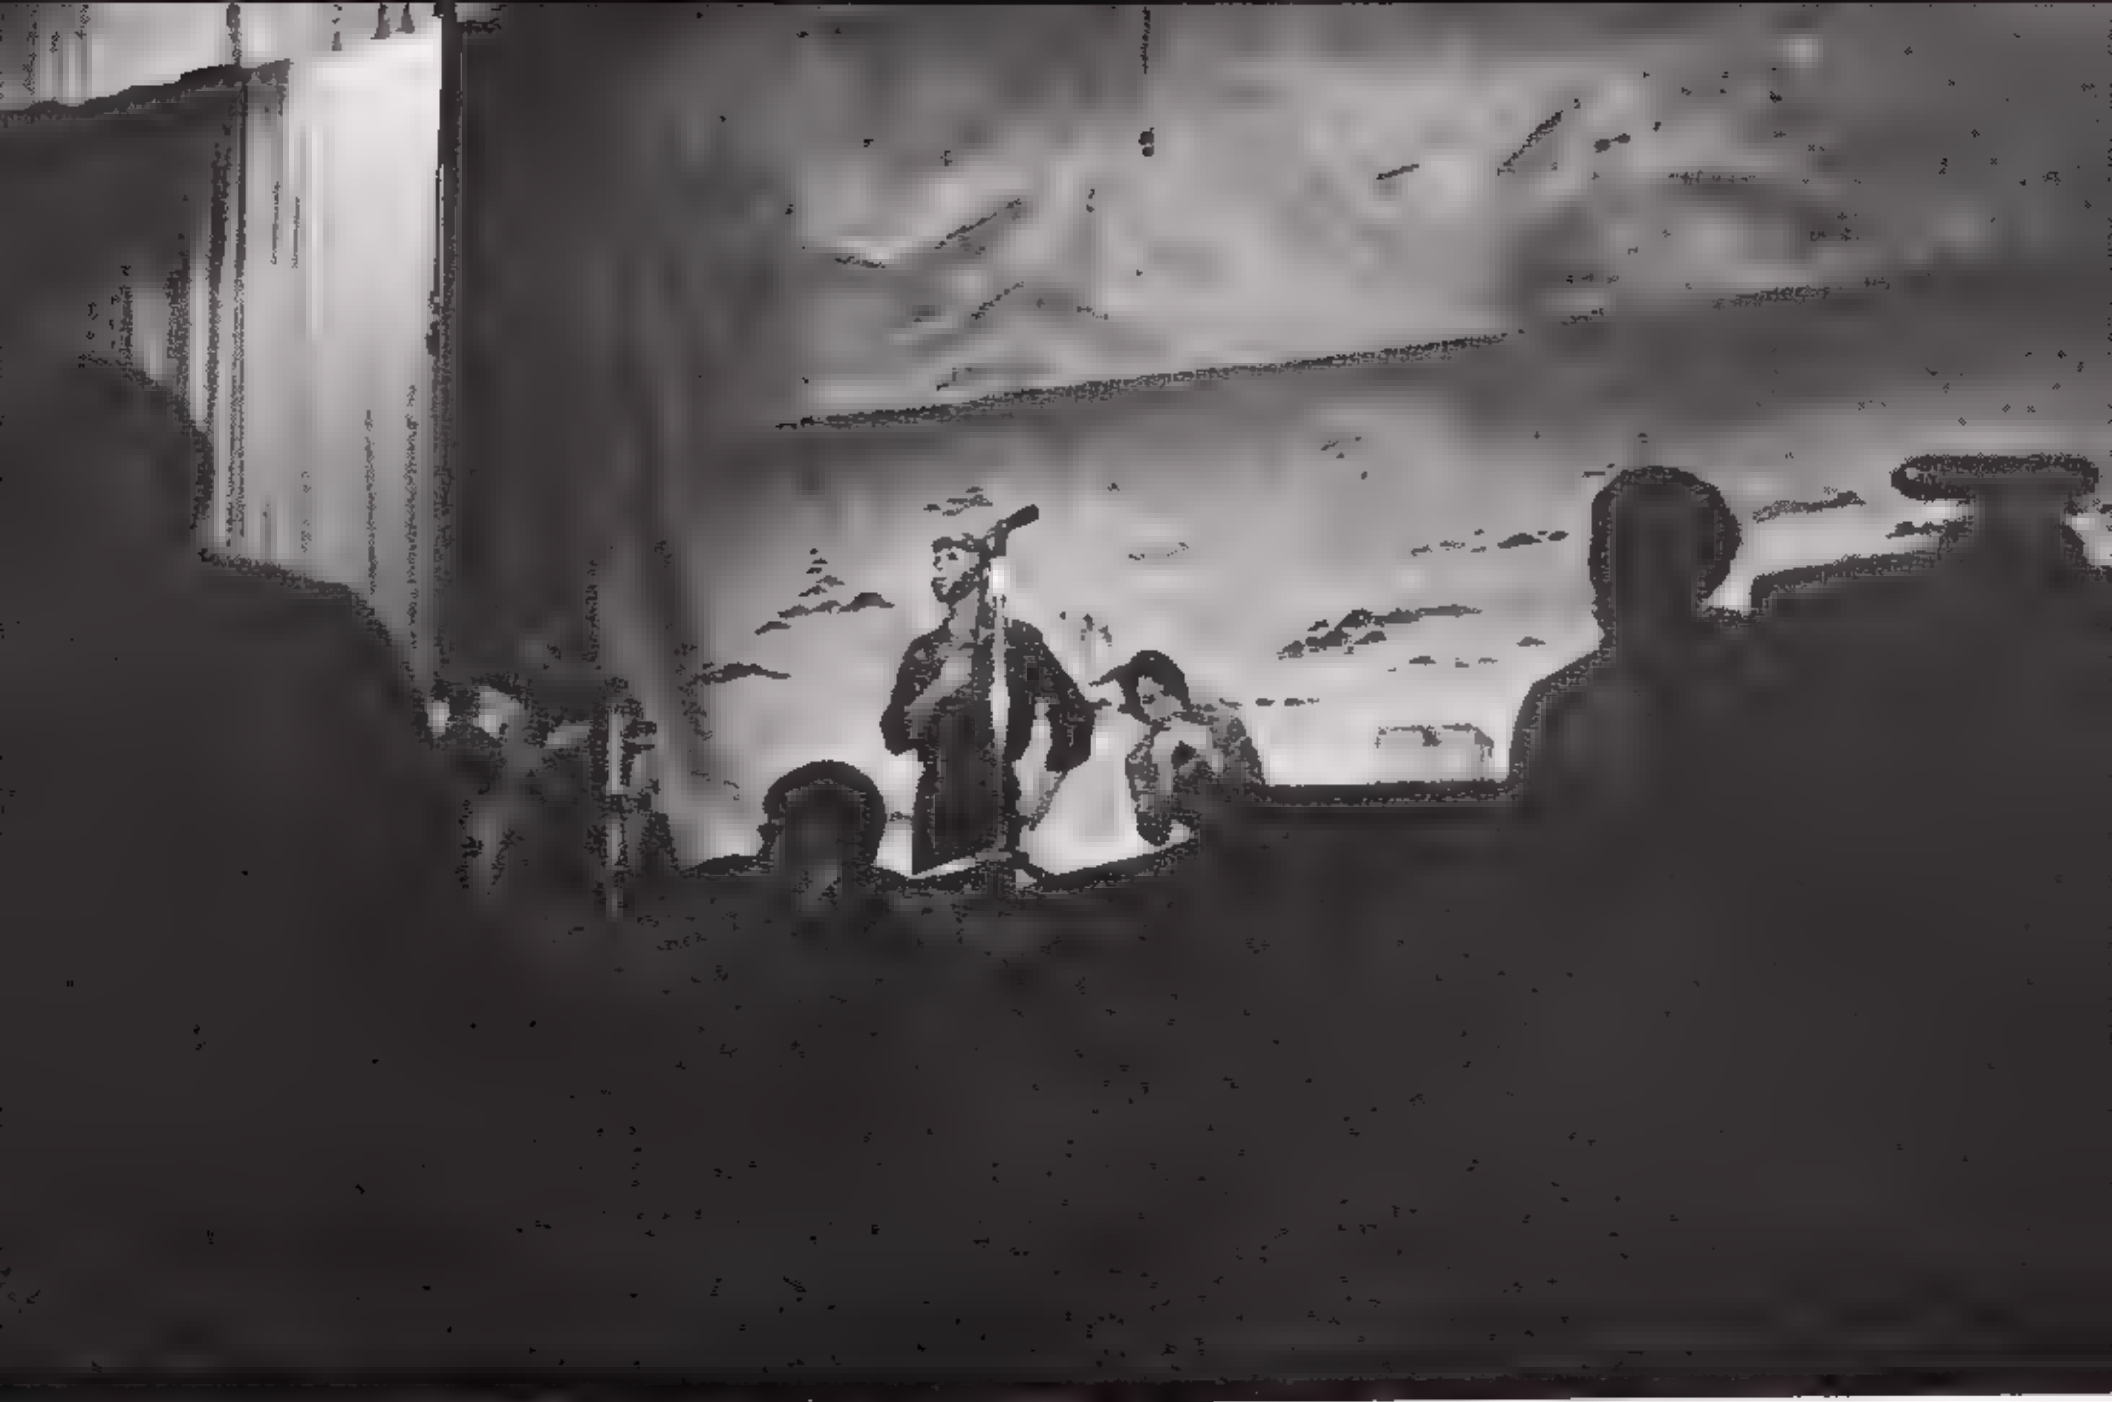

Emerald Isle

Couples who attended the Jr. Sr. Prom this year, entered through an "emerald isle" designating the theme of the formal dance sponsored by the Junior Class. White arches and a flowing fountain, added to the enchanting and romantic atmosphere of the evening, as couples danced gracefully to the Rex Putnam Dance Band.

Paint Your Wagon

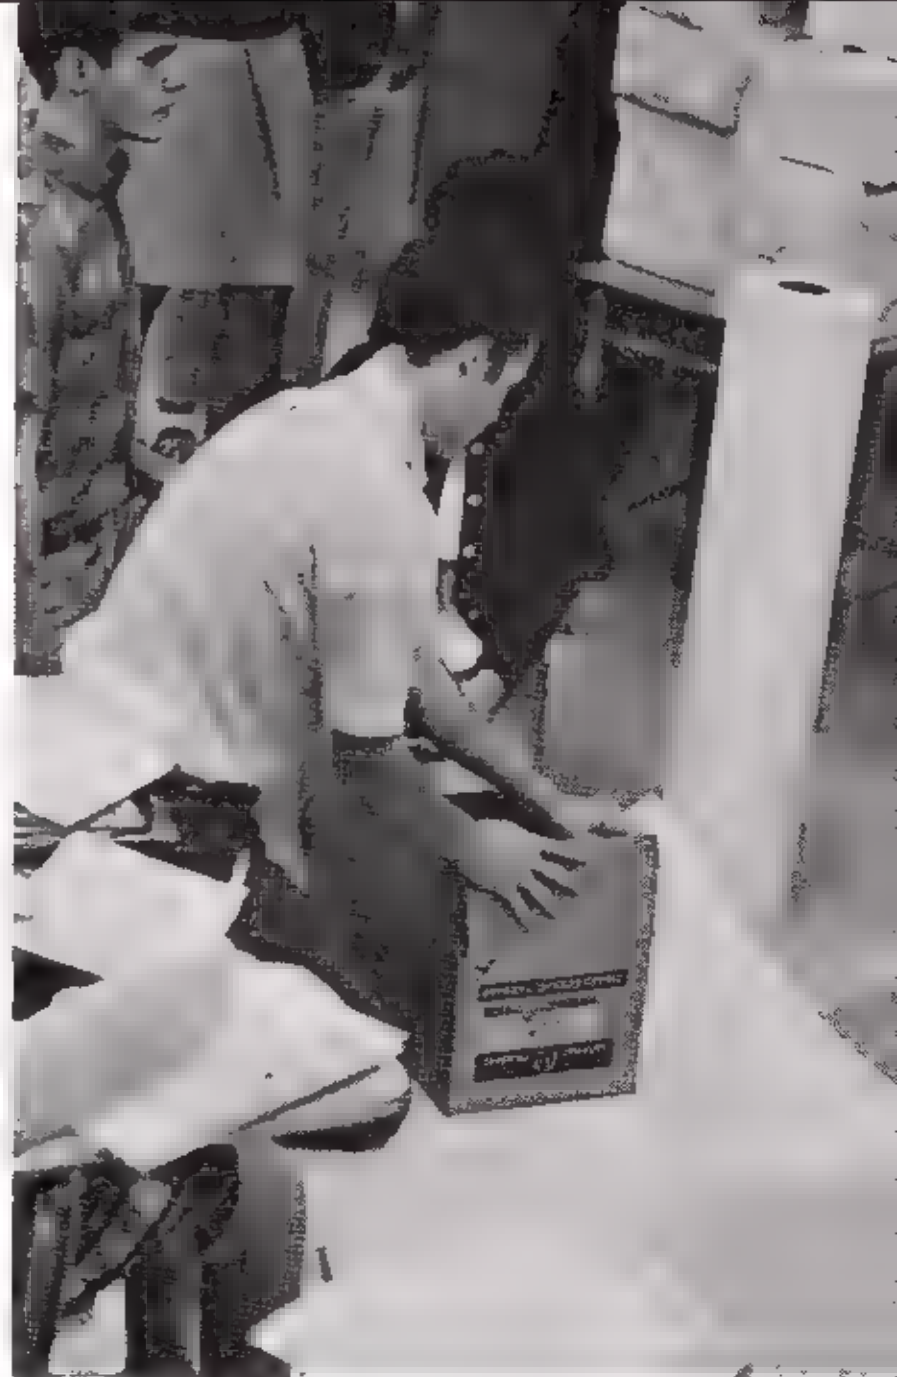

A Capella Choir

The members of A Capella Choir sang their way through a very busy year. Numerous performances were scheduled throughout the year, including the Wilco League Choral Festival and the Speech and Music Arts Festival. Their main effort was concentrated on the spring musical, "Paint Your Wagon."

Choraliers

Choralers has contributed its full share to the activities of the Choral Department. Under the student direction of Jean Matheson, the Choralers have participated in many programs for the enjoyment of both the student body and the public alike. Their artful musical arrangements added much to the musical review, "A Little Bit of Everything."

"Let us Entertain You" was the theme for this year's medley of songs in the repertoire of the Debonaires.

The Debs entertained for civic and cultural groups and sang in the musical review "A Little Bit of Everything" and the spring musical, "Paint your Wagon."

They sang at the Oregon Junior Miss Pageant, at which Jean Matheson, a member of Debonaires, represented Parkrose High School.

The Debonaires added a truly professional touch to the Music Department.

Debonaires

Shana

The Sophomore girl's service club, Shana, had many activities. The members made Christmas stockings, served at the Spaghetti Dinner, worked in the concession stands during games, and assisted with programs and seating at Baccalaureate. The members organized an official constitution, something that Shana has never had. In addition, they ordered new sweatshirts emblazoned with the club name and symbol.

SHANA OFFICERS

Debbie Stodd — President
Ann Bargar — Vice President
Pat Bergstrom — Secretary
Carrie Cameron — Treasurer
Debbie Osborn — Inter-Club
Council Rep.

Alpha-I-Daka

The past year has been a rewarding one for Alpha-I-Daka, the junior girls' service club. The girls started the year off by serving at the Homecoming dinner. An added highlight to the club's activities was the selection of new club sweatshirts and emblems.

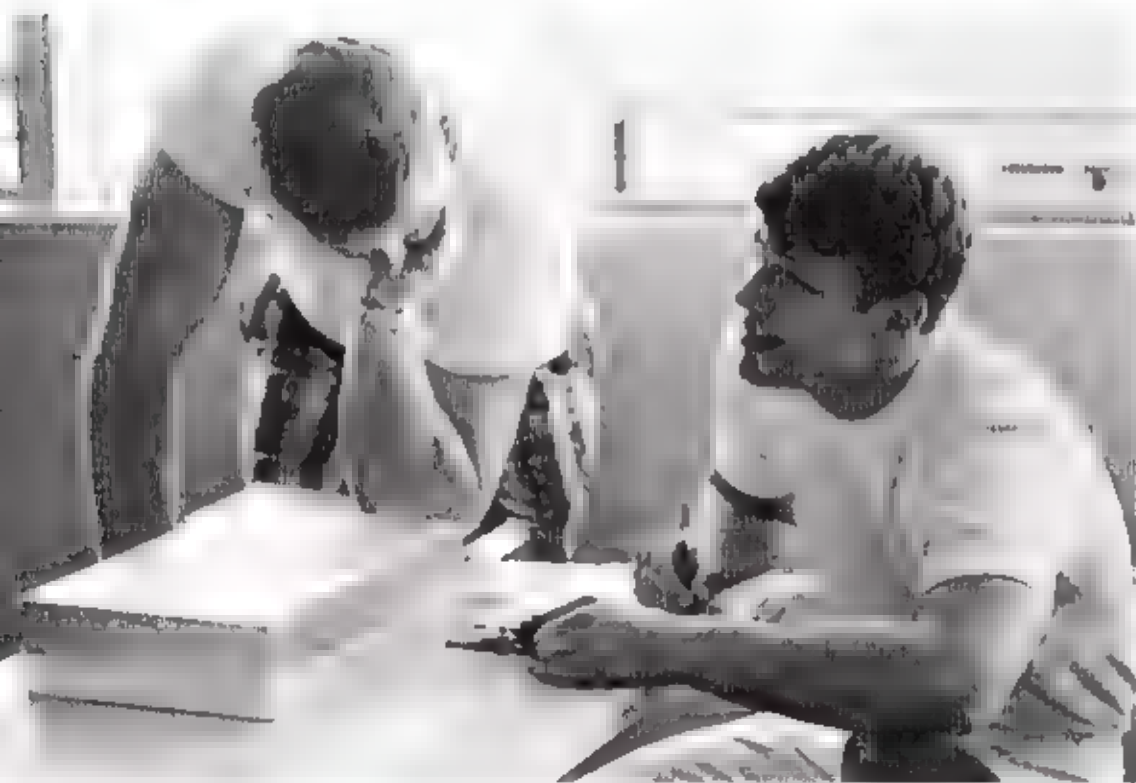

Twana-Kai

Twana-Kai, the senior girls' service club, participated in many activities throughout the year. At Christmas, president Christy Everest headed a clothing drive for the poor. In addition they sponsored bake sales to finance the Cotton Cord, the annual spring informal dance.

Delta Sigma Rho

This is the second year the senior boys' service club, Delta Sigma Rho, has been in existence. They performed many services for the school, such as patrolling the parking lot during noon and changing the activities board in the cafeteria.

Our thanks go to president Lee Welch and the other members of Delta Sigma Rho for their services.

Girls' League

This year has been highlighted by the variety of Girls' League meetings which have been presented. President Lynn Hongo and the other officers, Diane Jordan, Mary Moore, Vicki Evans, Karen Warrington, Georgia Marumoto, and Linda Brown, did an outstanding job of making the meetings a treat to be anticipated.

The meetings included a discussion by a panel of studentbody presidents, the Big and Little Sister Tea, and the selection of the Girl of the Year. The enthusiasm of the officers and Miss Masters, the new advisor, have helped to make Girls' League a club of which this school can be proud.

Student Store

Many interested students were recruited from both the business law class and the office practice class to staff the student store.

The profits from the sales of candy and supplies go to the student fund for general use.

F.T.A.

Future Teachers of America serves as both a service and an interest organization. An informal induction marked the beginning of a worthwhile year. Selling at the concession stands at the football games and preparing Christmas baskets were only two of the activities the members took part in during the year. These activities were brought to a close with the annual picnic in May.

Antigone, David and Lisa, and The Haunting of Hill House.....these are just a few of the productions staged by Thespian Troop 1783 of Parkrose. They participated in dramatic competition at the Speech and Dramatic Arts Festival held at the University of Portland, and in the State Thespian Conference at McMinnville. They also entertained with cuttings at the Budget Dessert, and at the Parents' "Thank You" Dance held in May. This year, two of the third-year Thespian members were employed by Mrs. Findlay as drama coaches for the spring musical, "Paint Your Wagon."

Proceeds of a "pickle sale", in addition to other net profits received throughout the year, have helped to provide scholarships for seniors in drama or drama production.

Thespians

Literary Review

Literary Review is a school-sponsored, student-produced collection of prose and poetry reflecting student interests and talent.

The annually produced Review was edited by a staff headed by Bob Stacey. Mr. Jepsen was the advisor.

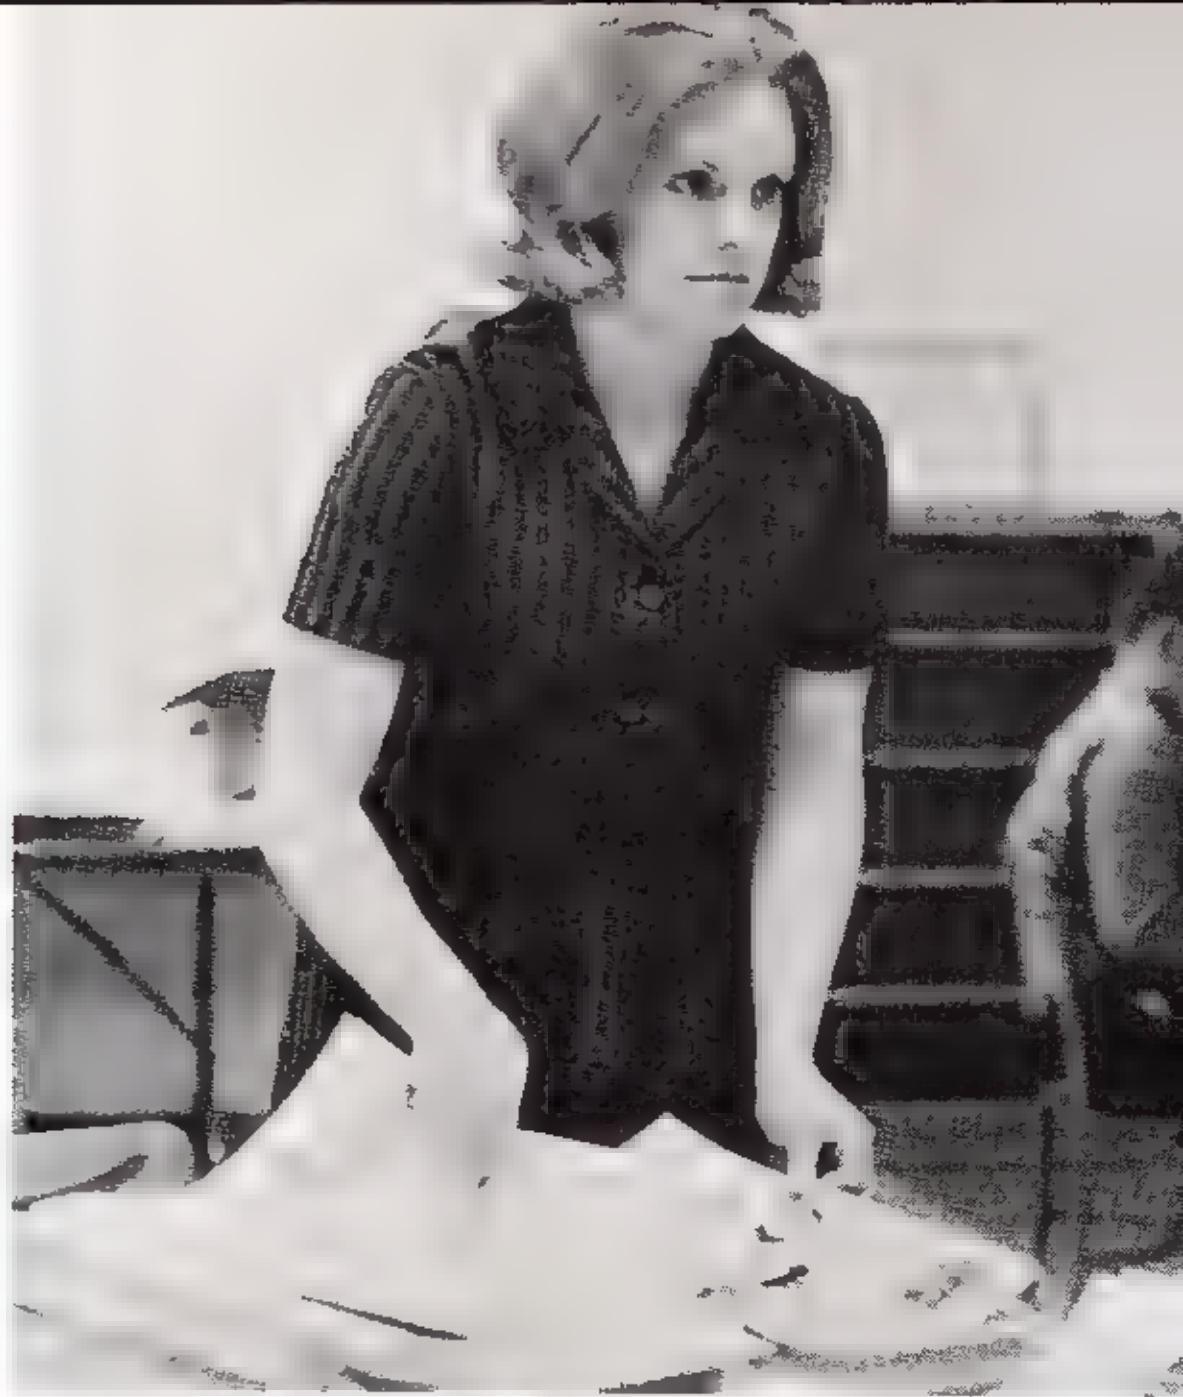

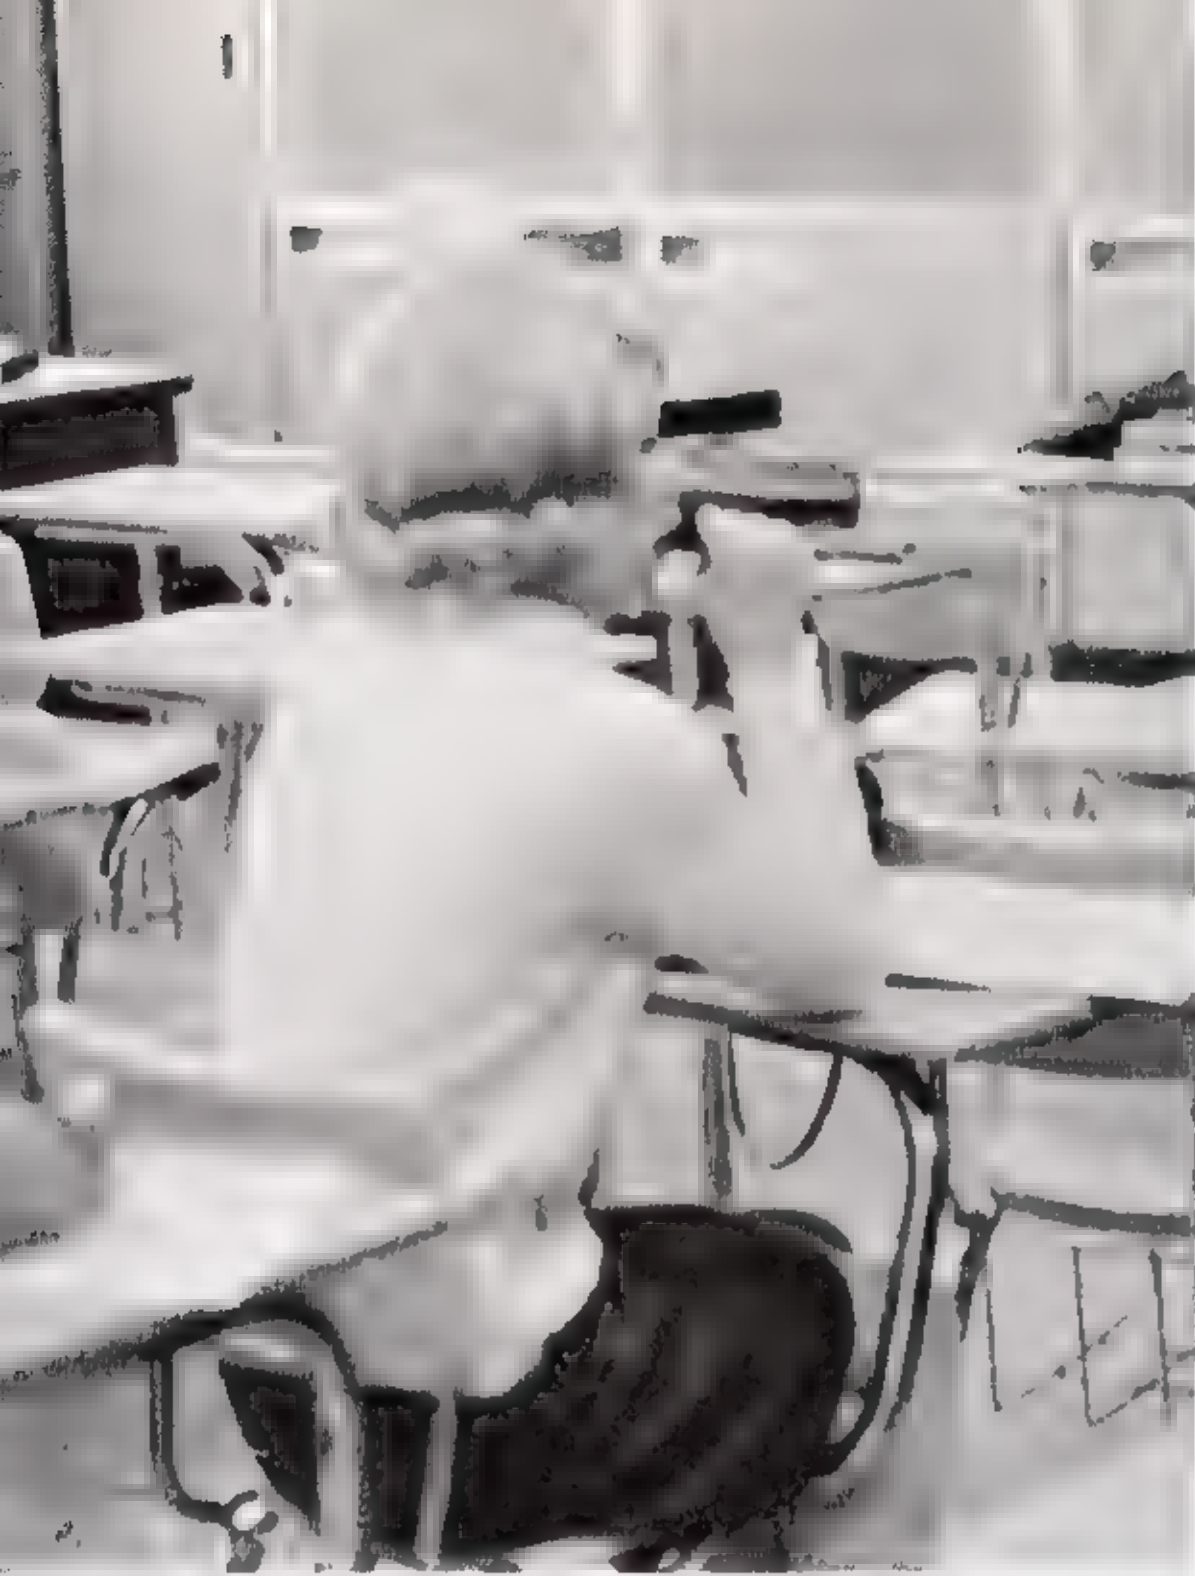

Bud Staff

Twice monthly a staff of 25 published the "Bud", our student newspaper.

With deadlines to meet, pictures to take, interviews to be given and copy written, the members of the "Bud" were kept continually active.

With an increase in pages and the introduction of the editorial essay, the "Bud" has made noteworthy contributions to Parkrose journalism.

Annual Staff

Original talent is what the yearbook looks for in choosing its staff members. With an eye to the future with designs for lay-outs, selecting pictures and the seemingly endless job of copy-writing. The purpose of the annual staff is to produce the yearbook. The annual has been improved in the estimation of the staff and all who are concerned with its production. Under student direction, the Equus Ferox will be more concise and comprehensive than in the past, with the deletion of unnecessary blank space.

The staff of the Equus Ferox wishes to thank all the teachers and students without whom this annual could never have been produced.

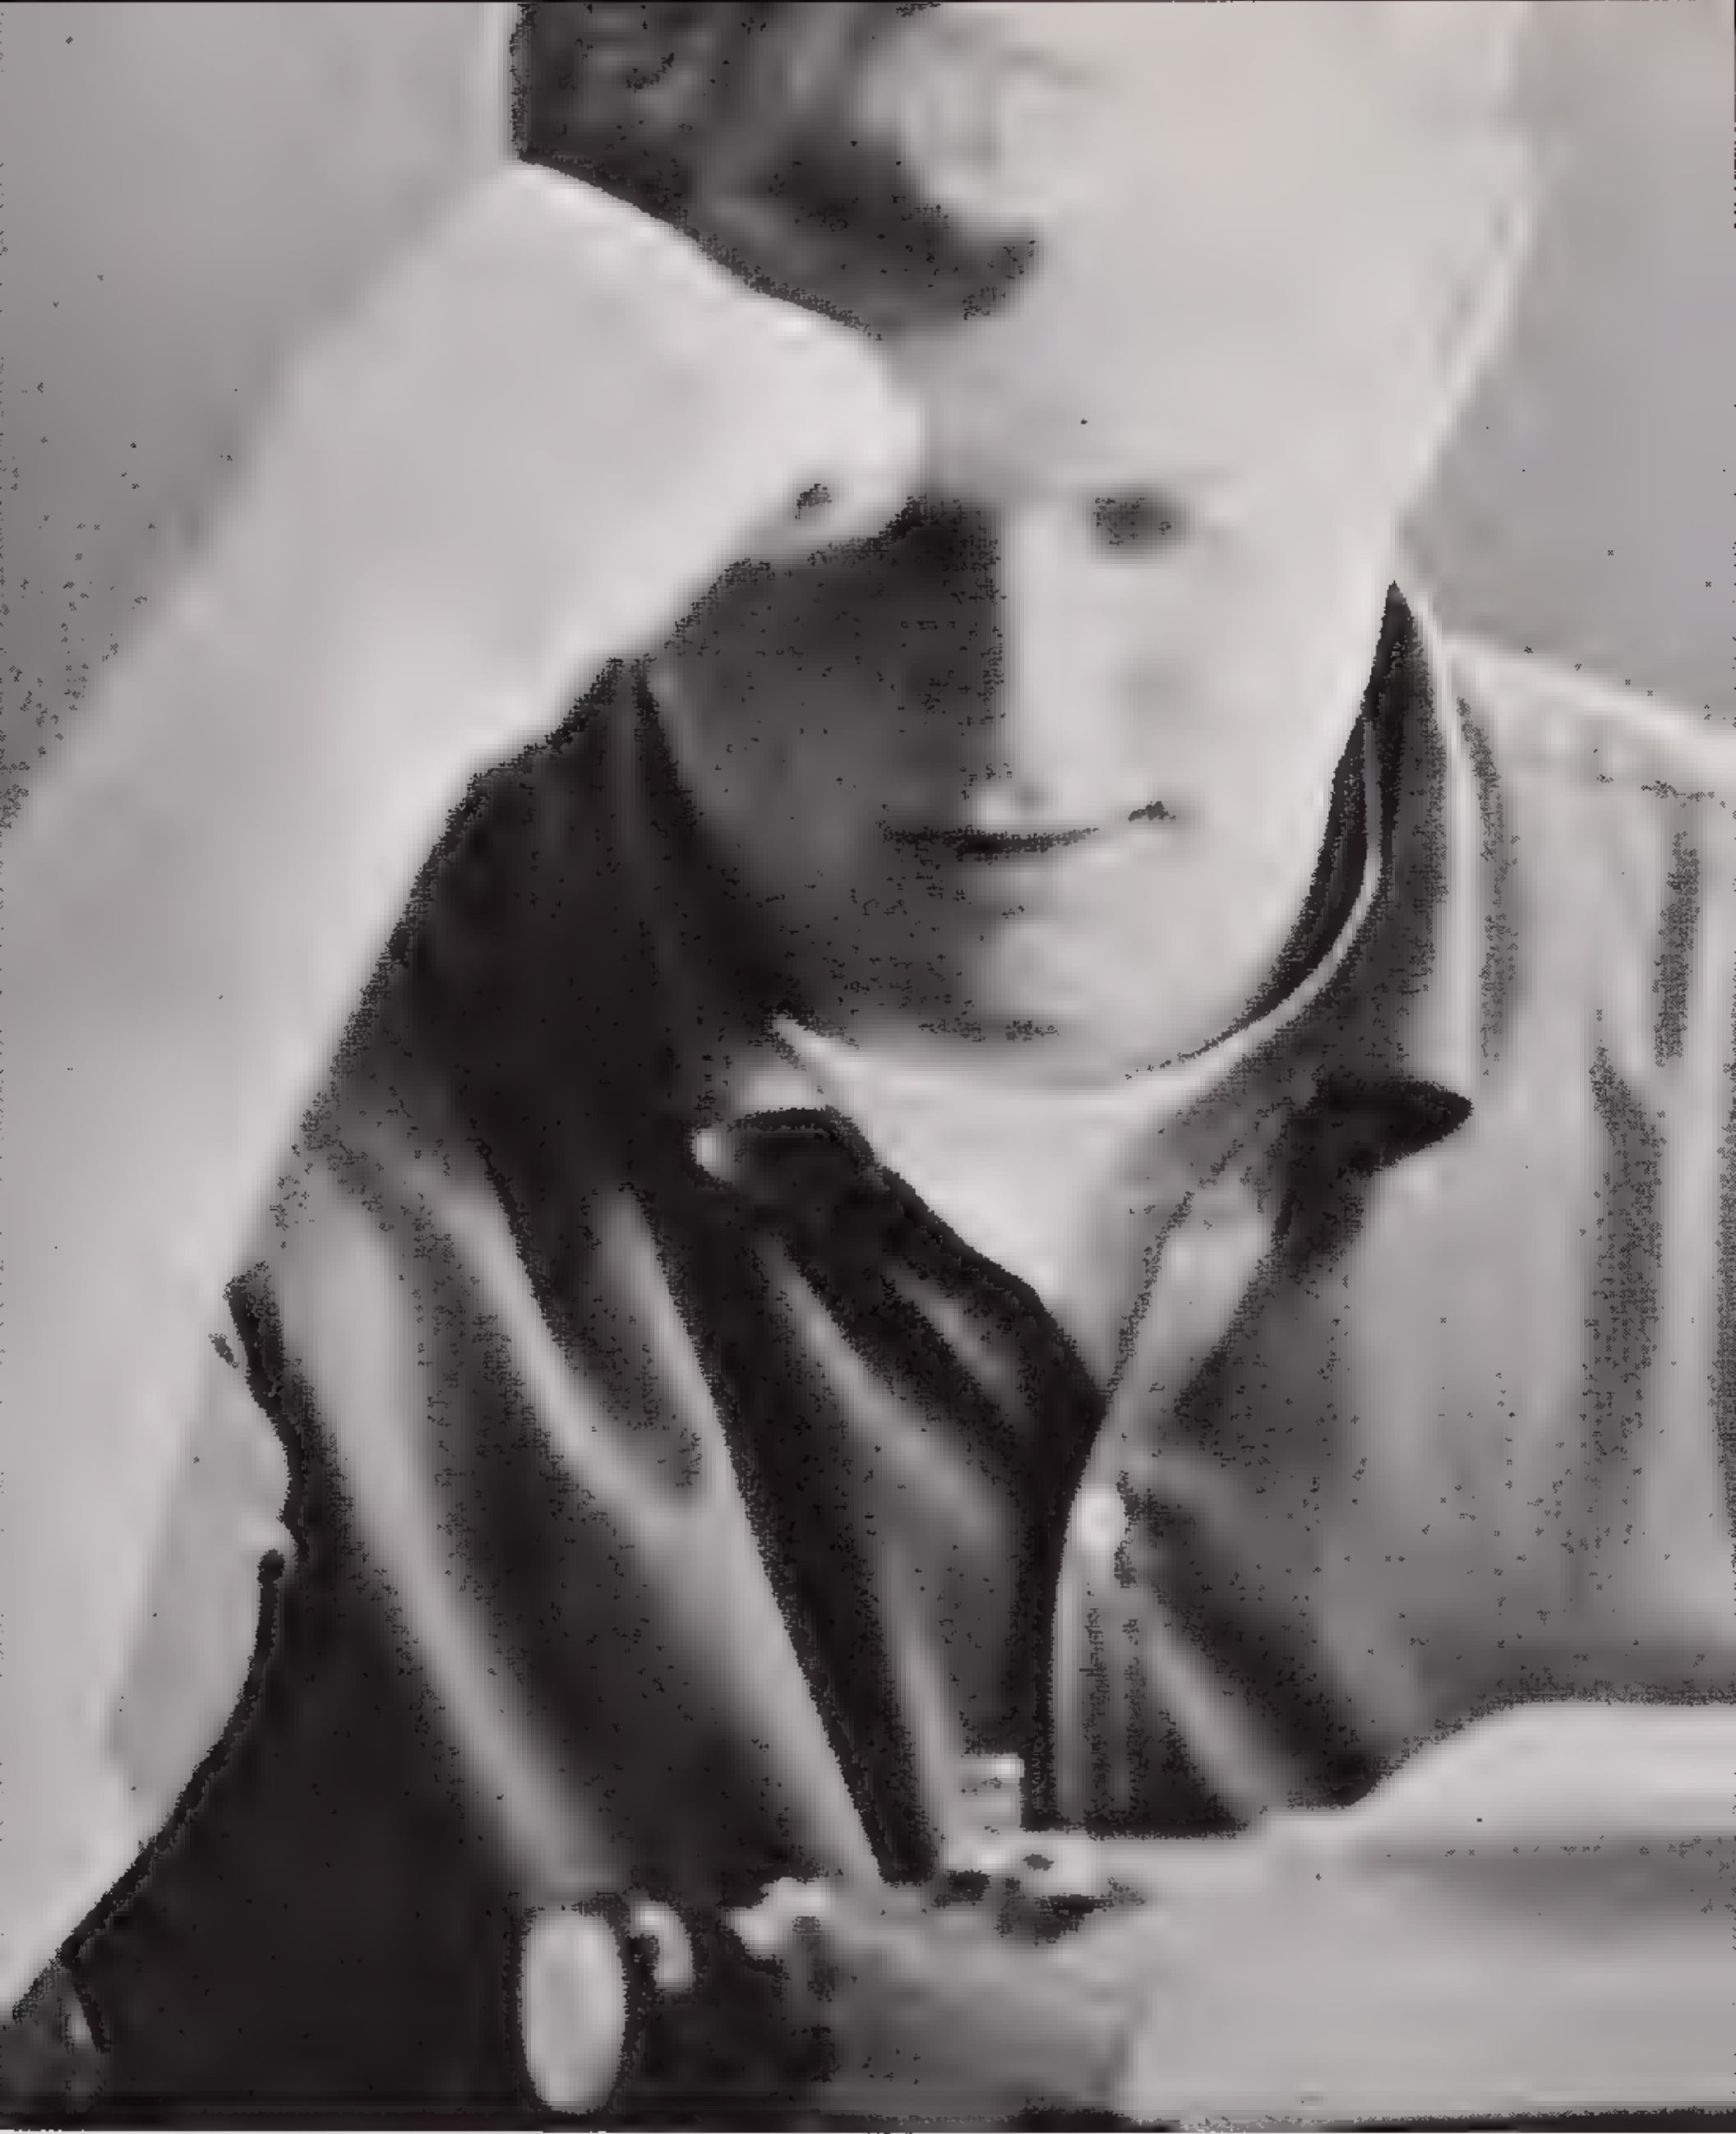

Home Economics

Home Economics provides background for a future homemaker or wife. The beginning students are taught the basics of cooking and sewing, while the more advanced classes experiment with foreign foods and the construction of formals. This year some of the homemaking classes prepared foreign dinners for some of the prominent leaders in our community.

Cooking and sewing are not the only two skills learned. The girls are also given a background in child care, home decorating, and grooming.

Business Courses

Some of the most practical courses offered at Parkrose are the business courses, teaching skills that are now required in almost all clerical fields of employment. Typing, shorthand, business law and office practice, fall into this category. The skills gained in these classes are just as beneficial to those who go on to college as they are to those who secure jobs after graduation.

While specialization in an area of study confines a person to one field, a knowledge of all skills will develop the competence that will result in better paying positions and promotional possibilities.

Shops

The various shop classes offered at Parkrose help develop mechanical ability — through careful instruction and long hours of practice.

These courses resemble, in many respects, on-the-job training. As important as a college education is to a business executive, the shop courses are just as important to the student interested in technical and vocational fields.

Physical Education

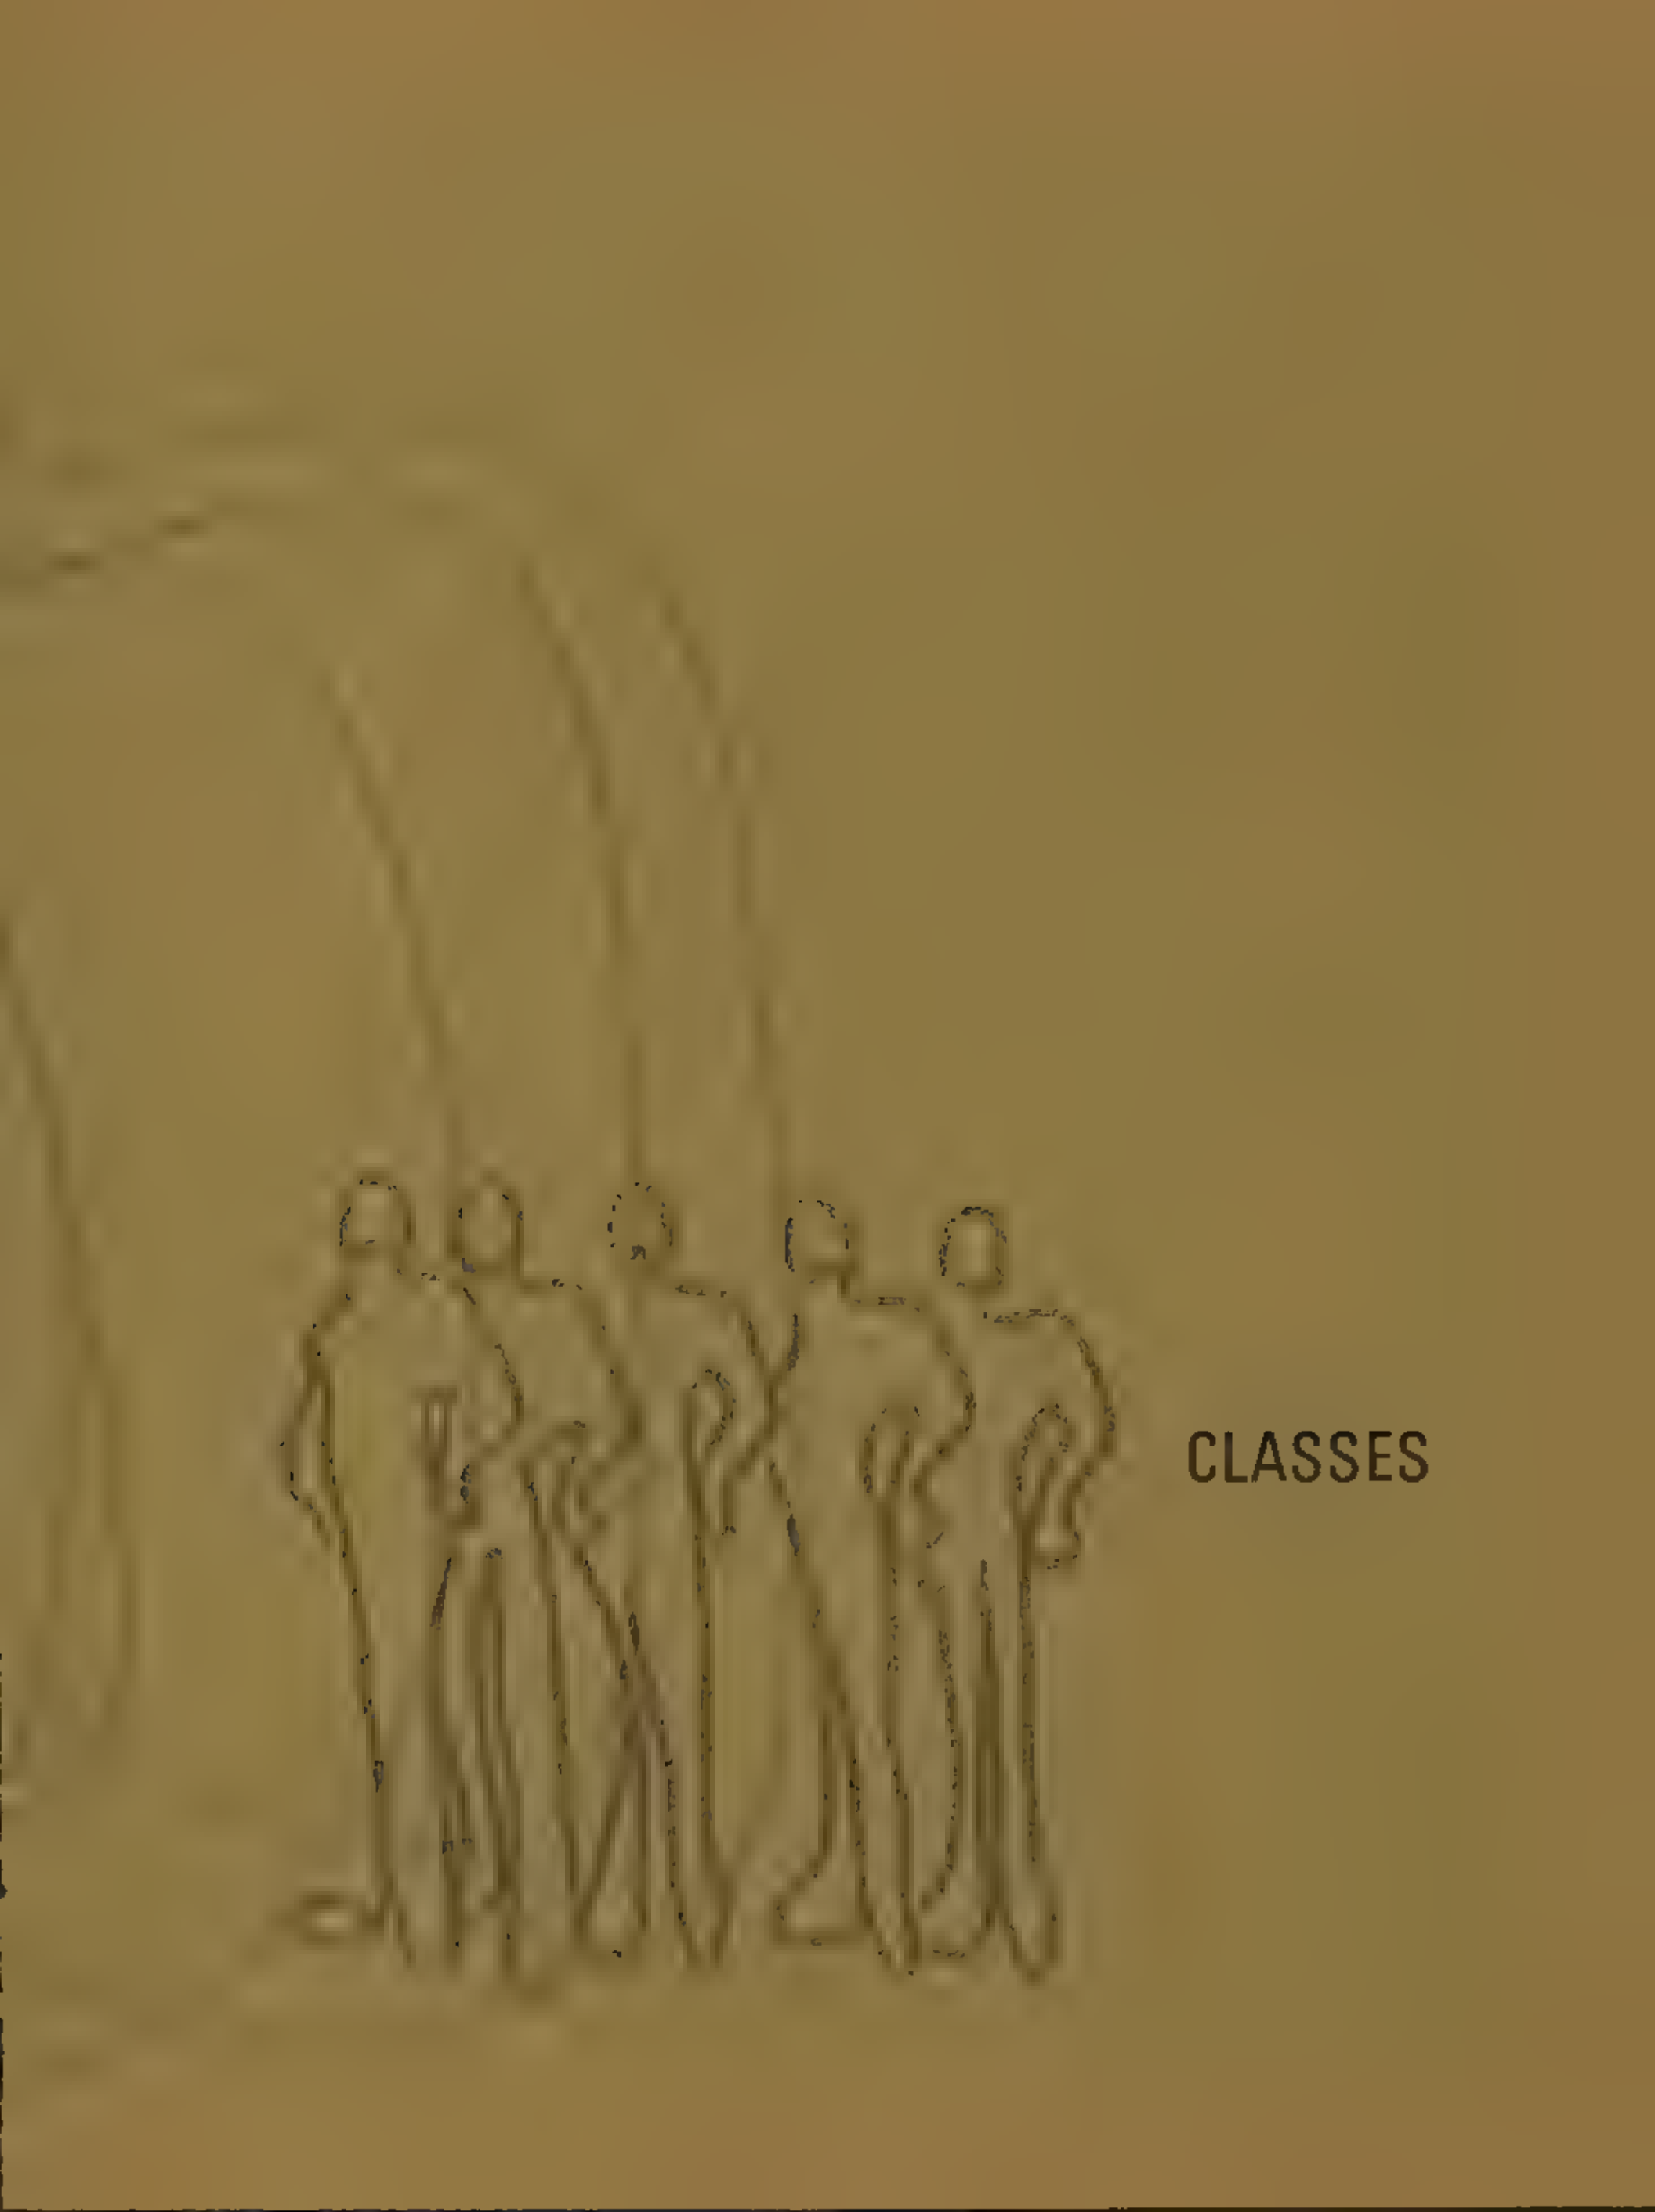

Physical education gives students a chance to train physically and mentally. The main goals of this class are to develop strength, agility, and coordination. A well-rounded schedule of football, basketball, swimming, and track help attain these goals. In May, boys are given Marine Corps Fitness Tests to determine their physical ability.

Physical fitness is important because the future will belong to those who are not only mentally fit - -but physically strong.

And the end.
Your face, many others,
Records, labelled,
Signed against the wind
Of perpetual change and
Held in the isolate
Insult of the camera.
As if you didn't change.
But...here you picture
Is, your achievement,
Loss, representation.
Know, but it's the best
The feeble maninstrument
Can do to capture
The beautiful. That's
You, comadre, the elusive,
Developing someone.
You're different. Never
Forget it. Always believe
In it. Ignore the
Camera lies.

AMERICAN LEGION AWARD

Robert Stacey, for qualities of honor, courage, service, scholarship and character, received the American Legion Award.

ROBERT STACEY

THESPIAN AWARD

Annette Johnson was presented the Thespian Award for her outstanding contribution in the field of drama.

ANNETTE JOHNSON

RALPH MILLER AWARD

Presented for athletic accomplishment and sportsmanship, the Ralph Miller Award was earned by Douglas Wellman.

DOUGLAS WELLMAN

TED McFERRON AWARD

For his skill and contribution to varsity baseball, the Ted McFerron Award was presented to Kip Veit.

KIP VEIT

BETTY CROCKER AWARD

For her score on the annual SRA examination in homemaking, Janet McFadden was named award winner.

JANET McFADDEN

Foreign

Mary Moore

Last summer Mary Moore was our American Field Service representative in Germany. While in Germany she had the opportunity of meeting and learning much about the people, and states that it was the best possible experience she could have had and that she would do it again if she could.

She sincerely believes in the American Field Service Motto. "Walk together, talk together, oh ye people of the earth, then and only then shall ye know peace."

Exchange

Jill Waters

Jill Waters, from Sussex, England, had the honor of being a foreign exchange student in the United States.

While in Parkrose she stayed with the Hansen family.

Looking back on her months spent at Parkrose, she has contributed greatly to the student body. She was a member of the girls' track team, a member of Honor Society, and sold to the highest bidder on our annual slave day. Her warm personality and friendly smile will be missed by everyone.

Commencement

Another school year was brought to a close, as 368 happy yet tearful graduates participated in the 1968 commencement exercises.

Lynne Coates and Pam Amick gave the valedictory and salutatory addresses. Class honors were presented by Mr. Anderson, and the presentation of diplomas followed. The choir then sang, "Let there be peace on earth, and let it begin with me", from which the class motto was taken. The evening ended with the Class of '68 singing their Alma Mater for the final time, before marching out of the stadium.

All-Night Party

The parents of the Class of '68 made the all night party a night to remember as they turned the halls of Parkrose High into "The Barbary Coast". Attractive and creative decorations set the scene for this evening of fun and enjoyment. Seniors were kept active dancing, swimming, playing games, and eating. A breakfast of ham and eggs was served at 4 A.M., to all those who had managed to build up an appetite during the night.

We owe our thanks to all of our parents for making our all night party such a wonderful and special occasion.

The Barbary Coast

Class of '68

As their high school years come to a close, the Class of '68 will remember the many rewarding experiences and achievements that were made here at Parkrose High.

The seniors have provided outstanding leadership and service to our school, and their marks will long remain.

As they graduate and leave the halls of Parkrose, learning to make a future for themselves, we wish them the best of luck in whatever they do.

Class of '69

As juniors, the Class of '69 had the main responsibility of sponsoring the Jr. Sr. Prom. Like in the past, they carried out their task with enthusiasm and success.

Next year, as seniors and head of the student body, the Class of '69 will be well prepared to provide the leadership and knowledge needed to guide upcoming sophomores and juniors.

Class of '70

Sophomores come to high school to learn, and they learn by doing. Their first chance to participate in activities came when they elected their class officers. Under the leadership of Stan Gacek, Dave Hume, Anne Bargar, Denise Moak, and Barbara Marker, the Class of '70 made many plans for money-making projects, dances, and contests.

The Class of '70 was the first class to adopt their own colors, flower, motto, and song, during the sophomore year. They hope to follow their motto - "We came, we saw, we conquered."

Who was leading while you
 Labored? Who taught,
Struggled, ignored, clashed
with/to/under/by/through
 You?
Here they are, And in
 Rows too, like you,
Frozen in a warm season
With a cold photograph.
They're not what you knew,
 But here's a face, a tie,
Classroom, some might
Remember for a while.

ADMINISTRATION

Principal Mr. Anderson

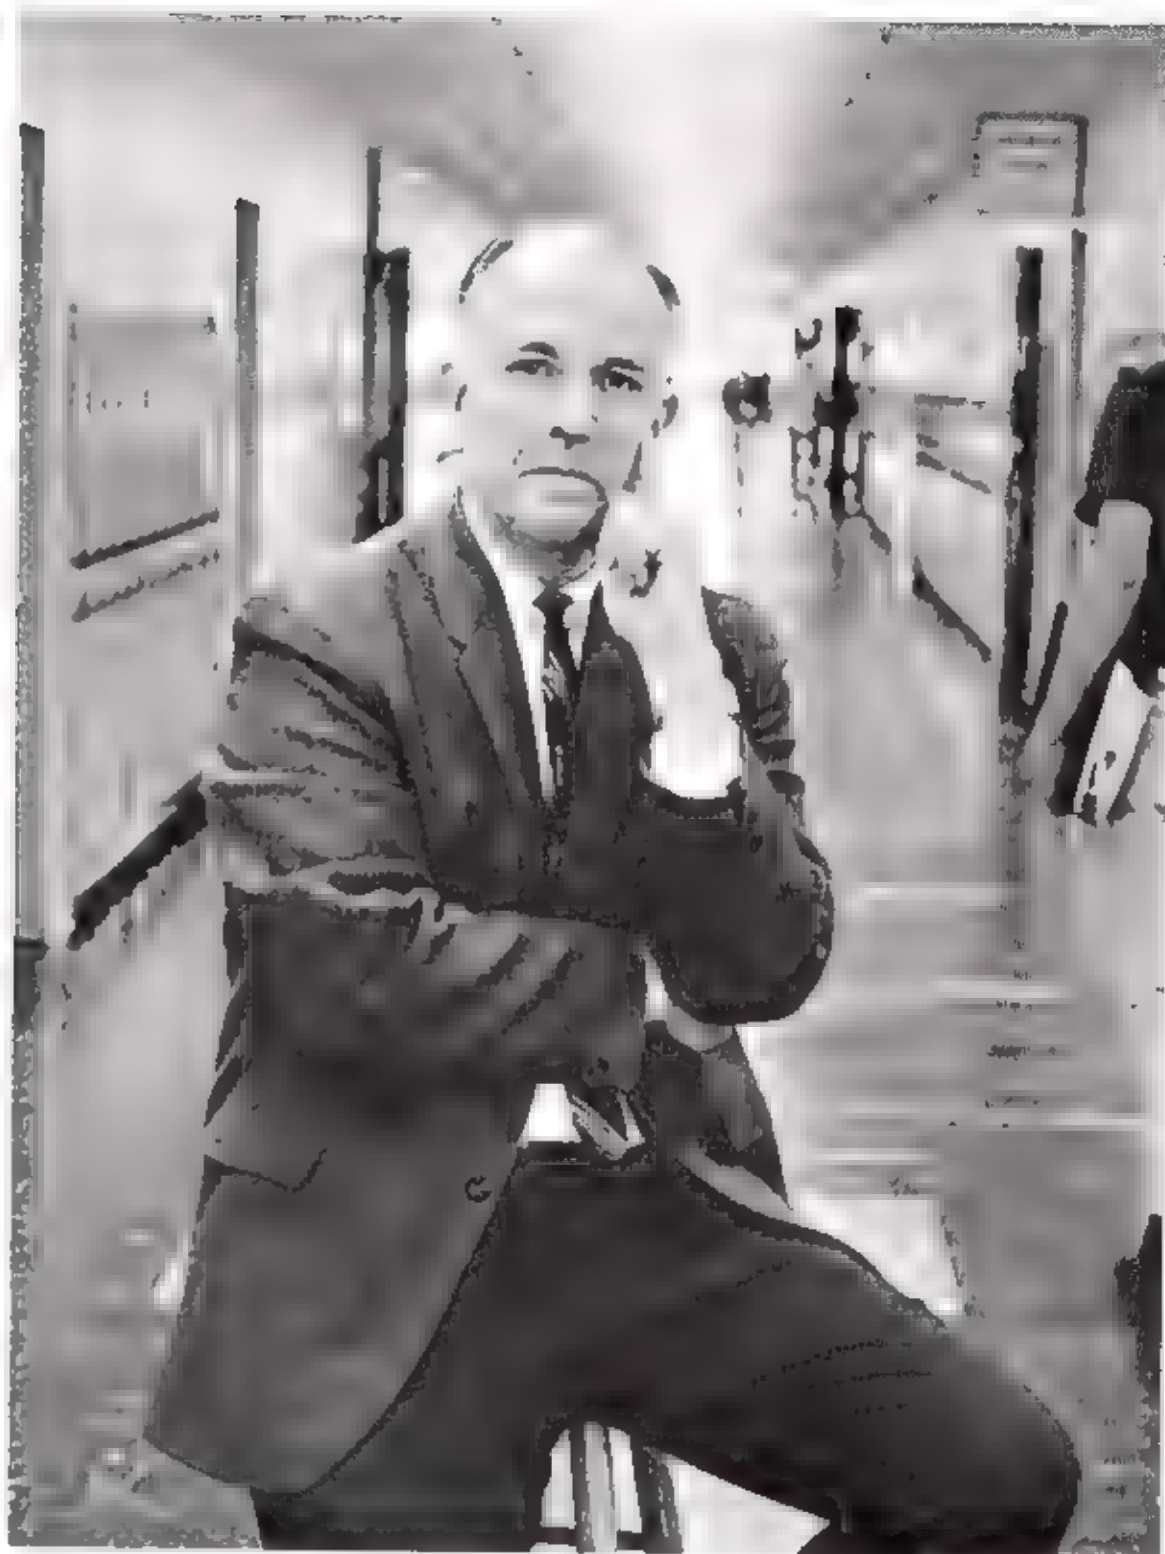

As this school year ends one must express pessimism concerning mankind's ability to live together in a reasonable and realistic manner. The current state of world and domestic affairs brings no logical alternative to this conclusion.

No matter how dim the prospects for solutions seem to be at this time, there is a strong ray of hope, and this resides in you, the youth of our nation. Your responsibility is grave and inescapable. Through your educational and personal development to this point, and through the same kind of further development in the future, must come whatever improvements and advances we will be able to experience in the years to come.

We find ourselves doubting, questioning and protesting. In my opinion, these activities are necessary ingredients of change and progress. However, they are not enough. They must be coupled with the seeking of answers, the developing of realistic alternatives, and the building of a faith that the task of improvement can be accomplished.

The road is not clearly marked and is very surely bumpy. However, the trip is inevitable. The world must have the best of everything that is in the youth of today. The challenge is obvious, and I urge you to accept it with determination.

J. W. Anderson
Principal

Assistant Principals

Mr. Duley

Assistant Principal, Mr. Marion Duley finds his days filled with the many duties of his job. He is in charge of the curriculum at Parkrose, and also the preparation of all student schedules. He is the head of the counseling department, he is responsible for Sophomore discipline, and he has found his share of teacher observation a "pleasant experience".

Mr. Booth

Mr. Herb Booth as assistant principal is responsible for all of the student activities. These include student body government and financing, boys intramurals, and all assemblies, dances, and club activities. He is in charge of Junior and Senior discipline, he is the health coordinator for the Parkrose District, and he is responsible for student and intern teachers.

Mr. Booth is leaving Parkrose this year, and his hard work and great enthusiasm will be hard to replace.

Administration

"Congratulations to the Class of 1968. Another significant milestone has been passed, but there are many yet ahead -- college graduation for some, military service for some, marriage and a family for most, plus many personal, business, and professional triumphs for all of you. Our hope is that you are better prepared to cope with whatever lies ahead as a result of your experiences with us. Best of luck to all of you!"

Miss Nancy Borton

Mr. Marlin Struckman

Counselors

A team of four make up the Parkrose counselling staff. Miss Borton, Mr. Struckman, and Mr. Duley give advice and assist many students as the girls' and boys' counselors. Answers are provided to both academic and personal problems.

Mr. Baeckel, vocational and college counselor, gives aid to the many students who wish to attend college. He keeps them constantly aware of the college requirements they must meet. Various job opportunities are also available to those students who wish to seek employment.

Secretaries

The secretaries are faced with numerous duties each day as they endeavor to keep PHS running smoothly. Their many responsibilities include budget records, schedules, grades, and information on colleges and vocational programs. Because the secretaries are always glad to help, they are often interrupted by students with requests and questions.

Mrs. Carscallen, as secretary at Parkrose for 20 years, retired this year. Her friendly assistance and cheerful countenance will be missed.

Cooks

The cooks prepare a variety of delicious foods for the students' lunches, plus hot cinnamon rolls for the snack break.

Few people are aware of the meal planning and hard work that is put into the meals and the numerous school banquets.

Custodians

Keeping a school, the size of Parkrose Senior High School, in top working order is an around-the-clock job. For floors that sparkle, brightly lit halls, and lockers that never jam, we owe our thanks to the custodians.

Bus Drivers

Over 17,000 students travel on buses to the Parkrose Senior High School. Three hundred miles per bus driver in one week's work. In addition to this job, of transporting students to school, they also drive students to concerts, plays and field trips. There is no doubt that we owe a debt of thanks to the bus drivers who make it their job to see to it that everyone gets to and from school safely.

Dear Students:

Thank you for having selected us as your official photographer. We have endeavored to justify your faith in us by doing our best to please you. We hope that you like us as well as we liked working for you.

In the future, when you have need for good photographs taken by a professional photographer, whether it be a portrait, special pictures of special events, a family group, or formal or candid pictures when you are married, feel free to tell us your requirements. We have an especially fine service on wedding portraits.

We shall look forward to seeing you when you again need the services of a professional photographer.

Let us again express our appreciation for the fine cooperation of the entire student body. It has made our work with you very pleasant.

Sincerely,

KENNEL-ELLIS

**Quit
school
and
"fail"**

You get no headstart in your career by dropping out of school. Instead, you seriously lessen your chances of success by going to work before you're fully trained, fully prepared. In these highly competitive days, you need all the education you can get. Stay in school... "graduate" to a rewarding career.
